**Recommendations**

Area/Device	Recommendation	Severity	Status	Date
-------------	----------------	----------	--------	------

**Device Summary**

Type	With Activity	Without Activity	Unserviceable	Total Inspected
------	---------------	------------------	---------------	-----------------

**General Comments:**

Inspected all accessible termite stations around property replaced bait cores and damaged lids as needed. Service will now be annual.

"State Law Requires That You Be Given The Following Information: Caution-Pesticides are Toxic Chemicals" Structural Pest Control Companies are regulated by the Structural Pest Control Board, and apply pesticides which are registered and approved for use by the California Department of Pesticide Regulation and the United States Environmental Protection Agency. Registration is granted when the State finds that, based on existing scientific evidence, there is no appreciable risks if proper use conditions are followed or that the risks are outweighed by the benefits. The degree of risk depends on the degree of exposure, so exposure should be minimized. If within 24 hours following application you experience symptoms similar to common seasonal illness comparable to the flu, contact your physician or Poison Control Center at 800-876-4766 and your pest control company immediately. For further information, Contact any of the following: Western Exterminator Company (1-800-WEST-EXT or 1800-937-8398); for Health Questions - The county Health Department (number listed on CA1094); for Application information - the County Agricultural commissioner (number listed on CA1094); and for Regulatory Information - the Structural Pest Control Board (1-800-737-8188, 2005 Evergreen St, Ste 1500 Sacramento, CA 95815). For additional information on pest management products and IPM in schools, you may access the California Department of Pesticide Regulation at: [www.cadpr.gov](http://www.cadpr.gov).
