Dear William & Judy Kumprey,

As part of the Maple Avenue Reconstruction project the Village extended water and/or sewer services to your property. In order to recuperate the cost for these utility extensions, the Village is considering placing a special assessment on your property. Please note that this special assessment would only be used to cover the costs associated with the sewer and/or water extension to your property. There is no special assessment for any other parts of the Maple Avenue project including, but not limited to, sidewalks, grading, concrete, or restoration. Jeremy Smith, Village Administrator, and I would like to schedule a time to discuss this with you in greater detail. Please call Anne Pulvermacher at 262-246-5213 to schedule a time to meet.

Thank you,

Kelsey McElroy-Anderson
