

RHSS MAINE BROKER DISCLOSURE FORM

Private Water Supply, Heating System, Waste System and Known Hazardous Materials Disclosures

The Maine Real Estate Commission rules Chapter 410, Sections 15-18, require the listing broker to solicit from the seller information related to the private water supply, heating system, waste disposal system and known hazardous waste materials at the property. Under Maine law, the seller may be exempt from providing property condition disclosures.

In accordance with the Commission's rules, the listing broker has made reasonable attempts to ascertain the information below and makes the following disclosures.

Property Address: 42 Park Street Madison, ME 04950-1614

For each item below, if applicable, provide the details or indicate "unknown" if unable to obtain this information through reasonable efforts. If not applicable, indicate N/A. Do not leave any fields blank.
