Discover your own slice of paradise in this like-new, cozy cabin, nestled among towering trees and pines. Perfectly move-in ready, this delightful retreat invites you to savor everything the Yosemite Region and Pine Mountain Lake have to offer. Groveland enchants visitors with its warm, welcoming community, diverse dining experiences, and activities to suit every interest. This charming 1,072-square-foot single-level home features 2 bedrooms and 2 baths, ensuring you have all the space you need. An additional built-out area beneath the home offers a workshop and storage, providing even more versatility, though it is not included in the square footage. Impressive upgrades have been recently made, enhancing both comfort and convenience. Mini-split systems and ceiling fans in every room allow for personalized climate control, ensuring you feel right at home throughout the year.
