Project No. 20-4750

Mr. Joel Cardenas
18655 Deercrest Estates Place
Devore Heights, CA

Subject: *Geotechnical Review Letter for the Proposed Single-Family Residential Development, Located at 18655 Deercrest Estates Place, Devore Heights, County of San Bernardino, California*

Reference: *A. W. Strickler Design, 2022, Foundation Plan, A Proposed Single-Family Residence for Michelle Funes & Joel Cardenas, Sheets A-5.1 and SD1 Job No. 20-008, dated February 22*

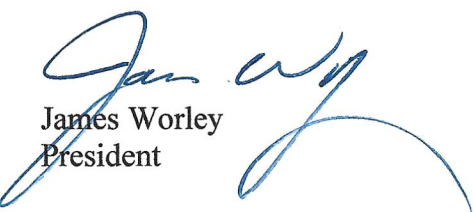

In accordance with your request, Inland Engineering Technologies, Inc. (IET) has performed a review on the referenced foundation plan for the proposed single-family residential development located at 18655 Deercrest Estates Place, Devore Heights, County of San Bernardino, California. Based on the IET's review, the proposed single-family residential structure will be supported on shallow footings designed with a maximum allowable load bearing pressure of 1,500 psf and embedded into compacted fill to a minimum depth of 18 inches below the lowest adjacent grade. IET considers the referenced foundation plan acceptable from a geotechnical engineering point of view.

IET's services were performed using the degree of care and skill ordinarily exercised, under similar circumstances, by reputable engineers and geologists practicing in this or similar localities. No other warranty, expressed or implied, is made as to the conclusions and professional advice included in this report.

The opportunity of service is sincerely appreciated. Should you have any questions, please contact our office.

Sincerely,

INLAND ENGINEERING TECHNOLOGIES, INC.

James Worley
President

Yogi Pirathapan, GE 2834
Geotechnical Engineer
