

# Welcome to Your Private Elevator

## 4376 & 4378 Georgia St

---

*This custom residential elevator provides seamless access to all five levels of the home. Here's everything you need to enjoy it.*

### HOW TO USE THE ELEVATOR

- 1** Press the **call button** on your level. When it unlocks, open the exterior door and step in.
- 2** Close the **exterior door** behind you, then press your desired floor. The interior screen door closes automatically once a floor is selected.
- 3** Upon arrival, open the exterior door and enjoy your destination. **Please ensure the door closes fully behind you.**

---

### GOOD TO KNOW

- Rated for **1,000 lbs** & comfortably handles a group.
- If the elevator doesn't respond, check that all exterior doors on every level are fully closed. A door left ajar will pause the system. Simply press the call button at that level to release it and you're back in business.
