FINAL

ISSUED

When no permit is issued within one year following the date of the application thereto, the application shall automatically expire. Every permit issued shall expire by limitation and become null and void if the work authorized by such permit is not commenced within 12 months from the date such permit is issued, or the work authorized by such permit is suspended or abandoned for a period of 180 days, or the permittee fails to obtain inspection as required for a period of 180 days.
