The sum of the Deposit and Initial Payment is called the "Upfront Payment." The Initial Payment and Monthly Lease Payment amounts may change if the final Solar System design differs from the preliminary Solar System design (as further discussed in Section E and F below).

- a. You agree to pay Vivint Solar the Deposit, Initial Payment and Monthly Lease Payments in the amounts and on the dates set forth above and in Exhibit A.
- b. The Deposit and Initial Payment are payable to Vivint Solar Developer, LLC by credit card, money order or a check drawn on a United States bank account.

3. Monthly Invoicing and Billing Cycle

- a. Billing Cycle and Due Dates. Your billing cycles run on a monthly basis. Subsequent billing cycles will begin on the same date each month (the "Billing Cycle Day"). Each month, Vivint Solar will prepare a written or electronic invoice specifying the payment due from you to Vivint Solar for the preceding billing cycle. You will receive this invoice within ten (10) days following the conclusion of the preceding billing cycle and your payment for the preceding billing cycle will be due the day before the next Billing Cycle Day.
Vivint Solar reserves the right to update its billing systems from time to time and will notify you if your payment due date changes accordingly. You may also elect to make payments to Vivint Solar before the Monthly Lease Payment due date.
- b. Payment Options. Monthly Lease Payments are payable to Vivint Solar Developer, LLC (i) by automatic withdrawal from your checking or savings account or (ii) by check drawn on a United States bank account or (iii) by money order.

- c. A Returned Check Fee of Twenty-Five Dollars (\$25.00) (or such lower amount as required by law) will be assessed to you for any check or withdrawal right that is returned or refused by your bank.

4. Auto-Pay Discount

- a. Monthly Lease Payments shown in Section B(1) and Exhibit A assume payment by Automated Clearing House (ACH) withdrawal from your checking or savings account (“Auto-Pay”) and include a \$7.50 Auto-Pay discount.
- b. If you do not elect Auto-Pay, you will not receive an Auto-Pay Discount and, as a result, your Monthly Lease Payments will be *\$7.50 higher per month* than those reflected in Section B(1) and Exhibit A.

5. Payment of Taxes

- a. The payments specified in Section B(1) above do not include taxes. If any taxes (including, but not limited to, sales and transaction taxes and including any associated interest and penalties) are assessed on these payments, the lease of solar photovoltaic equipment, the sale of electric energy, the Home, or the transaction itself, and are paid by Vivint Solar rather than you, you agree to pay or reimburse Vivint Solar for all such taxes, except to the extent that you are prohibited from doing so by applicable laws.
- b. In addition, you agree to reimburse Vivint Solar for any taxes, including any associated interests and penalties, assessed on the Solar System that Vivint Solar may incur.
- c. To the extent that Vivint Solar seeks reimbursement from you, you agree that Vivint Solar may seek a full reimbursement from you for the total amount incurred by Vivint Solar, impose a surcharge on your monthly invoice to recover the total amount incurred by Vivint Solar over a period to be determined by Vivint Solar, or, at its sole discretion, set up a separate payment plan with you to recover the total amount incurred by Vivint Solar.

6. Changes to Payment Amounts

- a. If a change pursuant to Section F increases the Upfront Payment after you have already paid it to Vivint Solar, you agree to immediately pay Vivint Solar the increase in the Upfront Payment. Vivint Solar may suspend installation until this payment is received.
- b. You may request a pricing plan change; however, such request must be submitted to Vivint Solar’s Customer Care Department 1800 W Ashton Blvd., Lehi, UT 84043, help@vivintsolar.com, 877-404-4129, before the earlier of (i) the date falling twenty-one (21) days after the date you signed the Agreement and (ii) the commencement of installation of the Solar System.

7. Prepayment of Monthly Lease Payments

- a. At any time, you may prepay all of the expected Monthly Lease Payments you will owe Vivint Solar during the remaining portion of the Initial Term (“Prepayment”). Vivint Solar’s obligations under this Agreement will not change if you make such a prepayment.
- b. The Prepayment shall equal the remaining Monthly Lease Payments for the current and remaining years of the Initial Term discounted by the lesser of (x) the prime rate plus 100 basis points (as published by the Wall Street Journal) and (y) 5.0% (the “Prepayment”).

8. **Late Payment.** If Vivint Solar does not receive your payment by the due date listed on the invoice, Vivint Solar may charge you an administrative late fee equal to the lesser of (i) one and a half (1.5%) percent per month on the portion of your balance that is more than thirty (30) days past due, and (ii) the maximum amount permitted under and subject to applicable law. This late fee is not an interest charge, finance charge, time price differential or other such charge or payment of a similar nature.

9. **Net Metering Service.**

- a. As of the In-Service Date, you must take service from the Standard Net Metering Service and its associated terms ("NEM Service") provided by your Utility. You agree that you will continue to take NEM Service for as long as this Agreement is in effect. You agree to take the NEM Service currently in effect for this Utility or, in the event that the NEM Service is no longer in effect, you agree to use a substitute metering program as chosen by Vivint Solar in its sole discretion.
- b. You agree to execute all documentation associated with the NEM Service, or any substitute metering service, and any refund, credit, or rebate program promptly at the request of Vivint Solar, its representatives or affiliates, and/or the Utility. If you do not return such documentation within seven (7) days following any such request, Vivint Solar may invoice you for an amount equal to the amount of rebates it otherwise would have received had you returned such documentation.
- c. The point where the Solar System connects to the Home's connection to your Utility is called "Interconnection." For the purposes of calculating performance guarantee payments, if any, under Section D, you agree that title to and risk of loss for the electric energy provided under this Agreement shall pass from Vivint Solar to you when the electric energy reaches Interconnection. You further agree that electrical energy generated by the Solar System is measured at the time when electrical energy reaches Interconnection.

10. **Supplemental Energy; Rebates & Credits**

- a. All electric energy produced by the Solar System will be available to you for use at the Home pursuant to this Agreement. If, at any time, you need more electric energy than is being produced by the Solar System ("Supplemental Energy"), you will be responsible for purchasing that Supplemental Energy from an electricity supplier, such as your Utility, and for paying any fees associated with such Supplemental Energy that the other supplier may charge.
- b. You agree that Vivint Solar alone will receive any credit, rebate, environmental attribute, or other payment or offset (the "Incentive") that may be attributable to the Solar System. All Incentives will be the sole property of and transferable by Vivint Solar. Notwithstanding the foregoing, you agree that the utility shall be entitled to all Renewable Energy Certificates and any other tradable energy or environmental-related commodity produced by or associated with the Solar System ("Incentives"), including but not limited to greenhouse gas credits, emissions credits, tradable carbon credits, and all other types of tradable project-related commodities however named that are presently known or designated or created in the future.

- c. Notwithstanding anything to the contrary contained herein and without limiting the other rights, if any, of Vivint Solar with respect to Incentives attributable to the Solar System, you agree that Vivint Solar will receive any federal tax credits that may be attributable to the Solar System, and that such federal tax credits will be the sole property of and transferable by Vivint Solar. Vivint Solar's expected federal tax credits associated with the Solar System have been factored into the calculation of your Monthly Lease Payment.
- d. If you purchase the Solar System from Vivint Solar, you will own and be entitled to proceeds from the sales of solar renewable energy credits earned after the date you purchase the Solar System from Vivint Solar.

C. Our Warranties

1. Warranties

- a. Workmanship Warranty. We warrant our Work and the Solar System for a period of 25 years after installation (the "Warranty Period"), except as provided below with respect to our roof penetration warranty. During the Warranty Period we will, at our expense, repair or replace any material or Work covered under this Agreement. Our "Workmanship Warranty" includes but is not limited to the following:

**WE INSURE AND
MAINTAIN THE
SYSTEM FOR
25 YEARS AFTER
INSTALLATION.**

- (i) Roof Penetration Warranty. We warrant that roof penetrations made by the Solar System and impacting the Home's roof will be weather-tight for a period of 10 years after installation.
 - (ii) Damage Warranty. We will either repair or reimburse you for damage we cause during installation to the Home, your belongings or your property, as limited by Sections C(2), E and G.
 - (iii) Vivint Solar will maintain and repair the Solar System for the Initial Term and any Renewal Terms.
- b. Equipment Warranty. Vivint Solar warrants all equipment for the duration of the Initial Term. If parts fail during the Initial Term, Vivint Solar will use commercially reasonable efforts to replace them with like equipment; however, you acknowledge that due to parts availability and other factors, this may not be possible. Vivint Solar agrees that any change in equipment will not reduce the Guaranteed Output set forth in Section D.
- c. End of Term Warranty. At the end of the Initial Term or at the end of a Renewal Term, should either you or Vivint Solar wish to end the Agreement, Vivint Solar will remove the Solar System at no cost to you and return the Home to a condition similar to its condition prior to installation of the Solar System, excepting ordinary wear and tear (including, but not limited to, wear and tear resulting from local weather conditions) and wear and tear that can be expected due to the presence of the Solar System on the Home for the 25 -year term (including, but not limited to, uneven wear and tear and uneven discoloration).

2. Warranty Exceptions and Exclusions

- a. The Roof Penetration Warranty shall be void and voidable if work is performed by you or your contractors on the roof during the 10 year warranty period.
- b. The Roof Penetration Warranty does not cover any (i) leaks that occur in areas of the Home's roof not impacted by the Solar System or the associated roof penetrations, (ii) pre-existing and/or underlying failures of the Home's roof or (iii) foreign objects acting on the Home's roof (e.g. hail, golf balls, etc.).
- c. The Workmanship Warranty does not apply to the following:
 - (i) Work performed or materials used by anyone other than us or our Installation Partners;
 - (ii) Any materials that were modified, repaired or attempted to be repaired by anyone other than Vivint Solar or its Installation Partners without Vivint Solar's prior written approval;
 - (iii) Any damages resulting from your breach of the Agreement;
 - (iv) Any damage not caused by us, our Installation Partners or a Solar System defect;
 - (v) Damage resulting from ordinary wear and tear;
 - (vi) Damage resulting from mold, fungus and other organic pathogens;
 - (vii) Shrinking/cracking of grout and caulking;
 - (viii) Fading of paints and finishes exposed to sunlight; and
 - (ix) Damage caused by ball strikes

You acknowledge that installation of the Solar System may void any roofing warranty of the roof manufacturer or roof installer. We assume no responsibility if our Work voids your roofing warranty. Before installation, you should check with the roofer or builder concerning any impact the Solar System will have on a roof warranty.

Your initials indicate that you have read, understood and accepted the provisions set forth in this section C(2).

Agreed and accepted by:  (Initials)

- 3. **Contacting Vivint Solar to Fix the Solar System.** Vivint Solar will monitor the Solar System to proactively address any problems that may arise. Nevertheless, if you think there is an issue with the Solar System that is covered by any of the warranties specified above, please contact Vivint Solar at 877-404-4129 or by email at help@vivintsolar.com. Vivint Solar will use commercially reasonable efforts to fix any issue covered by a warranty as soon as possible after it becomes aware of such issue.

D. Performance Guarantee

1. Production Estimate

- a. Vivint Solar estimates that the Solar System will be capable of generating **7468.043** kilowatt-hours of electric energy during its first year of operation. Actual production may vary due to natural variation in weather patterns, the physical specifications of the Home's roof(s), the required placement of the Solar System on your roof, and other conditions. Your Monthly Lease Payment is not tied to the actual output of the Solar System.
- b. Due to expected panel degradation, Vivint Solar estimates that the Solar System will be capable of generating **158325.16** kilowatt-hours ("kWh") during the Initial Term (the "Estimated Output").

2. **Guaranteed Output.** Subject to the conditions set forth in this Section D, Vivint Solar guarantees that the Solar System will generate 90% of the Estimated Output during the Initial Term of this Agreement as set forth in Exhibit A (the "Guaranteed Output"). Subject to the conditions set forth in this Section D, Vivint Solar will issue you a refund if the Solar System does not generate the Guaranteed Output.

Vivint Solar will not issue you a refund for any Solar System underproduction resulting from any system failure or lost production caused by reasons other than (a) a Solar System defect, (b) shading due to the weather or (c) shading conditions that were present at the Home at the commencement of installation. For the avoidance of doubt, Vivint Solar will not issue you a refund for underproduction arising from any of the following:

- Underproduction arising from your failure to comply with your obligations under the Agreement.
- Underproduction arising from shading conditions (other than weather) different from those that were present at the Home at the commencement of installation.
- Underproduction as a result of a grid failure disabling the Solar System.
- Underproduction arising from you causing or requesting the Solar System to be shut down or to generate significantly less electric energy.
- Underproduction arising from damage to the Solar System caused by foreign objects acting on the Solar System (e.g. hail, golf balls, etc.)

Vivint Solar makes no other representation, warranty or guarantee of any kind regarding the Solar System's actual or expected output or performance and any other express or implied warranties are hereby disclaimed.

Your initials indicate that you have read, understood and accepted the provisions set forth in this Section D(2).

Agreed and accepted by:  (Initials)

3. **Overproduction.** If, over the course of the Initial Term, the Solar System produces more energy than the predicted Guaranteed Output, then the extra energy will be yours at no additional cost. Vivint Solar may use this overproduction amount to offset future underproduction in a given period should the Actual Output attributable to such period be less than the Guaranteed Output attributable to such period.
4. **Actual Output and Refunds.** On the 24 month anniversary of the In-Service Date and on every 24 month anniversary thereafter (each, a "Guarantee Date"), Vivint Solar will calculate the "Actual Output" of the Solar System. For the purposes of this Agreement, "Actual Output" shall mean the amount of electric energy generated by the Solar System to date plus any kWh for which you have previously received a refund. Subject to Section D(2), if the Actual Output is less than the Guaranteed Output for that Guarantee Date set forth on Exhibit A, Vivint Solar will issue you a refund. This refund will be calculated by subtracting the Actual Output for that Guarantee Date from the Guaranteed Output for that Guarantee Date, and multiplying the result by the refund per kWh amount as set forth for that Guarantee Date on Exhibit A. For the last year of the Initial Term (year 25), the guarantee period will be 12 months.

For example, if in year 10 the system was expected to have generated 62,000kWh cumulatively and actual generation was 61,500, and your refund rate is \$0.13, we will credit your account based on the 500kWh the system fell short multiplied by your refund rate, i.e. $500\text{kWh} \times \$0.13 = \65 .

E. Design and Installation

1. Description of the Project and Description of the Significant Materials to be Used and Equipment to be Installed

- a. Our work on the Solar System includes:
 - (i) design, permitting and supply of the equipment and material typically necessary for a complete and operable Solar System;
 - (ii) installation of the Solar System;
 - (iii) acquisition of approval from your Utility; and
 - (iv) assistance with any applicable rebate program paperwork set forth in Section B(10) (collectively, the "Work").

- b. The primary equipment used for the Solar System will typically include a series of interconnected photovoltaic panels, one or more inverters, racking materials, and a production meter. Other materials generally used as the "balance of system" are disconnects, breakers, load centers, wires, and conduit.

1. Solar System Production and Energy Consumption Monitoring; Data.

- a. Installation and Maintenance of Metering and Monitoring Equipment.
 - (i) Production Monitor. During installation or at any time thereafter during the Term, we may install or replace production monitoring devices to measure the energy produced by the Solar System (the "Production Monitor"). Through the Production Monitor, we will collect Solar System production and performance data ("Performance Data").

 - (ii) Energy Consumption Monitor. During installation or at any time thereafter during the Term, we may install or replace energy consumption monitoring devices (the "Consumption Monitor"). Through the Consumption Monitor, we may collect and store information about energy usage at the Home ("Usage Data").

 - (iii) Access to Monitors. You acknowledge and agree that the Production Monitor and the Consumption Monitor will be part of the Solar System, and that you must provide Vivint Solar with reasonable access to the Home in order to install, operate, maintain, repair and replace the Production Monitor and the Consumption Monitor

(iv) Internet Connection. In order to ensure the proper functioning of the Production Monitor and the Consumption Monitor, if possible, you must provide the Solar System with continuous access to a functioning broadband internet connection with one (1) wired Ethernet port and standard electrical outlet, at your cost. If you are unable to provide the Solar System with an internet connection in accordance with the foregoing sentence, the Home must be located in an area with cellular service that is acceptable to us in our discretion.

(v) Monitor Damage or Inaccuracy. Vivint Solar uses the Production Monitor to monitor and record your electricity production, and promptly respond to any production issues. To the extent the Production Monitor has any inaccuracies during any given period as a result of your actions or the actions of any other person unrelated to Vivint Solar (including, without limitation, any failure to maintain internet connection or cellular service as provided in clause (iv) above), Vivint Solar will deem that the Solar System has produced 100% of Estimated Output during such period for purposes of the Production Guarantee set forth in Section D. You will be responsible for any damage to the Production Monitor or Consumption Monitor that is caused by you or any other person unrelated to Vivint Solar. If the Production Monitor breaks or malfunctions other than as a result of your actions or the actions of any other person unrelated to Vivint Solar, Vivint Solar will, in good faith, estimate the amount of electric energy actually produced during the malfunction in order to determine whether you are owed a payment under the Production Guarantee set forth in Section D.

- b. Data Usage and Disclosure. We may combine the Usage Data and Performance Data with each other and with other data, including, without limitation, personally identifiable information (collectively, "Data "). Our possible uses and disclosure of the Data are described in Exhibit E. We will never sell any personally identifiable Data to a third party without your prior written consent.
- c. Communications Equipment. During installation or at any time thereafter during the Term, we may install or replace communication equipment (for example, an antenna) (the "Communication Equipment") at the Home. The Communication Equipment may or may not be used in connection with the Solar System. We may use the Communication Equipment to improve the quality of cellular and/or internet connectivity in your area. We may also sell the right to use the Communications Equipment in the manner described above to a third party. You understand that consenting to the foregoing is not a condition of purchase or a condition to the entry of this Agreement.

Do you consent to the installation and use of the Communication Equipment as set forth above?

2. Design

- a. Vivint Solar or its Installation Partners will provide you with a preliminary Solar System design then will schedule a time to visit your Home to confirm that the preliminary design will fit on your Home's roof and

finalize the design (the “Site Survey”). The design of the Solar System is dependent on the physical specifications of the Home’s roof(s), site conditions such as placement of ventilation systems, roof conditions, etc., any of which may affect the placement of the Solar System on your roof. The Home’s Solar System design will be finalized following a Site Survey of the Home by Vivint Solar.

- b. The final design of the Solar System will be presented to you prior to installation. You will have five (5) business days after receipt of the design to request a design change. Otherwise, you will be deemed to have approved the Solar System design. Vivint Solar will use commercially reasonable efforts to accommodate requests for changes. With your written, deemed, or verbal approval, installation may begin.
- c. If, during or after the Site Survey, we discover any concealed or hidden conditions or issues with the Home that may delay or prevent completion of the Solar System once we start installation, we will explain the issue to you, determine if additional costs are required to correct the problem and, if so, propose a change order. It may be necessary that you undertake site preparation prior to installation.

3. Installation

- a. Installation will be performed by a licensed, bonded affiliate of Vivint Solar or by another licensed, bonded contractor (an “Installation Partner”) that meets Vivint Solar’s quality standards. Vivint Solar requires its Installation Partners to employ licensed personnel as required by applicable state law, regulations or codes, and to carry insurance as set forth in Section G(6) below.
- b. Vivint Solar or its Installation Partners will obtain any permits needed for installation of the Solar System. You agree to cooperate with Vivint Solar and assist Vivint Solar in obtaining any permits needed, including the NEM Service documentation referenced in Section B(9).
- c. If Vivint Solar or its Installation Partner damages the Home during installation, we will repair the damage we caused at no cost to you.
- d. Vivint Solar, its Installation Partners and agents shall keep the Home reasonably free from waste materials or rubbish caused by their operations. Prior to the In-Service Date, Vivint Solar and its agents shall remove all tools, construction/installation equipment, machinery, waste materials and rubbish from and around the Home.
- e. Vivint Solar reserves the right, at Vivint Solar’s sole discretion, to install a critter guard with the Solar System. Guards can help protect the Solar System from pests or rodents that can damage components of the Solar System.

4. Access to the Home

- a. You agree to grant Vivint Solar and its Installation Partners reasonable access to the Home for the purpose of, as applicable, designing, installing, operating and testing the Solar System and performing Vivint Solar’s obligations under this Agreement. Vivint Solar agrees to give you reasonable notice when Vivint Solar needs to access the Home for any of the foregoing purposes and will endeavor to restrict such access to normal business hours.
- b. When requested by Vivint Solar or when necessary, you agree to allow Vivint Solar and construction professionals (an engineer, architect, or licensed contractor or their representative) hired by Vivint Solar

to access the Home to inspect any buildings, including roofs, prior to installation of the Solar System to ensure that the Home can accommodate the Solar System.

- c. You must provide us with power and water for use during installation.
- d. You agree to make reasonable efforts to provide a safe and secure work environment for Vivint Solar and its Installation Partners at the Home throughout Solar System installation, the Initial Term and any Renewal Terms

5. Miscellaneous.

- a. Vivint Solar has the authority and sole discretion to use Installation Partners or agents to perform or assist Vivint Solar in performing Vivint Solar's obligations.
- b. If Work excluded from this Agreement in Section E(7) must be performed in order to properly effect the installation of the Solar System, you agree to contract separately, and at your own expense, with a contractor who has been designated by or approved by Vivint Solar to perform such obligation. In this instance, Vivint Solar will not unreasonably withhold such approval.
- c. If you plan to move or temporarily disconnect the Solar System to allow for maintenance of and/or repair to the Home, you agree, at your expense, either (i) to hire Vivint Solar to perform this work or (ii) to obtain Vivint Solar's approval of your contractor, who you agree must carry commercial general liability policy in an amount not less than one million (\$1,000,000) dollars per occurrence and name "Vivint Solar Developer, LLC and its successor or assigns", as additional insureds.
- d. You agree that you will not make any modifications, improvements, revisions or additions to the Solar System or take any other actions that could damage or void any applicable warranty set forth in Section C without Vivint Solar's prior written consent. If you make any modifications, improvements, revisions or additions to the Solar System, they will become part of the Solar System and shall be Vivint Solar's sole property.
- e. If applicable programs exist in your utility service area, you agree to allow Vivint Solar, from time to time, to remotely administer and operate the Solar System in connection with demand response or other programs to optimize your electricity costs or to maintain the reliability of the electrical grid.

6. Exclusions. We do not do or provide any of the following under this Agreement:

- a. removal or disposal of any material containing asbestos or any other hazardous material;
- b. movement of your personal items around the Home;
- c. upgrades to the electrical panel or electrical service or additional costs associated with moving the current electrical meter;

- o. removal of trees;
- p. any studies or permitting beyond the basic building permit; or
- q. monitoring services associated with any monitoring equipment that is provided directly by a manufacturer and subject to the manufacturer’s terms and conditions.

F. Change Orders

If Vivint Solar requests a modification to the terms of the Agreement, Vivint Solar will notify you in writing of the requested change and will ask you to accept the modified terms by executing a change order. Failure to respond to a change order request within five (5) business days may lead to a cancellation of the Agreement pursuant to Section H.

For example, if upon completing the Site Survey it is determined that the contracted system size will not fit, and we have to reduce the system size by a panel or two we would create a change order which reflects a lower monthly payment due to less production.

G. Additional Information

1. Agreement Term

- a. Initial Term. The Initial Term of the Agreement begins on the In-Service Date and continues in effect for 25 years following the In-Service Date, unless canceled or terminated earlier in accordance with the terms of this Agreement. Within a reasonable period of time following its occurrence, Vivint Solar will notify you of the In-Service Date.
- b. Renewal Term. Subject to clause (ii) below, at the end of the Initial Term, the Agreement will be automatically renewed for an additional one-year term (“Renewal Term,” collectively with the Initial Term, “Term”). Vivint Solar will provide you with your new rate for electric energy at the beginning of the Renewal Term and each successive Renewal Term, if any. The new price per kWh shall be equal to ten percent (10%) less than the “average cost of electric energy” as established by your Utility or its successor. “Average cost of electric energy” shall be the price you would otherwise pay for electric energy to your Utility, or its successor for the 12 months preceding the start of each Renewal Term. Unless otherwise terminated under the terms of this agreement, the Agreement will continue to automatically renew for additional one-year terms at the end of each Renewal Term.
 - (i) Vivint Solar will make a good faith effort to notify you between thirty (30) and sixty (60) days before the end of the Initial Term of (i) your end of term options and (ii) the estimated rate for electric energy in the first Renewal Term (if applicable).
 - (ii) The Agreement will not automatically renew if either Party gives the other Party written notice of termination (x) at least thirty (30) days prior to the expiration of the Initial Term or the applicable Renewal Term, or (y) within fifteen (15) days after Vivint Solar provides you with the written estimated rate for electric energy in the upcoming Renewal Term, whichever is later.

 - (iii) The foregoing notwithstanding, any contractor, subcontractor or materialman who provides goods or services pursuant to this Agreement and who is not paid may have a valid legal claim against the Home known as a mechanic's lien. Vivint Solar shall satisfy and cause the removal of any such lien within 30 days following the date Vivint Solar receives notice of the recording of such lien.
- d. The Solar System will be used primarily for household purposes and will not be used to heat a swimming pool.

- f. You agree: to keep trees, bushes and hedges trimmed so that the Solar System retains shading and conditions present at the time of installation to not modify the Home in a way that shades the Solar System; to not permit or allow to exist any condition or circumstance that would cause the Solar System not to operate as intended at the Home; and to promptly notify Vivint Solar if you think the Solar System is damaged or appears unsafe or if the Solar System is stolen.
- g. You will refrain from attempting to clean, fix, or modify the Solar System, unless expressly permitted to do so by Vivint Solar. - h. You agree that Vivint Solar may (i) call you and (ii) send pre-recorded and text messages to you at the phone number you provided regarding the installation, maintenance, and administration of your Solar System using automated telephone technology even if your phone number is listed on any national or state "Do Not Call" list. Vivint Solar will determine the FMV of the Solar System by hiring an independent appraiser to estimate the value of a comparable in-service photovoltaic solar system in your state and Utility service area. This valuation will take into account the Solar System's age, location, size and other market characteristics such as equipment type, service costs, the value of electricity in your area, and any applicable Incentives. In addition, if the Solar System is purchased prior to the fifth (5th) anniversary of the In-Service Date, the FMV will include the recapture of any federal tax credits.

11. Dispute Resolution; Arbitration; Class Action Waiver

This Section sets forth the procedure for resolving disputes related to this Agreement (the "Dispute"). Unless otherwise agreed in writing, the Parties agree to continue to perform each Party's respective obligations under this Agreement during the course of the resolution of the Dispute.

- a. INFORMAL DISPUTE RESOLUTION. The Parties agree to first try to resolve informally and in good faith any Dispute. Accordingly, you agree to send a written notice of the Dispute to the address listed in Section G(12) of the Agreement. Vivint Solar will send a written notice of Dispute to the Home's address. If the Parties do not reach an informal agreement to resolve the Dispute within forty-five (45) days after

the notice of Dispute is received, you or Vivint Solar may commence a formal proceeding as detailed below. All applicable statutes of limitation and defenses based upon the passage of time shall be tolled for the 45 days during which the parties try to informally resolve any Dispute. If you claim deficiencies in the Solar System's installation or performance, you must allow us to visually inspect the Solar System and obtain or download pertinent performance data from the Solar System.

- b. ARBITRATION. IF THE PARTIES CANNOT RESOLVE THE DISPUTE INFORMALLY, THE DISPUTE, INCLUDING THE DETERMINATION OF THE SCOPE OR APPLICABILITY OF THIS AGREEMENT TO ARBITRATE, WILL BE RESOLVED BY BINDING ARBITRATION BEFORE ONE ARBITRATOR.

ARBITRATION MEANS YOU WAIVE YOUR RIGHT TO A JURY TRIAL AND ALL DISPUTES SHALL BE DECIDED BY AN ARBITRATOR. THIS AGREEMENT TO ARBITRATE DISPUTES IS GOVERNED BY THE FEDERAL ARBITRATION ACT ("FAA"). THE ARBITRATION SHALL BE ADMINISTERED BY AAA PURSUANT TO ITS STREAMLINED ARBITRATION RULES & PROCEDURES. THE ARBITRATION WILL BE OVERSEEN BY THE AAA OFFICE NEAREST TO THE HOME. JUDGMENT ON THE AWARD MAY BE ENTERED IN ANY COURT HAVING JURISDICTION. THIS CLAUSE SHALL NOT PRECLUDE PARTIES FROM SEEKING PROVISIONAL REMEDIES IN AID OF ARBITRATION FROM A COURT OF APPROPRIATE JURISDICTION. THE ARBITRATOR MAY, IN THE AWARD, ALLOCATE ALL OR PART OF THE COSTS OF THE ARBITRATION, INCLUDING THE FEES OF THE ARBITRATOR AND THE REASONABLE ATTORNEY FEES OF THE PREVAILING PARTY.

- c. Unless prohibited by applicable law and unless you opt out, you and we agree that if any Dispute (as defined below) arises from or relates to this Agreement or the breach thereof, the Parties shall engage in alternative dispute resolution. The Parties shall first attempt to settle the Dispute by participating in good faith in mediation (as defined below) administered by the American Arbitration Association ("AAA") with a mediator selected from the AAA National Roster of Mediators. If within sixty (60) days after service of a written demand for mediation, the mediation does not result in settlement of the Dispute, then any unresolved Dispute arising from or relating to this Agreement or breach thereof shall be resolved by binding arbitration (as defined below). Such arbitration shall be administered by the AAA before a sole arbitrator in accordance with AAA's Consumer Arbitration Rules. Judgment on the award rendered by the sole arbitrator may be entered in any court having jurisdiction thereof. You also agree to bring claims against us only in your individual capacity and YOU ARE WAIVING THE RIGHT TO INITIATE OR PARTICIPATE IN A CLASS ACTION OR SIMILAR PROCEEDING.

- (i) What is mediation? Mediation is an informal negotiation assisted by a neutral third party (the mediator). Pursuant to the Parties' Agreement, mediation is a precondition to any arbitration.
- (ii) What is arbitration? An alternative to a court case. In arbitration, a third-party arbitrator ("TPA") resolves "Disputes" in a hearing. It is less formal than a court case.
- (iii) Is arbitration different from court and jury trials? Yes. The hearing is private. There is no jury. It is usually less formal, faster, and less expensive than a lawsuit. Pre-hearing fact finding (called "discovery") is limited. Appeals are limited. The arbitrator's findings are binding, and courts rarely overturn arbitration awards.

- (iv) Who does this cover? You, us, and certain Related Parties (defined above). Either you or we may, after the required mediation and without the other's consent, elect to resolve disputes by mandatory, binding arbitration.
- (v) What does this cover? All Disputes (except certain Disputes about this clause). This governs all disputes that would usually be decided in court and are between us (or any Related Party) and you, including without limitation all claims related to or arising out of this Agreement, the System or our relationship with you ("Disputes"). Disputes include claims related to amendments, Lease Disclosures, Change Orders, collections, privacy and Customer Information, claims related to the validity of this Agreement, AND THE ARBITRABILITY OF ANY DISPUTE(S). In short, Disputes has the broadest reasonable meaning.
- (vi) Who handles the mediation and arbitration? American Arbitration Association ("AAA"). The arbitration company will be the AAA, 1.800.778.7879, www.adr.org.
- (vii) What are the rules of the arbitration? Those in this clause along with the AAA Rules. Arbitrations are conducted under this Clause and the applicable AAA Active Rules and Procedures in effect at the time the arbitration is commenced. This Agreement is also subject to the AAA Consumer Arbitration Rules pursuant to the Consumer Due Process Protocol, which set forth certain protections to you (including a maximum filing fee). Any other arbitration rules that conflict with this Clause do not apply.
- (viii) Where will the arbitration hearing be held? In your hometown area. If the Parties do not agree to the locale where the hearing is to be held, the AAA will determine the location of the hearing. You can find more information in the AAA Policy on Consumer Arbitrations, which is available here - https://www.adr.org/sites/default/files/Consumer_Rules_Web_0.pdf.
- (ix) Are you giving up any rights? Yes. For Disputes subject to this clause, you give up your right to:
- have juries decide Disputes;
 - have courts decide Disputes;
 - serve as a private attorney general or in a representative capacity;
 - join a Dispute you have with a dispute by other consumers;
 - bring or be a class member in a class action or class arbitration; and
 - have a jury trial.
- (x) Can you or another consumer start class arbitration? No. AAA is not allowed to handle any Dispute between the Parties on a class or representative basis. All Disputes subject to this clause must be decided in an INDIVIDUAL arbitration. This clause will be void if a court rules that the TPA can decide a Dispute on a class basis and the court's ruling is not reversed on appeal.
- (xi) What law applies? The Federal Arbitration Act ("FAA"). This Agreement involves interstate commerce. THUS, the FAA governs this clause. The TPA must apply substantive law consistent with the FAA. The TPA must honor statutes of limitation and privilege rights. Punitive damages are governed by the constitutional standards that apply in judicial proceedings.

(xii) Will anything you do make this clause ineffective? No. This clause stays in force even if you: (1) cancel this Agreement; (2) default, renew, prepay, or pay the Agreement in full; or (3) go into or through bankruptcy.

(xiii) Will this clause survive termination of this Agreement? Yes. This clause will remain in effect for Disputes that commence even after the Agreement has terminated.

Your initials indicate that you have read, understood and accepted the provisions set forth in this Section G(11).

17. This Agreement is binding upon, and inures to the benefit of, the Parties and their respective heirs, executors, administrators, legal representatives, successors and assigns.

If any provision is declared to be invalid, that provision will be deleted or modified, and the rest of the Agreement will remain enforceable. Exhibit A Monthly Lease Payment Schedule and Prepayment Pricing

When you sign the Agreement, you will pay Vivint Solar a Deposit of \$0. At the start of installation of the Solar System, you will pay Vivint Solar an Initial Payment of \$0 (includes sales tax).

Each Monthly Lease Payment shown below is for the previous year. Each of your first 12 Monthly Lease Payments will be in the amount of \$ 112.02. The Monthly Lease Payments shall increase by 2.9 % annually during the Initial Term of the Agreement (the "Annual Increase"), effective as of the Monthly Lease Payment that covers any calendar month that includes an anniversary of the In-Service Date (and such increase would not apply to any part of a Monthly Lease Payment that covers the days in a calendar month leading up to an anniversary of the In-Service Date).

The Monthly Lease Payments shown below include any estimated applicable taxes and include a \$7.50 discount for paying through Automated Clearing House (ACH) withdrawal. If you do not elect automatic payment through ACH withdrawal from your checking or savings account, you will not receive this discount and each monthly payment will be \$7.50 greater. For simplicity, the table below is based on the assumption that the In-Service Date will occur on the first day of the month.

As specified below, Vivint Solar will issue you a refund if Actual Output is less than Guaranteed Output to date. Please see Section D of the Agreement for additional information, including certain limitations.

^At any time, you may prepay the balance of your estimated obligations under this Agreement. Please see Section B for additional information.

After the Initial Term, if this Agreement is renewed in accordance with Section G(1), Vivint Solar shall, on each anniversary of the In-Service Date, establish a new price per kWh that is equal to ten percent (10%) less than the "average cost of electric energy" as established by your Utility or its successor. "Average cost of electric energy" shall be the price you would otherwise pay for electric energy to your Utility or its successor for the 12 months preceding the start of each Renewal Term.

**EXHIBIT B
LEGAL NOTICES**

LEGAL NOTICE FOR CALIFORNIA HOME IMPROVEMENT CONTRACTS

MECHANICS LIEN WARNING

(Calif. Business & Professions Code §7159(e)(4))

MECHANICS LIEN WARNING: Anyone who helps improve your property, but who is not paid, may record what is called a mechanics' lien on your property. A mechanics' lien is a claim, like a mortgage or home equity loan, made against your property and recorded with the county recorder. Even if you pay your contractor in full, unpaid subcontractors, suppliers, and laborers who helped to improve your property may record mechanics' liens and sue you in court to foreclose the lien. If a court finds the lien is valid, you could be forced to pay twice or have a court officer sell your home to pay the lien. Liens can also affect your credit. To preserve their right to record a lien, each subcontractor and material supplier must provide you with a document called a "20 day Preliminary Notice." This notice is not a lien. The purpose of the notice is to let you know that the person who sends you the notice has the right to record a lien on your property if he or she is not paid.

BE CAREFUL. The Preliminary Notice can be sent up to 20 days after the subcontractor starts work or the supplier provides material. This can be a big problem if you pay your contractor before you have received the Preliminary Notices. You will not get Preliminary Notices from your prime contractor or from laborers who work on your project. The law assumes that you already know they are improving your property.

PROTECT YOURSELF FROM LIENS. You can protect yourself from liens by getting a list from your contractor of all the subcontractors and material suppliers that work on your project. Find out from your contractor when these subcontractors started work and when these suppliers delivered goods or materials. Then wait 20 days, paying attention to the Preliminary Notices you receive.

PAY WITH JOINT CHECKS. One way to protect yourself is to pay with a joint check. When your contractor tells you it is time to pay for the work of a subcontractor or supplier who has provided you with a Preliminary Notice, write a joint check payable to both the contractor and the subcontractor or material supplier. For other ways to prevent liens, visit CSLB's Internet Web site at www.cslb.ca.gov or call CSLB at 800-321-CSLB (2752).

REMEMBER, IF YOU DO NOTHING, YOU RISK HAVING A LIEN PLACED ON YOUR HOME. This can mean that you may pay twice, or face the forced sale of your home to pay what you owe.

By signing below, you acknowledge receipt of the foregoing legal notice.

4. Note About Extra Work and Change Orders. Extra Work and Change Orders become part of the contract once the order is prepared in writing and signed by the parties prior to the commencement of work covered by the new change order. The order must describe the scope of the extra work or change, the cost to be added or subtracted from the contract, and the effect the order will have on the schedule of progress payments. We are not required to perform additional work or changes without written approval in a "Change Order" before any of the new work is started. Extra work or a Change Order is not enforceable against you as the buyer unless the Change Order also identifies all of the following in writing prior to commencement of any work covered by such Change Order: (i) the scope of work encompassed by such Change Order; (ii) the amount to be added or subtracted from the Agreement; and (iii) the effect the order will make in the progress payments or the completion date. Our failure to comply with the requirements of this paragraph does not preclude the recovery

ELECTRONIC RECORD AND SIGNATURE DISCLOSURE

From time to time, Vivint Solar (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through your DocuSign, Inc. (DocuSign) Express user account. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to these terms and conditions, please confirm your agreement by clicking the 'I agree' button at the bottom of this document.

Getting paper copies

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. For such copies, as long as you are an authorized user of the DocuSign system you will have the ability to download and print any documents we send to you through your DocuSign user account for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a \$0.00 per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

Withdrawing your consent

If you decide to receive notices and disclosures from us electronically, you may at any time change your mind and tell us that thereafter you want to receive required notices and disclosures only in paper format. How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

Consequences of changing your mind

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. To indicate to us that you are changing your mind, you must withdraw your consent using the DocuSign 'Withdraw Consent' form on the signing page of your DocuSign account. This will indicate to us that you have withdrawn your consent to receive required notices and disclosures electronically from us and you will no longer be able to use your DocuSign Express user account to receive required notices and consents electronically from us or to sign electronically documents from us.

All notices and disclosures will be sent to you electronically

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through your DocuSign user account all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.
