Some spaces are governed by an ordinance, rule or regulation, or initiative measure that limits or restricts rents in mobilehome parks. Long-term leases specify rent increases during the term of the lease. By signing a rental agreement or lease for a term of more than one year, you may be removing your space from a local rent control ordinance during the term, or any extension, of the lease if a local rent control ordinance is in effect for the area in which the space is located.

A fully executed lease or rental agreement, or a statement signed by the park's management and by you stating that you and the management have agreed to the terms and conditions of a rental agreement, is required to complete the sale or escrow process
