# IRON OAKS MHP

**MHP & VACANT LAND PRICE: \$3,052,000**

**PARK OWNED HOME PRICE: \$340,000**

6355 Lincoln Blvd, Oroville, CA 95966

# Investment Summary

Iron Oaks Mobile Home Park is a 40-site, all-age manufactured housing community plus one single-family residence located in the Greater Oroville area of Northern California. Iron Oaks MHP presents a value-add opportunity driven by below-market rents, infill potential, recent capital improvements, and a HCD approved 24-site expansion component, which will increase the permitted sites from 40 to 64 once complete. Over the past few years, ownership has completed meaningful upgrades to enhance the quality and long-term performance of the community, including repaving the central roadway, refreshing the laundry facility, renovating the front single-family residence, removing older homes, and installing new mobile homes to elevate the overall appearance of the property.

The property is served by municipal water, private septic, and direct-billed gas and electric. The community currently consists of 30 occupied tenant-owned homes, four occupied park-owned homes, and six vacant lots ready for new home placement, providing immediate upside through infill. The average space rent of \$617 per month is approximately 15% below market, offering a clear path for rental growth. The four newer park-owned homes are currently leased between \$1,300 and \$1,520 per month and are valued at a total of \$340,000 or \$85,000 per home. The stick-built single-family residence located at the front of the community is undergoing final improvements, including a new roof, and is expected to be leased prior to closing, contributing additional stabilized income.

A significant driver of long-term value is the adjacent 6.68-acre parcel, which has received approvals from HCD to expand the community by 24 additional mobile home sites. The expansion has the civil improvement plans in place and building permits under HUD review. Comcast/Xfinity has committed to covering the majority of infrastructure costs for internet, TV, and voice service installation. The adjacent parcel and associated improvements are valued at \$312,000, providing investors with an attractive basis for scalable future growth in a supply-constrained market.

Strategically located in the Greater Oroville area, serving an approximate population of ~55,000 and encompassing the City of Oroville, the county seat of Butte County, Iron Oaks MHP benefits from a stable regional economy supported by healthcare, government services, higher education, agriculture, water and energy infrastructure, and recreation anchored by Lake Oroville. With convenient access to State Route 70 and close proximity to Chico, Yuba City, and Sacramento, Iron Oaks MHP is well positioned to meet sustained demand for affordable workforce housing throughout Northern California.

Iron Oaks Mobile Home Park offers investors the opportunity to acquire a recently improved manufactured housing community with immediate upside, expansion scalability at an attractive per site cost basis, and long-term value opportunity in Northern California.

# Investment Highlights

- ❑ **Infill Upside** – Six vacant lots with utilities ready for new home placement, offering immediate infill opportunity.
- ❑ **Recent Capital Improvements** – Ownership has completed meaningful upgrades in recent years, including repaving the central roadway, refreshing the community laundry facility, renovating the single-family residence, removing older homes, and installing newer model homes to enhance overall property condition and curb appeal.
- ❑ **Single-Family Residence (SFR)** – The SFR is approximately 1,000 square feet, 2 bed / 1 bath with a fenced backyard and a large front yard, currently undergoing final improvements, including a new roof, and is being marketed for rent at \$1,550 plus utilities per month, expected to be leased prior to close.
- ❑ **Below-Market Rents** – Average space rent of \$617 per month, approximately 15% below market, providing rent growth potential.
- ❑ **Park-Owned Homes** – Four newer homes valued at \$85,000 per home: one 2025 3 bed / 2 bath, with warranty left and three 2024 2 bed / 1 bath units, currently leased between \$1,300 and \$1,520 per month.
- ❑ **Utilities** – Municipal water with brand-new individual Metron water meters at each homesite, private septic, direct-billed gas and electric.
- ❑ **24-Site Expansion Opportunity** – Adjacent 6.68-acre parcel HCD approved for additional 24 MH sites, valued at \$312,000. Civil improvement plans complete; Conditional Use Permit (CUP) process in place with Butte County; building permits under HUD review with response expected by end of March 2026. Comcast/Xfinity committed to covering the majority of costs for installation of internet, TV, and voice services for the expansion. Road for the expansion may go through site 19 which is vacant.

# Property Location

- ❑ **State Routes & Highway** – Access to State Route 70, primary east-west highway connecting to Sacramento Valley, Sierra foothills, and CA-99.
- ❑ **Downtown Oroville** – 4.3 miles (10 min) Cultural, dining and retail access.
- ❑ **Lake Oroville & State Recreation Area** – 10 miles (18 min) Major reservoir with boating, fishing, hiking, camping, and recreation amenities.
- ❑ **Chico, CA** – 27 miles (31 min) Major regional hub with shopping, healthcare, restaurants and employment centers.
- ❑ **Chico Municipal Airport (CIC)** – 32 miles (38 min) northwest offering regional service and general aviation access.
- ❑ **California State University, Chico** – 28 miles (33 min) Major four-year university and economic driver for Butte County.
- ❑ **Sacramento, CA** – 66 miles (1 hr 8 min) California State Capitol and major employment and government center.
- ❑ **Sacramento International Airport (SMF)** – 62 miles (1 hr 6 min) south via CA-70/CA-99, primary national and international airport serving the region.
- ❑ **Redding, CA** – 97 miles (1 hr 40 min) Northern California regional city located along Interstate 5.
- ❑ **Lake Tahoe, CA** – 123 miles (2 hr 30 min) Premier year-round resort destination with skiing, tourism, and high-end recreation market.
- ❑ **San Francisco, CA** – 150 miles (2 hr 30 min) Major global city and economic center with extensive employment opportunities, international finance, technology, tourism, higher education, and cultural institutions.

# Utilities & Amenities

- ❑ **Laundry Room with Office** – A centralized laundry facility is available for residents and is equipped with four washers and four dryers, all leased through WASH, providing a convenient amenity for tenants. There is also a small room previously used as an office.
- ❑ **Onsite Maintenance** – There is no full-time onsite manager; however, a maintenance contractor resides within the community and performs necessary work on a contracted basis, supporting day-to-day operational needs, and received rental credit.
- ❑ **Water** – The property is served by municipal water. The system was previously master metered and the owner has completed installation of brand-new individual Metron water meters at each homesite. The infrastructure is in place for a new owner to implement direct tenant water billing. Water is currently charged to tenants as part of a combined \$55 per month utility fee (water and trash).
- ❑ **Septic** – The community is served by a privately maintained septic system consisting of ~15 tanks at 1,000 – 2,500 gallons, operating on a gravity-fed system. The system is landlord-maintained, pumped as needed, and treated annually.
- ❑ **Electric** – Pacific Gas & Electric (PG&E) directly bills tenants for electricity service.
- ❑ **Gas** – Pacific Gas & Electric (PG&E) directly bills tenants for natural gas service.
- ❑ **Trash** – Recology provides trash service. Water and trash are currently billed to tenants as a combined flat fee of \$55 per month. Each homesite is provided one trash bin and one recycling bin, and the community also includes a centralized 4-yard dumpster.

# Financial Underwriting

[1] 2025 Historical "Rent: MH" reflects combined total rent income, including site, POH, and SFR rent.

[2] Current Budget reflects "Rent: MH" at 100% occupancy with 6 vacant MH sites at \$700/mo and "Rent: SFR" at \$1,550/mo.

[3] Pro Forma Yr 1 site rent reflects a 6% rent increase.

[4] Current Budget POH rent revenue reflects market site rent of \$700/mo. Lenders typically underwrite site rent and exclude home rent from income.

[5] Utility/Other Income reflects a recently implemented water and trash charge at \$55/mo. Water submeters have been installed and are available for utility bill-back.

[6] Trash expense reduced to actual billing of \$2,230 per month for garbage and recycling.

[7] Management fee normalized to 5.0% of EGI. Current owner is willing to continue management at ~6% EGI.

[8] Landscaping expense reduced by \$13,000 due to non-recurring capex.

[9] Repairs and Maintenance reduced to market levels of \$350 per site.

[10] Property tax rate reflects 1.0608% plus direct assessments totaling \$303.46 for all three parcels.

[11] Current Budget reserves reflect \$100 per site.

[12] Cap Rate based on MHP value, not including vacant land or POH value.

[13] Capex budget includes cul-de-sac paving, one-time tree maintenance, installation of a new SFR fence, and septic system maintenance.

[14] Additional value allocated for four 2024-2025 mobile homes at \$85,000 per home.

[15] Additional land value allocated for 24 permitted mobile home sites at \$13,000 per site.
