SQUARE FOOTAGE AND LOT SIZE ADVISORY AND DISCLOSURE

(C.A.R. Form SFLS, Revised 12/24)

Property Address: ***44228 Nighthawk Pass, Temecula, Ca 92592*** ("Property")

1. **DIFFERENT SOURCES OF SQUARE FOOTAGE MEASUREMENTS:** Measurements of structures vary from source to source and that data is often contradictory. There is no one "official" size source or a "standard" method of calculating exterior structural size, interior space or square footage. Buyer should not rely on any advertised or disclosed square footage measurements and should retain their own experts to measure, as applicable, structure size and square footage during their investigation period, if any. This is especially important if Buyer is using square footage to determine whether to purchase the Property or are using a price per square foot to determine purchase price. Price per square foot calculations are generally broad estimates only, which can vary greatly depending upon property location, type of property and amenities. Such calculations should not be relied upon by Buyer and the accuracy of any such figures should be independently verified by Buyer with their own experts including, but not limited to, a licensed appraiser.
2. **PROPERTY (LOT) SIZE, DIMENSIONS, CONFIGURATIONS, AND BOUNDARIES:** Fences, hedges, walls, retaining walls, and other barriers or markers may not correspond with any legally-defined property boundaries. Existing structures or amenities may not be located within the actual property boundaries or local setback requirements. If lot size, dimensions, property configurations, boundary lines, and locations of improvements are important to Buyer's decision to purchase or the price Buyer is willing to pay, then Buyer should independently investigate by retaining the services of a licensed surveyor, the only professional who can accurately determine lot dimensions, boundary locations and acreage for the Property.
3. **BROKER OBLIGATIONS:** Brokers and Agents do not have expertise in determining the exact square footage and lot size. Broker has not and will not verify the accuracy of any numerical statements regarding square footage, room dimensions, or lot size, or the location of boundaries.
4. **DISCLOSURE OF MEASUREMENTS AND SOURCES: Square footage and/or lot size numbers inserted into the spaces below, if any, were taken from the referenced source and may be approximations only. Other measurement sizes may exist from other sources.**

Source of Information	Sq. Footage	Lot Size	Additional Information	If checked, report attached
Public Record				☐
Multiple Listing Service	***3145***	***6969***		☐
Seller			Measurement comes from the following source:	☐
Appraisal #1				☐
Appraisal #2				☐
Condominium Map/Plan				☐
