INVESTMENT HIGHLIGHTS

§

The Neema Group of Marcus & Millichap is pleased to present 4747 Orion Avenue, a 4-unit multifamily investment opportunity situated in the heart of Sherman Oaks, just moments from Ventura Boulevard and the 101/405 interchange - one of the San Fernando Valley's most desirable and supply-constrained rental submarkets.

§

The property features three one-bedroom/one-bath units and one two-bedroom/two-bath unit across approximately 2,964 gross square feet, sitting on a spacious 8,755 SF lot. One unit will be delivered vacant at the close of escrow, providing an incoming investor with immediate market rate income for that unit from day one.

§

At the asking price of \$1,500,000, the property is offered at \$375,000 per unit and \$506 per square foot at a market cap rate of 4.27% and market GIM of 13.30 - representing approximately 27% revenue upside as below-market leases roll to current levels.

§

R3-1 zoning on an 8,755 SF lot unlocks meaningful development optionality. Base density supports up to 10 units by right at 1 unit per 800 SF of lot area, with additional density achievable through Density Bonus, SB 9, and state housing provisions - all of which have seen active uptake throughout Sherman Oaks. Buyer to verify.

§

The surrounding submarket has attracted significant institutional capital, with IMT Residential's 249-unit Citrus Commons and 325-unit Via Avanti either recently delivered or nearing completion within close proximity, validating deep and sustained investor conviction in the Sherman Oaks multifamily market.

§

Metro's East San Fernando Valley Light Rail is currently under construction along Van Nuys Boulevard, with 11 stations planned between the G Line and Pacoima. Additionally, the Sepulveda Transit Corridor - a proposed high-capacity rail connection linking the Valley to the Westside - is advancing through environmental review, with a corridor alignment running through Sherman Oaks.

ZONING & DEVELOPMENT

4747 Orion Avenue is zoned R3-1 (Multiple Dwelling Zone, Height District 1) under the City of Los Angeles Municipal Code, one of the most permissive multifamily designations available in the San Fernando Valley. The R3 zone permits apartments, condominiums, ADUs, and small lot subdivisions by right, with a base density standard of one unit per 800 SF of lot area and a maximum FAR of 3.0:1 at a height limit of 45 feet.

The subject lot spans approximately 8,755 SF, supporting up to 10 units by right under base zoning - more than double the existing four-unit improvement. A developer pursuing the State Density Bonus can increase that figure further, with additional incentives available for income-restricted units. ADU provisions offer a separate, lower-barrier path to immediate densification without full redevelopment.

At the \$1,500,000 asking price, the land basis equates to approximately \$171/SF - a competitive entry point relative to recent R3 land trades in the immediate submarket. For a developer underwriting ground-up construction, the land cost per buildable unit at maximum density represents a compelling basis given current rent levels and Sherman Oaks' sustained renter demand.

For a near-term hold buyer, the existing four-unit asset offers stable income while optionality accrues - with the knowledge that current rents are running below market and the underlying land carries meaningful development upside.

4747 ORION AVE
SHERMAN OAKS, CA 91403

SHERMAN OAKS

4747 Orion Avenue is situated within one of Sherman Oaks' most established and desirable residential neighborhoods, characterized by tree-lined streets, well-maintained homes, and strong long-term ownership patterns. The property benefits from a central location within the community, offering convenient access to a broad range of neighborhood amenities while maintaining the privacy and character of a predominantly residential environment.

Located just south of Ventura Boulevard, Sherman Oaks' primary commercial corridor, the property is within close proximity to an extensive mix of retail, dining, entertainment, and service-oriented uses that serve both local residents and visitors throughout the San Fernando Valley. Ventura Boulevard remains one of the Valley's most vibrant mixed-use corridors, featuring a diverse collection of restaurants, cafés, boutique retailers, national brands, and professional services that contribute to the area's strong lifestyle appeal.

The property also benefits from excellent regional accessibility, with convenient access to both the San Diego (405) and Ventura (101) Freeways. This connectivity provides efficient links to major employment centers throughout Los Angeles, including Century City, West Los Angeles, Burbank, and Downtown Los Angeles, while preserving the neighborhood-oriented character that has made Sherman Oaks one of the most sought-after residential communities in the Valley.

Supported by strong household incomes, established residential density, and sustained demand for housing in well-located neighborhoods, the surrounding area continues to attract residents seeking a balance of accessibility, amenities, and quality of life. These market fundamentals reinforce Sherman Oaks' reputation as a premier residential submarket and support the long-term desirability of properties such as 4747 Orion Avenue for both owner-users and investors.

SHERMAN OAKS GALLERIA

VENTURA BLVD

REC CENTER

SHERMAN OAKS GALLERIA

A mixed-use destination featuring 700,000 SF of Class A office space above a 300,000 SF retail and entertainment complex, strategically located at the 101 and 405 Freeways.

NEARBY DEVELOPMENTS

1 CITRUS COMMONS - 13130 W RIVERSIDE DR, SHERMAN OAKS

(Completed 2025) Citrus Commons replaced surface parking lots surrounding the former Sunkist headquarters and delivered 249 studio, one-, and two-bedroom apartments above 27,000 square feet of retail space, including a ground-floor Trader Joe's. The former Sunkist building itself was designated a City of Los Angeles Historic-Cultural Monument in February 2026 and is being converted into residential units as part of the mixed-use community. This is the landmark mixed-use project in the immediate submarket. *Urbanize LA/MT Residential*

2 VIA AVANTI - 4815-4827 N SEPULVEDA BLVD, SHERMAN OAKS

(Completing 2025–2026) The project spans roughly five acres near the I-405/US-101 interchange and consists of several six-story buildings delivering 325 apartments and approximately 40,000 square feet of retail space, with a Tuscan-style design by KFA Architecture fronting a landscaped plaza on Sepulveda. One of the largest mixed-use deliveries in the Valley in years. *Urbanize LA*

3 15027-15033 VENTURA BLVD., SHERMAN OAKS (Entitled/In

Development) Chandler Partners is developing a six-story building featuring 33 apartments above 2,300 square feet of ground-floor retail — replacing a surface commercial building on Ventura Boulevard, just over three blocks east of the Sepulveda/Ventura intersection. *Urbanize LA*

4 14318 W. DICKENS STREET, SHERMAN OAKS (Proposed, Dec. 2025) HVN

Development has filed plans for a six-story, 75-unit affordable apartment building one block south of Ventura Boulevard, replacing five existing homes. The project is seeking density incentives through the City's Housing Incentive Program. *Urbanize LA*

5 14723 MAGNOLIA BLVD., SHERMAN OAKS (Entitled, 2025) A four-story,

12-unit infill apartment project at 14723 Magnolia Boulevard survived appeals before the L.A. City Planning Commission in June 2025, clearing the way for construction. Two units are designated very low-income affordable. *Urbanize LA*

6 4276 VAN NUYS BLVD., SHERMAN OAKS (Proposed, Jan. 2026) A preschool

two blocks south of Ventura Boulevard is slated for demolition to make way for eight small-lot single-family homes with ADU potential, designed as contemporary four-story structures with roof decks. The project is utilizing SB 684 streamlined approvals. *Urbanize LA*

7 6728 SEPULVEDA BLVD., VAN NUYS – “UNCOMMON” (Under

Construction, 2025–2026) A six-story, 405-unit apartment building developed by Uncommon is under construction at 6728 Sepulveda Boulevard in Van Nuys, just north of the Sherman Oaks boundary. One of the largest market-rate multifamily deliveries underway in the immediate area. *Urbanize LA*

8 7050 VAN NUYS BLVD., VAN NUYS (Under Construction, 2025–2026) A 332-unit

mixed-use apartment complex is taking shape at 7050 Van Nuys Boulevard, catering to moderate- and extremely-low-income renters. Located near the G Line Van Nuys Station, which will be the southern terminus of the new light rail line. *Urbanize LA*

13610 SHERMAN WAY, VAN NUYS (Approved, 2025) The L.A. City Planning Commission approved a five-story, 168-unit apartment building at 13610 Sherman Way, replacing 10 existing homes. Eighteen units are designated very low-income affordable. *Urbanize LA*

EAST SAN FERNANDO VALLEY LIGHT RAIL – VAN NUYS BOULEVARD

(Under Construction) Metro's East San Fernando Valley light rail line is currently under construction along Van Nuys Boulevard, with utility work underway. The initial phase will deliver 6.7 miles of median-running light rail with 11 stations, including connections to the G Line busway, Metrolink's Ventura County Line, and Amtrak's Pacific Surfliner. The tentative completion date for the first phase is 2031. The Van Nuys Station terminus is approximately 1.5 miles from 4747 Orion Ave. *Urbanize LA/Wikipedia*

SEPULVEDA TRANSIT CORRIDOR (Planning/EIR Phase) Metro is advancing an EIR for the Sepulveda Transit Corridor, a high-capacity rail line connecting the Van Nuys Metrolink Station to the Westside, passing through Sherman Oaks along the Sepulveda corridor. Estimated costs range between \$15.4B and \$24.4B depending on alignment. If built, it would add a major transit node directly within the submarket. *Urbanize LA*

NEARBY EMPLOY HUBS

The regional economy is supported by a diverse mix of industries, including Financial Services, Information Technology, Entertainment, Healthcare, and Advanced Manufacturing. Compared to other major U.S. markets, the area benefits from relatively more affordable commercial real estate, which continues to attract both established companies and growing employers.

Healthcare remains a significant source of employment, anchored by major providers such as Kaiser Permanente and Providence Health & Services. Driven by a strong concentration of high paying jobs and successful companies, the area has experienced steady economic growth, with median household income reaching \$71,543, reflecting a substantial increase since 2000.

UNIVERSAL STUDIOS
27,000 Employees

One of the region's largest employment centers, supporting entertainment production, tourism, and related creative industries.

COMCAST/NBS UNIVERSAL
17,700 Employees

A major media and telecommunications employer with a significant presence across content creation, broadcasting, and corporate operations.

DREAMWORKS ANIMATION
17,700 Employees

A global leader in animation and digital entertainment, contributing to the area's strong creative and technology-driven workforce.

WARNER BROS. STUDIOS
7,700 Employees

A longstanding entertainment anchor supporting film, television, and digital media production in the greater Los Angeles region.
