Hello Meadows of Riverpark owners,

We made it!! The paving project is complete. After 5 years of planning and saving, we have the paving done.

The barrels will be removed Wednesday morning. The owners in phase 3 can resume using their garages. We have some minor things to be completed over the course of this year and next to finish the project, but the main thing is done.

The board hopes that you are as pleased with the outcome as we are. It has added to our overall value of our condos. The board would like to thank everyone for their patience and understanding with the project. We can't control mother nature, but overall it went very well.

Mail and garbage service should be back to normal as of Wednesday. Again, thank you from the board.

Dave Moyle

President

Meadows of Riverpark.
