* The Maine Condominium Act establishes the following requirements in connection with the resale of a condominium unit: A unit owner is required to furnish to a purchaser a copy of the declaration (other than the plats and plans), the bylaws, the rules or regulations of the association, and a reasonably current certificate containing the items set forth in 33 MRSA §1604-108. The condominium's association is required, within 10 calendar days after a request by a unit owner and payment of any reasonable fee established by the association, to furnish a certificate containing the information necessary to enable the unit owner to comply with this requirement. If the certificate is not provided prior to execution of the purchase contract, the purchase contract is voidable by the purchaser until the certificate has been provided and for 5 calendar days thereafter or until conveyance, whichever first occurs.
