ARTICLE 1 | DEFINITIONS

1. The following defined terms have the meanings set forth below:

- a. **"Actual Annual kWh"** means, for any Production Year, the AC electricity produced by the System in kilowatt-hours (kWh).
- b. **"Commencement Date"** means the date of initial operation of the System.
- c. **"Guaranteed Annual kWh"** means, for any Production Year, the total amount of AC electricity generation guaranteed, as set forth in Art. 7 of Exhibit A.
- d. **"Guaranteed Energy Price"** means \$0.18/kWh.
- e. **"Performance Guarantee"** means this Exhibit A.
- f. **"Performance Guarantee Term"** means the period beginning upon Commencement Date and ending on the earlier of: (a) the twenty-fifth (25th) anniversary thereof; or (b) the termination of this Performance Guarantee.
- g. **"Production Year"** means the twelve (12) month period beginning on the 1st day of the month following Commencement Date, and each successive twelve (12) month period thereafter during the Performance Guarantee Term. For example, if Commencement Date occurred on March 15, each Production Year would run from April 1 to March 31.
- h. **"Production Year Deficit Payment"** means, for any Production Year, a refund payment by Freedom Forever to the Customer in an amount calculated in accordance with ARTICLE 3 of this Exhibit A.

ARTICLE 2 | PERFORMANCE GUARANTEE

2.1 **Performance Guarantee.** Freedom Forever guarantees that in each Production Year the System will generate the Guaranteed Annual kWh for such Production Year, subject to the other terms and conditions set forth in this Exhibit A.

2.2 **Production Year Surplus.** If at the end of a Production Year, the Actual Annual kWh for such Production Year is greater than the Guaranteed Annual kWh for that Production Year, there will be no additional cost to the Customer for this surplus energy. However, this surplus will be carried over and used by Freedom Forever to offset any future Production Year Deficits.

2.3 **Production Year 1 Adjustment.** In the event the Actual Annual kWh for Production Year 1 is less than 90% of the Guaranteed Annual kWh for Year 1, Customer agrees to allow Freedom Forever to replace or install additional panels so that the Actual Annual kWh for Production Year 1 meets at least 90% of the Guaranteed Annual kWh for Production Year 1. In the event Freedom Forever replaces or installs additional panels to meet 90% of the Guaranteed Annual kWh for Production Year 1, the new Guaranteed Annual kWh for the following production Years will be the original Guaranteed Annual kWh multiplied by 90%; Exhibit B will be adjusted to reflect the change. Freedom Forever is not required to give you notice of such adjustment.

2.4 **No Adjustment on Surplus.** Guaranteed Annual kWh will not be adjusted if the Actual Annual kWh for Production Year 1 exceeds the Guaranteed Annual kWh for Production Year 1.

2.5 **Internet Requirement.** During the Performance Guarantee Term, the Customer shall maintain and make available, at the Customer's cost, a functioning indoor internet connection with a router, one DHCP enabled Ethernet port with internet access and standard AC power outlet close enough and free of interference to enable an internet-connected gateway provided by Freedom Forever to communicate wirelessly with the System's inverter. The Customer further agrees that maintaining such a high-speed internet connection is a prerequisite to the Performance Guarantee.

Customer's Initials vw

2.6 **Exclusion Events.** The performance guarantee set forth in [Section 2.1](#) does not apply to any failure of the System to achieve Guaranteed Annual kWh for any Production Year, to the extent caused by any of the following exclusion events ("Exclusion Events"):

- a. Someone other than Freedom Forever or its approved service providers shuts down, installs, removes, re-installs, modifies, alters or repairs the System;
- b. Destruction, damage, or vandalism to the System, or its ability to safely produce energy, which is not caused by conduct of Freedom Forever, its employees, subcontractors, or agents;
- c. The Customer fails to perform or breach the Customer's obligations under the Agreement, which failure or breach directly and materially affects the performance of the System;
- d. - e. The Customer fails to clean the modules at least once every six (6) months;
- f. The Customer fails to take all reasonable steps to prevent any interference with the solar insolation that falls on the System;
- g. The Customer fails to promptly notify Freedom Forever upon discovery of interference with the solar insolation that falls on the System even after taking all reasonable steps to prevent such interference;
- h. Water ponding or puddling on the Customer's roof (i.e. standing water that fails to drain) not caused by Freedom Forever or its approved service providers;
- i. Damage resulting from mold, fungus and other organic pathogens, regardless of the cause;
- j. Superficial changes in the appearance of the System components due to exposure to weather and atmospheric conditions (e.g. chalking or blemishes);

- l. Force Majeure Events;
- m. A power or voltage surge not caused by Freedom Forever, its employees, subcontractors, or agents, including a grid supply voltage outside of the standard range specified by the utility
- n. Any System failure or lost production not caused by a System defect (e.g., the System is not producing power because it has been removed to make roof repairs or the Customer have required us to locate the inverter in a non- shaded area);
- o. Any System failure or lost production caused by equipment failure which is not subject to the Limited Warranty;
- p. Theft of the System other than by [Freedom Forever](#), its employees, subcontractors, or agents;

ARTICLE 3 | PERFORMANCE GUARANTEE CLAIMS

3.1 Performance Claim. If at the end of a Production Year the Actual Annual kWh for the Production Year generated by the System is less than the Guaranteed Annual kWh for that Production Year (a "Production Year Deficit"), then the Customer can make a claim about such deficit to us ("Performance Claim"). The Customer must make any Performance Claim within sixty (60) days following the end of the applicable Production Year. All Performance Claims hereunder must be in writing, be identified as "Performance Claim," and be delivered to us in accordance with Section 13.2 of this Agreement.

3.2 Claim Review. After receiving the Customer's Performance Claim, Freedom Forever shall have the right to check Actual Annual kWh for the applicable Production Year and conduct on-site inspections on the Property for purpose of reviewing the performance of the System and finding out the reasons, if any, which caused the Production Year Deficit. Within thirty (30) days after receiving the Customer's Performance Claim, Freedom Forever will notify the Customer of approval or rejection. In the event that Freedom Forever approves a Performance Claim, which means a Production Year Deficit has occur and is not caused by any Exclusion Event, Freedom Forever will make a Production Year Deficit Payment

3.3 Production Year Deficit Payment. Within thirty (30) days after the approval, we will send the Customer a payment equal to the difference between the Actual Annual kWh for that Production Year and Guaranteed Annual kWh for that Production Year (minus any previous years' surpluses, as set forth in Section 2.2 of this Exhibit A), multiplied by the Guaranteed Energy Price Per kWh

3.4 Calculation upon Exclusion Events. In the event any of the Exclusion Events, for purpose of calculating the Production Year Deficit Payment, if any, the performance of the System during such event shall be deemed equal to the average performance of the prior Production Years during the same time period

3.5 Monitoring Software Service. The Customer may, at the Customer's cost, use any monitoring software service the Customer choose for the System, provided that such monitoring software service be preapproved by Freedom Forever

ARTICLE 4 | MAINTENANCE AND REPAIRS; EXPANSION

4.1 Inspection of System. The Customer agrees that Freedom Forever shall have the right, with prior notice and at times reasonably agreed to by the Customer, to inspect the System to determine if the Customer have complied with the conditions set forth in this Exhibit A. In the event that any inspection discloses that the Customer has failed, on or prior to the date of such inspection, to be in compliance with any of the Customer's obligations, then for purposes of calculating the Production Year Deficit Payment, if any, the performance of the System during such compliance failure shall be deemed equal to the average performance of the prior Production Years during the same time period

4.2 Maintenance and Repair. The Customer irrevocably grants to Freedom Forever the right, during the Performance Guarantee Term, to repair, replace, and maintain the System and appurtenant equipment, and to conduct on-site measurements, including, but not limited to, reading meters and installing and observing on-site monitoring equipment. The Customer shall cooperate fully with the exercise of such right by Freedom Forever pursuant to this Section. The Customer shall further cooperate with Freedom Forever' performance of this Performance Guarantee by providing utility information, and/or additional information as reasonably requested by Freedom Forever

4.3 Expansion and Relocation. In the event an unforeseeable shading condition not caused by Freedom Forever exists and continues for five (5) days, the Customer agrees that Freedom Forever shall have the right to expand or relocate the System, or otherwise the Guaranteed Annual kWh for that Production Year or any future Production Years shall be reduced based upon such shading condition, and Freedom Forever will present the Customer with a proposed reduction to the Guaranteed Annual kWh for that Production Year or any future Production Years reflecting such interference.

Customer's Initials vw

4.4 Expenses. The Customer agrees that if the System needs any repair that is not the responsibility of Freedom Forever under this Agreement, or if the System needs to be expended or relocated to facilitate remodeling of the Property, the Customer will have Freedom Forever, or another similarly qualified service provider approved by Freedom Forever, perform such repairs and relocation at the Customer's expense.

Pursuant to § 7159 (a)(5)(C)(8)(e)(4) of the California Business Professions Code, Freedom Forever is providing this notice:

MECHANICS LIEN WARNING

Anyone who helps improve your property, but who is not paid, may record what is called a mechanics lien on your property. A mechanics lien is a claim, like a mortgage or home equity loan, made against your property and recorded with the county recorder.

Even if you pay your contractor in full, unpaid subcontractors, suppliers, and laborers who helped to improve your property may record mechanics liens and sue you in court to foreclose the lien. If a court finds the lien is valid, you could be forced to pay twice or have a court officer sell your home to pay the lien. Liens can also affect your credit.

To preserve their right to record a lien, each subcontractor and material supplier must provide you with a document called a 'Preliminary Notice.' This notice is not a lien. The purpose of the notice is to let you know that the person who sends you the notice has the right to record a lien on your property if he or she is not paid.

BE CAREFUL. The Preliminary Notice can be sent up to 20 days after the subcontractor starts work or the supplier provides material. This can be a big problem if you pay your contractor before you have received the Preliminary Notices.

You will not get Preliminary Notices from your prime contractor or from laborers who work on your project. The law assumes that you already know they are improving your property.

PROTECT YOURSELF FROM LIENS. You can protect yourself from liens by getting a list from your contractor of all the subcontractors and material suppliers that work on your project. Find out from your contractor when these subcontractors started work and when these suppliers delivered goods or materials. Then wait 20 days, paying attention to the Preliminary Notices you receive.

PAY WITH JOINT CHECKS. One way to protect yourself is to pay with a joint check. When your contractor tells you it is time to pay for the work of a subcontractor or supplier who has provided you with a Preliminary Notice, write a joint check payable to both the contractor and the subcontractor or material supplier.

For other ways to prevent liens, visit CSLB's Internet Web site at www.cslb.ca.gov or call CSLB at 800-321-CSLB (2752). REMEMBER, IF YOU DO NOTHING, YOU RISK HAVING A LIEN PLACED ON YOUR HOME. This can mean that you may have to pay twice, or face the forced sale of your home to pay what you owe."
