POLICIES TO KEEP IN MIND

- Potential Buyers **MUST** be accompanied by a real estate agent at **ALL** times. If arriving separately, real estate agents/clients are to park and wait for the other before approaching the gate.
- **NO** construction or remodeling may take place before the close of escrow. Work can only begin after the close of escrow, and only with the approval of the Board of Directors of your Association.
- **NO ONE** is allowed to move in prior to the close of escrow or before the Business Office has received written notification of closing from the Escrow Company.
- Non-resident owners do not receive gate cards, badges, or decals; only the individual(s) residing in the unit have those privileges and access to the Recreational Facilities, and only *after* they have moved in and become official resident(s) of Friendly Valley.
- It is *imperative* that the Business Office is notified of everyone who will be residing in the unit because additional paperwork, Orientations, and fees may apply. For example, if children are buying for their parent(s) and the parent(s) are not on title, the property is considered to be a **Non-Owner-Occupied Property**, which has its own procedure and fees, explained later in this document. See **RENTAL PROCEDURE**.

FRIENDLY VALLEY ESCROW PROCEDURE:

1. HOA Document Packages and Demands are prepared upon written notification from the Escrow Company that Escrow has opened. Sellers are required to pick up the HOA Document Package to release to the Buyer(s). The Document Package will not be released until the \$150.00 upfront fee has been paid. Make checks payable to *FVRA*.
2. The Document Package is provided to the Buyer(s) by the Seller. The Document Package contains the name and phone number of the Board Member that the Buyer must call to schedule an Orientation meeting. This should be done as soon as possible in order for the Buyer to become informed of the rules and regulations. We ask that Buyers review the Rules and Regulations, CC&Rs, By-Laws, policies and procedures, etc., **before their Orientation.**
3. Immediately after Orientation, all Buyers are required to sign the Country Club Agreement, which is held and notarized in the Business Office. **Please bring your ID with you on the day of your Orientation.** All names being recorded on the deed also need to be recorded on the Country Club Agreement. The Country Club Agreement will be sent to the Escrow Company to be recorded with the rest of the Escrow documents.
4. The office staff needs to be notified if children are buying for the parent(s) because additional orientations, paperwork, and fees are required.
5. The following fees are associated with purchasing a property in Friendly Valley. These fees are listed on the Escrow Demand and paid through Escrow, except fees with asterisks "***":

FRIENDLY VALLEY RENTAL PROCEDURE:

Each Association has a limit for the number of units that can be Non-Owner Occupied (Rental) properties. Because of this, there is often a Wait List. Rental Wait Lists are first-come, first-served. Please note that Request to Rent Unit Forms cannot be submitted until *after* the close of escrow. The Business Office will not hold a space open for Buyers that are still in Escrow. There is no guarantee that spaces will be available at the time escrow closes. Please review the Rental Procedure below:

1. Owner must submit a Request to Rent Unit Form
2. Once approved by the Association, the Owner is placed on the Wait List.
3. Once an Owner is at the top of the Wait List, and there is a space available for a new rental property, the Owner is notified of approval and is given a timeframe in which they must find a tenant. The timeframe is typically 3 months or 90 days, but it depends on each Association.
4. Once a tenant has been found, the tenant will need to pick up a Renter's Packet from the Friendly Valley Business Office. The tenant will be given the name and phone number of the Board Member to call to set up an Orientation Meeting.

5. After the Orientation, Renters will go back to the Business Office to turn in their paperwork. The following *non-refundable* Rental Fees will also be collected at that time (please bring 2 checks):
 - a. Renter Transfer Fee: varies by Association, check with the Business Office
 - b. CC&R's Fee: **\$25.00**
 - c. Gate Card Fee: **\$15.00** each
 - d. Badge: **\$15.00** each
 - e. Rental Transaction Fee: **\$100.00**
6. After the fees have been collected, the Business Office will issue a Gate Card and Badge to each Renter.
7. Renters will have to visit the Security Office to obtain a Friendly Valley Decal for their vehicle(s). You will need to bring your Registration, Proof of Insurance, and Driver's License in order to be issued a Decal.
8. Upon vacating the unit, Renters are required to return all items issued to them to the Business Office.
