Crystal Lake Advancement Association membership dues help fund annual needs such as our Lake Aquatic Management Plan (studying lake level impacts, monitoring and treating invasive vegetation and ensuring water quality), promotion and establishment of pedestrian safety and continued general upke around Crystal Lake. The money collected also supports our social gatherings for fundraising throughou the year and our annual Independence Day fireworks.

Become a Member - Download and Complete Form Below

There are two types of membership: Household ($50) or Crystal Club ($100)

Crystal Club Membership

Please consider becoming a Crystal Club member at $100 per year. Your membership will go a long way to continue our water management, invasive species treatments and other initiatives, while remaining within our budget.

Why Join?

With your support, we can continue to increase our efforts to protect lake water quality, community safety and the natural beauty of Crystal Lake for generations to come. These efforts are also linked to increased property values, quality of life and building a stronger local community!

Beautify Our Community

Lake beautification efforts include: signage upkeep and landscaping efforts around the lake and roads; plus an annual comprehensive lake study, evaluation and treatment of Eurasian Milfoil.

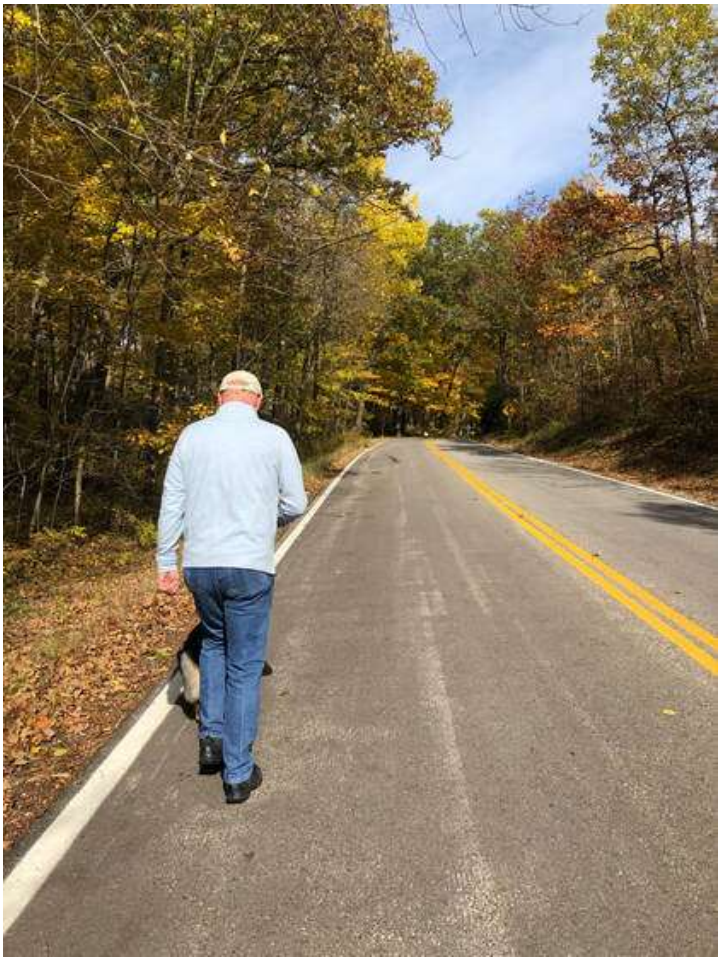
LAKE PRESERVATION

Water quality and control of invasive aquatic species remains a top priority on Crystal Lake. Through your generous donations and additional funding from the Sanitary District, the CLAA will continue to contract with a local aquatic biology firm to survey, test and treat the lake according to DNR guidelines and regulations.

Visit the Lake Preservation page for updates on Crystal Lake Preservation Activities for 2025.

Send comments and questions to claaofwi@gmail.com.

ROAD SAFETY



CLAA considers road safety a priority for drivers bikers and pedestrians. Per a request to the county by CLAA:

- A traffic study was completed by the cou between Elkhart Lake and Crystal Lake resulting in speed limits to and from Elkh Lake to be consistent at 25 mph.
- Additional signs promoting biker and pedestrian caution have been posted around the lake.
- Additional mowing of berms to aid pedestrians is being completed each summer.
