What the Seller loves most about this home:

The seller loves that there are no homes in front of, or behind this property. The cul-de-sac is quiet and the neighbors are great!

What the Seller loves about the neighborhood:

There are great activities in the neighborhood as well as in San Elijo Hills. The town square has everything you need; doctors, dentists, coffee, and groceries. The town square is a great place to meet and gather for fun events like a farmers market.

The neighborhood itself typically has Christmas and Fourth of July events as well as a summer carnival hosted by the HOA. Neighbors have created haunted houses, decorations, and activities around Halloween which is a fun way to be with. Neighbors.
