AI HOME

“Built with Integrity. Designed for Lasting Quality”

Beyond Basic Paint

Integrated Premium Wall Systems
Crafted for Elevated Living

- **Eco-Friendly & Low Emission**

Made with environmentally responsible materials that are low in odor and safer for everyday living.

- **Moisture-Resistant**

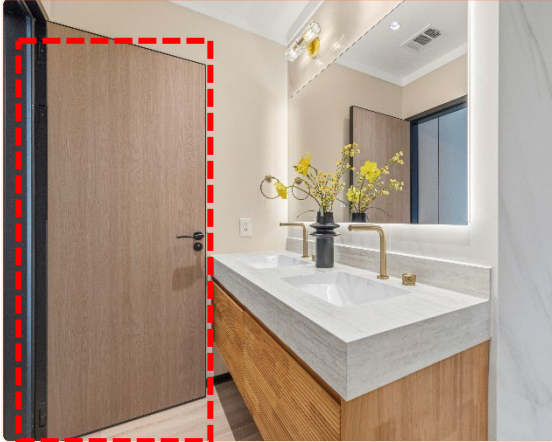

Engineered to resist moisture and humidity, helping prevent warping, mold, and long-term damage.

- **Fire-Resistant**

Designed with enhanced fire-resistant properties to provide added safety and peace of mind.

“Built with Integrity. Designed for Lasting Quality”

More Than a Door —
A Reflection of Refined Living

Aluminum-Core
Wood Door

Built for Stability. Designed to Last.

- Reinforced aluminum frame with honeycomb core
- Resistant to humidity and temperature changes
- No warping, cracking, or rusting
- Moisture- and termite-resistant
- Low-emission, safe materials
- Durable, long-lasting finish

AI HOME

“Built with Integrity. Designed for Lasting Quality”

Tailored Design
Created to Express
Individual Style
Aesthetic Harmony
and a Curated Lifestyle

- **ENF Multi-Layer Engineered Core**
Provides structural strength and long-term stability while minimizing warping and movement.
- **Natural Wood Veneer Finish**
Showcases authentic wood texture with a refined, timeless aesthetic.
- **Imported Softwood Substrate**
Enhances durability and dimensional stability for lasting performance.
- **Solid Wood Edge Detailing**
Reinforces edges for added strength, protection, and a seamless, high-end look
