GOLF AND COURT SPORTS MEMBERSHIP & PLAYING INFORMATION

With such a beautifully maintained 18-hole executive golf course, it is no wonder that The Oasis Country Club is an active golfing community with over half of our residents participating as golf members. A shorter course with a par 60, and featuring six par 4 holes, but our course is not easy, and the twenty-two lakes just add to the challenge!

GOLF MEMBERSHIP INFORMATION

In addition to providing memberships for our homeowners, we also offer Full Golf Membership opportunities for the public, for either single golfers or for spouses/co-owners and families with children under the age of 21 years. Benefits are numerous such as Men's and Ladies Clubs and preferred tee times. Guest golfers playing with full golf members receive a reduced green fee. Click for the [Owner's Membership Application](#) and [Non-Owner's Member Application](#)

DAILY GOLF FEES

The Oasis is a semi-private facility and welcomes public golfers to play as guests of the club, when tee times are available. Green fees are listed from November through
