Warranty Certificate

Zenith Roofing and Construction issues all warranties in accordance of the purchase contract and guarantees all work completed, detailed in the purchase contract for a period of:

20 Years

In any case of such leaking, Zenith Roofing and Construction guaranties to repair or replace any defect of workmanship within the warranty period at no expense to the customer. All materials are warranted by manufacture for the period indicated in the purchase contract. This warranty will automatically transfer to any new owners of the above listed structure.

Under no circumstances shall Zenith Roofing and Construction be liable, by virtue of this warranty or otherwise, for roof or structural damage resulting from normal wear and tear, including but not limited to ice damage, hailstorms, foreign objects or wind and rain.
