RULES AND REGULATIONS

SUMMIT TERRACE CONDOMINIUMS
UNIT OWNERS ASSOCIATION

115 Summit Terrace, South Portland, Maine

SUMMIT TERRACE CONDOMINIUMS (the "Condominium") is a private condominium located at 115 Summit Terrace, South Portland, Maine, consisting of twenty (20) condominium Units. The Condominium takes pride in being a quiet, safe and enjoyable place to live, where maintenance of facilities and grounds is a high priority and where the concept of condominium ownership works well.

By virtue of the original Condominium Declaration and organizational Bylaws, the Condominium is a self-managing association with authority for governance vested in an elected Board of Directors. All owners are subject to common rules, regulations and standards of behavior. They are responsible for sharing in the policy, fiscal, and managerial decisions that are necessary to insure that the Condominium remains a desirable community in which to live.

As with any community, rules and regulations are necessary to insure the peaceful and orderly use and enjoyment of the buildings and common elements. The Rules and Regulations are the Condominium's means to that end and focus on the permissible uses of the Condominium property. They are both general and specific and are based on condominium law, and on preferences established by the original developers and the subsequent owners of the Condominium.

In order to appreciate these rules, a Condominium owner must first:

- *Understand* and *support* condominium living for what it is and for what it is not. Owning a condominium and living in a condominium community offers an advantageous lifestyle. However, you must share a great deal (property and decisions) with others. Condominiums are not the same as apartments where you have a landlord to respond to all of your needs. It is also not like owning a single-family home with your own backyard where you are the sole decisionmaker about maintenance and the use of your property.

- *Recognize that in a condominium community,* beyond the limits of one's interior space, one's personal preferences cannot be allowed to take precedence over the interests and needs of the group of owners at large.

- *Recognize,* that as a condominium owner, you have an obligation to participate in the activities of the community. This means caring about the common elements, volunteering for workdays, working on special committees, serving on the Board, and meeting your financial obligations.

- *Recognize,* that no Condominium owner is exempt from the rules and regulations of the Condominium community.

As provided in the Bylaws and in order to assure the safe and peaceful use of the Condominium's facilities, the following Rules and Regulations have been adopted by the Board of Directors. To the extent that these Rules and Regulations do not make reference to a particular circumstance or action, it should be assumed by all that such circumstances and actions are not permitted anywhere at the Condominium without the specific approval of the Board of Directors.
