

Warranty

Thousand Oaks Plumbing will provide a 2-year warranty covering workmanship and materials associated with the newly installed plumbing work. The warranty does not cover existing piping, previous plumbing work, structural movement, improper use, blockages caused by foreign objects or buildup, or conditions outside of the newly installed work.

Drywall & Stucco

Not included in scope of work. Thousand Oaks Plumbing is not responsible for patching or texturing drywall or stucco.

Permits

Permits, if required, are available upon request and would be provided at an additional cost.

Unforeseen Conditions

This estimate is based on the visible and reasonably accessible conditions at the time of inspection. If concealed piping, structural conditions, deteriorated piping, improper previous work, or other unforeseen conditions are discovered that require additional labor or materials, those conditions will be discussed with the homeowner and approved prior to proceeding with additional work.
