RULES AND REGULATIONS

1. INTRODUCTION.

Our Rules and Regulations have been developed as a basis for good relations within **MOBILELAND** (the "Owner"). Because ours is a family Park, it has unique conditions which must be recognized and dealt with in a fair and reasonable manner and applied and complied with on an impartial basis. The spirit behind these guidelines is in the Golden Rule: "Do unto others as you would have others do unto you." We trust we will have your complete cooperation not only to keep park standards high and to maintain a happy and friendly atmosphere, but also to assure each Resident a maximum of convenience and comfort.

The following Rules and Regulations are a part of your Rental Agreement. Please read the Rules and Regulations carefully and keep them on file as they constitute a binding agreement between you and the Owner. The management will interpret and enforce these Rules and Regulations in a reasonable manner.

Mobileland is open to all persons regardless of their race, color, religion, sex, national origin or handicap status.

2. DEFINITIONS.

The definitions set forth below shall apply unless the context indicates that a different meaning is intended:

A. "Park" means the mobilehome park, **MOBILELAND**, located at 1635 West Covina Blvd., San Dimas, California 91773.

B. "Owner" means the Owners of the Park (including the Owner's partners, directors, representatives, officers, employees, and agents) and the management of the Park.

C. "Resident" is a homeowner or other person who lawfully occupies a mobilehome in the Park. A prospective homeowner, purchaser, or those persons listed on the last page of the Rental Agreement as "Resident" who have not been approved for tenancy by the Park and have not closed escrow on the mobilehome occupying the Homesite shall not be deemed a "Resident".

D. "Guest" includes all of Resident's agents, employees, persons sharing the Homesite pursuant to Civil Code Section 798.34(b), invitees, permittees, or licensees or other persons in the Park or on the Homesite at the invitation, request or tolerance of Resident. "Guests" also include any Residents who are not homeowners.

E. "Park facilities" means those services and facilities of the Park generally available to Residents and their Guests.

F. "Homesite" means the real property rented to Resident by Owner. The boundaries of the real property rented to Resident shall be the lesser of either (1) the lot lines as determined by a governmentally approved survey or by a recorded plot plan or (2) the apparent physical boundaries of the Homesite as they exist at the time the Rental Agreement is/was entered into. Regarding maintenance of the Homesite, Resident shall be responsible for the greater area as defined by this paragraph.

G. "Owner's Approval" or "Approval of Owner", "Owner's consent" or "consent of Owner" or other similar terms as used in this Agreement means that the Owner's prior written approval must have been obtained by Resident before Resident commences any such action requiring Owner's approval. If Owner's prior written approval is required, Resident shall submit a written request to Owner which describes the action Resident proposes to take and requests Owner to give prior written approval.

3. **PARK PERSONNEL.**

Owner shall be represented by a Resident Manager, or Assistant Manager, if any, who is vested with all the legal right and authority to enforce the Rules and Regulations on behalf of Owner. Any reference herein to the term Owner shall include and may be interchanged with the term Resident Manager and Owner's partners, directors, representatives, officers, employees, management companies and agents.

Assistant managers and maintenance employees do not have any authority to answer questions concerning state, county, city or other laws and ordinances or the Park Rules and Regulations.

4. INTERPRETATION AND APPLICATION.

A. Reasonable and Lawful Interpretation and Application: It is our intention to interpret and apply all of these Rules and Regulations reasonably and lawfully. If, for any reason, any portion of these Rules and Regulations are unlawful, that is the result of an inadvertent mistake and the portion which is unlawful will be automatically deleted without further action on our part, but all of the remaining rules will remain in full force and effect.

B. Conflicts. If any of these rules are in direct conflict with the terms of any rental agreement having an original term of longer than 12 months signed by an individual resident and us, the terms of the rental or lease agreement will prevail with regard to that resident until the original term of the rental or lease agreement ends.

C. Effect of Revised Rules. Some portions of these Rule and Regulations are the same as the Rules and Regulations which are already in effect and applicable to you and your guests. Therefore, they will remain in effect just as they now are and their present affectivity is not affected by their being reissued in these revised Rules and Regulations. Any prior Rules and Regulations which, because of a change in the law, are no longer enforceable are changed immediately to the extent required to conform with the law.

5. GUESTS.

A. All Guests must register with the Owner if they stay with Resident more than a total of twenty (20) consecutive days or a total of thirty (30) days in a calendar year (hereinafter "grace period"). If any Guest stays beyond the grace period, Resident will be charged a Guest fee of \$50.00 per guest for each month following the expiration of such grace period. The additional charge shall be due and payable on the day after the expiration of such grace period and shall thereafter be due on a monthly basis, paid in advance. For emergency reasons, Residents should register any overnight Guest with the Park Manager. The number of Guests shall be limited to two (2) per Homesite. No charge will be imposed if the Guest is a member of the Resident's immediate family as defined in the Mobilehome Residency Law.

B. If you are living alone and wish to share your mobilehome with one person as allowed by Mobilehome Residency Law § 798.34(b), you may do so and no charge will be made. This additional person will be treated as a guest, will not have any rights of tenancy in the Park, and will be required to go through the same basic approval process that would be applicable to the buyer/transferee of your mobilehome, except financial approval. We may also require this person to register with us and sign the Park's Rules and Regulations or other documents reasonably necessary to protect our interest and the interest of other residents. If the exception permitted by Civil Code §§798.34(c) applies, you and that other person must sign our required documents and the other person will not be considered your guest and will be restricted as to their use and access to Park

facilities or property. Any future changes to the Mobilehome Residency Law which either expand or limit our rights, or the rights of you and the persons described in this paragraph who are occupying your mobilehome with you, will automatically become applicable to this Agreement.

C. Resident agrees to acquaint all Guests with the conditions of tenancy of the Park, including, but not limited to the Park's Rules and Regulations. Resident is personally responsible for all the actions and conduct of his or her Guests, including, but not limited to, any damage caused by his guests, any injury he or his guests might sustain or any injury caused to another.

D. Owner reserves the right to make a reasonable determination whether the Park's recreational and other facilities can accommodate all Residents and their Guests and, therefore, Owner may refuse any Guest access to said facilities if the Guest's presence would reasonably detract from the use and enjoyment of these facilities by other Residents and Guests who are then using the facilities.

E. A Guest is permitted to use the recreational facilities only while accompanied by a Resident. However, the 'Guest limit' of two (2) shall not apply when renting the clubhouse and the number of Guests shall be limited to the "occupancy limit" posted in the clubhouse.

F. If Resident will not be present, then no Guests may occupy or otherwise use Resident's mobilehome without Owner's written consent. If a Guest has received approval by Owner, such Guest may be permitted to occupy the Residents' mobilehome and to use the recreational facilities.

G. At all times at least one of the Residents must regularly reside in the mobilehome.

6. MOBILEHOME SUBLETTING.

Subleasing of any mobilehome is prohibited except for the special circumstances that are allowed by the Mobilehome Residency Law. Resident will be required to provide all necessary documentation, as set forth in the Mobilehome Residency Law, to Owner to evidence that special circumstances exist.

7. RESALE OF MOBILEHOME.

Resale of mobilehomes to persons wishing to reside in the Park is subject to the following conditions: Management must be contacted prior to offering the mobilehome for sale. Prospective purchasers must first complete an application for tenancy and be approved by management prior to the completion of sale.

8. MOBILEHOME STANDARDS.

Resident hereby agrees to comply with and maintain all mobilehome standards, standards for accessory equipment and structures, hardscape and softscape standards and landscape standards as set forth below. Resident's failure to comply with and maintain all mobilehome standards shall entitle Owner to all remedies available under these Rules and Regulations and the California Civil Code, Section 798 et seq. Resident acknowledges that should a failure to maintain occur, Owner has the right to give Resident seven (7) days' notice to remedy the maintenance violation. If Resident fails to remedy the violation, Owner has the right, but not the obligation, to force compliance with these rules by a breach of contract lawsuit or eviction action.

A. Mobilehomes. To insure architectural compatibility, construction and installation standards, all incoming mobilehomes must be approved by Owner. A plot plan must be submitted for our written approval, drawn to scale of 1" = 10' and will show the following: 1) physical floor plan of the mobilehome; 2) exact placement of mobilehome on lot; 3) measurement to lot lines and all structures; 4) actual placement of concrete, awnings, lawn, trees, flower beds and additions on lot. All items set forth in this Section 8 are subject to the notice and consent requirements of these Rules and Regulations. Resale of mobilehomes to persons wishing to reside in the Park is subject to the following conditions: Management must be contacted prior to offering the mobilehome for sale. Prospective purchasers must first complete an application for tenancy and be approved by management prior to the completion of sale.

B. Mobilehome Sizes. All mobilehomes in the Park shall conform in size to the requirements of the lot on which they are placed as established by Owner and the California building codes, Title 25, and/or the City of San Dimas. Placement of mobilehomes shall be determined by the Owner.

C. Mobilehome Occupancy. The number of occupants of a mobilehome shall be limited to two (2) persons per the number of bedrooms present in the mobilehome, plus one (1) additional person. A bedroom is defined as a living space which is designed for sleeping and which has closet space, but does not have plumbing.

D. Accessory Equipment and Structures. The installation of all appliances, accessory equipment and structures on incoming mobilehomes shall be completed within sixty (60) days of the date Resident signs the rental agreement or first occupies the mobilehome, whichever is earlier.

(1) Prior to commencing a new installation of or a change in accessory equipment and structures or a change in any appliance which is to be connected to the gas, electric or water supply, Resident shall submit for Owner's approval a written plan describing in detail the accessory equipment and structures which Resident proposes to install or change and shall obtain the approval of Owner pursuant to Section 10 of these Rules and Regulations.

(2) Building permits, licenses and other similar permission from government or quasi-governmental bodies or agencies must be obtained, if so required, before any installation or construction of certain accessory equipment and structures. All such equipment and structures must comply with all federal, state and local laws and ordinances.

(3) If a Resident does make a change in existing accessory equipment, the standards for incoming mobilehomes must be met, and all work shall be completed within sixty (60) days of approval.

(4) Resident is cautioned that there may be mobilehomes and homesites in the Park which contain accessory equipment and structures which no longer conform with present Park standards and regulations. Nonetheless, Residents may not assume their plans will be approved because they conform to accessory equipment and structures existing on other mobilehomes or homesites.

(5) Any accessory equipment or structure not in compliance with the Park's residency documents shall be removed by Resident within seven (7) days of receipt of notice from Owner.

(6) Landlord may, in its sole discretion, publish new standards for, without limitation, awnings, steps, porches, landscaping and other accessories at any time that it, in its sole discretion, determines would be in the best interests of the Park and the Tenants. Said standards shall, however, only be applicable to Resident if Resident sells or otherwise transfers his mobilehome to another party and the mobilehome is to remain in the Park. In that event, the new standards will be the responsibility of the prospective purchaser and the mobilehome must be in conformity with the standards published by Owner prior to Owner's acceptance of the prospective purchaser. Resident and prospective purchaser hereby indemnify and release Owner, its agents, servants and employees, from any and all liability or damages which Resident or prospective purchaser may suffer due to said changes in standards.

9. STANDARDS FOR ACCESSORY EQUIPMENT AND STRUCTURES.

Condensation accumulation from any air conditioner must be piped away from the mobilehome and not be allowed to fall onto the ground under the mobilehome. All installations pertaining to a heating and/or cooling system must be performed by a state licensed contractor and Resident must obtain any permits required for installation. No window air conditioners or evaporative coolers will be allowed in the Park. Solar heating is generally not acceptable but exceptions may be made based on the architectural/aesthetic appearance of the solar heating unit and the location where it will be installed. All outside electrical wiring, if any, must comply with City Code and be of weatherproof material.

C. Porches and Patios. Porches and patios must be constructed under permit and meet the appropriate governmental building codes. J. Rain Gutters. All mobilehomes must be fitted with rain gutters and with down spouts which extend to the ground and drain water to the street.

K. Exterior Storage Building. Each Resident may install up to two (2) storage buildings which shall not exceed a combined maximum floor area of one hundred (100) square feet and a maximum height of ten feet (10'), provided there is room on the Homesite. Satellite dishes in excess of one (1) meter in diameter are prohibited. Such location site shall be as unobtrusive as possible without significantly decreasing the satellite dishes' efficiency or performance. The satellite dish must be securely affixed and placed in a manner that will not constitute a hazard. Outside antennas will be allowed only with Owner's prior written permission and must be located at the rear of the lot and not visible from the street. HAM radio antennas are prohibited.

In the event such a bond is not posted within 14 days of the recordation of the mechanic's lien the amount of such mechanic's lien shall be deemed an amount of damage suffered by the Owner and shall be recoverable by Owner from Resident;

(d) In the event Owner determines that the eventual completed work is not consistent with the plan originally submitted by the Resident or the Resident completes work which is not covered by a plan approved by Owner, Owner shall notify the Resident. Resident shall have 10 days from the sending of such notice to cause the work to be consistent with such plan; in the event Resident does not comply with the notice provided by Owner, Owner shall have the right to alter the work to comply with these Rules and Regulations;

(e) Implied in each plan shall be compliance with any and all permit, license or other regulatory requirements related to or required for the proposed work to be performed. Decorative bark or wood chips are not permitted.
- (8) Resident must obtain written permission from Owner to plant a tree on the Homesite. The Owner retains the option to determine the location of and the type of tree which may be planted. Resident is responsible for all tree maintenance and the Resident's failure to do so entitles the Owner to take corrective action and Resident shall reimburse Owner for such

maintenance. Owner is responsible for trimming, pruning, and removal of any tree which poses a specific hazard or health and safety violation on a Resident's Homesite, or upon written notice by a Resident. In the case of a dispute between Owner and Resident, the determination of the hazard or violation shall be made by the California Department of Housing and Community Development ("HCD") or local enforcement agency, depending on which governmental agency has jurisdiction. Upon selling the mobilehome, Resident must obtain written acceptance by the purchaser that they will accept the trees as theirs and will maintain them as set forth below in Paragraph 11.D. (10) The existing drainage pattern and grading of the Homesite may not be changed without Owner's written consent.

D. All landscaping, including, but not limited to shrubs, vines, bushes and lawns, shall be well maintained by Resident. Such maintenance shall include, but not be limited to:

(3) Homesite shall be kept free of weeds and debris at all times.

(4) The routine trimming of all shrubs, vines and bushes in a manner that maintains an attractive appearance, prevents fire hazards and does not encroach on adjoining spaces or obscure the street view of persons driving in the Park.

(5) The trimming and maintenance of all trees and shrubs in a manner that prevents them from developing a root structure that causes cracking or buckling or otherwise interferes with the streets, driveways or other Park facilities.

(6) Resident is responsible for the maintenance of all trees located on his/her Homesite. The Resident will not trim trees or shrubs on Park property other than on his or her Homesite without Owner's written consent.

Other seasonal and holiday decorations may not be put up outside of your mobilehome and on your space any earlier than two weeks before the holiday and must be removed within two weeks after the holiday.

C. Dangerous Materials. Anything which creates a threat to health and safety shall not be permitted on the Homesite. No flammable, combustible, or explosive fluid, material, chemical, or substance (except those customarily used for normal household purposes which shall be properly stored within the mobilehome and/or storage building) may be stored on the Homesite and then only

in quantities reasonably necessary for normal household purposes.

D. Exterior Painting. The exterior paint on Resident's mobilehome, accessory structures and equipment shall be properly maintained. Written approval must be obtained from Owner prior to any painting. All colors must be approved by Owner. No spray painting will be permitted in the park.

If any portion of the exterior of the mobilehome or its accessory equipment, structures, or appliances or the Homesite are damaged, the damage must be repaired or replaced within thirty (30) days. This includes, but is not limited to, damage to the siding, awning supports, downspouts, skirting, porch or storage shed. If a Resident's mobilehome or accessory equipment has not been repaired, reconstructed, or restored within a reasonable time after work has been commenced on it, the Resident shall remove such damaged item from the Park at his expense. In the interim, Resident shall continue to be bound to perform all his promises and obligations under this Agreement. If the Resident fails to repair such damage within ten (10) days after Owner gives him written notice to repair the same, the Owner can remove the damaged item and the actual cost of such removal shall be immediately due and payable to Owner by Resident. If such removal includes the removal of the mobilehome, the Agreement under which the Resident occupies the Homesite shall terminate, unless Resident gives Owner sixty (60) days notice.

F. Concrete. All concrete, asphalt and other surfaces shall be kept clean and maintained free of oil and all other sticky or oily substances.

G. Driveway and Street Area. A Homeowner may be charged for the cost of any damage to the driveway caused by an act of the Homeowner or the breach of the Homeowner's responsibilities under the Park's Rules and Regulations. A Homeowner shall be responsible for the maintenance, repair, replacement, paving, sealing, and the cost related to the maintenance of a Homeowner-installed driveway. Individual driveway maintenance and cleaning shall be Resident's responsibility. Residents shall keep the street area and gutter in front of their Homesite free from debris. Water shall not be used when cleaning off debris from a driveway or the street area in front of the Resident's Homesite.

H. Utility Pedestals. The utility pedestals (water and utility hookups) must be accessible at all times and must be kept free from any landscaping or other obstruction with a minimum of three feet (3') clearance on all sides of the pedestal. J. Garbage and Trash Disposal.

Each mobilehome must be equipped with a garbage disposal. Bones, corn husks, etc. which cannot be put into the garbage disposal may be placed in trash bags. Trash is not to be thrown on the ground next to, or on top of, closed or full trash bin containers nor is any trash to be stored outside of mobilehome anywhere on Resident's Homesite. Combustible, noxious, or hazardous materials must be removed from the Park and not placed in trash bins. Bringing trash from outside the Park to be disposed of in the trash bins is not permitted. Sanitary and health laws must be obeyed at all times.

(1) Tree trimmings are permitted to be disposed into the trash bin containers if cut into smaller sections so as to allow for other trash.

(2) Trash bins are not to be used for disposal of such items as mattresses, paints, tires, furniture, appliances, vehicle parts, batteries, hazardous waste, rocks, concrete, construction materials, or other similar items. Additionally, materials used in Resident's daily business outside the Park, such as carpentry, roofing, or gardening materials are expressly prohibited from being dumped into the Park's trash bins. If Resident should hire an outside vendor to perform maintenance on Resident's mobilehome or space, vendor must be informed that the use of Park trash bins is prohibited.

(3) "Scavenging" or rummaging, through the trash bins is not allowed.

You will be financially responsible for correcting any drainage problems or for any subsequent re-leveling or adjustment required on the mobilehome, or other improvements, which result from drainage problems, soil expansion or contraction, tree roots and/or any other reason. You are also responsible for correcting any drainage problems which existed on your space at the time you purchased your mobilehome or which you caused.

L. Enforcement. In the event the Resident fails to comply with the requirements of this Section, Owner shall have all of the rights and remedies set forth in Section 14 of these Rules and Regulations.

In accordance with Civil Code § 798.36: The Owner may charge a reasonable fee for services relating to the maintenance of the land and premises upon which the mobilehome is situated in the event the Resident fails to maintain such land or premises in accordance with the Rules of the Park after written notification to the Resident and failure of the Resident to comply within fourteen (14) days. The written notice will state the specific condition to be corrected and an estimate of the charges to be imposed by the Owner if the services are performed by the Owner or its agent.

13. USE OF FACILITIES.

Residents and Guests have the right to use the Homesite and Park facilities only if they comply with these Rules and Regulations and the other provisions of the Park's residency documents. Owner will attempt to promptly, equally and impartially obtain the cooperation and compliance of all Residents with respect to the Rules and Regulations and other conditions of residency. Resident recognizes, however, that Owner's ability to obtain compliance is dependent upon a number of factors, including the cooperation of all Residents and their Guests. Resident agrees, therefore, that the enforcement of the Rules and Regulations and conditions of tenancy are a private matter between Owner and each Resident individually. Resident agrees that he is not a third party beneficiary of any other agreement between Owner and any other Resident in this Park.

A. LAUNDRY FACILITIES.

(1) Laundry hours are posted. These facilities will be closed from time to time at Owner's discretion for cleaning and repairs.

(2) Washers, dryers, and all other laundry facilities are to be cleaned by Resident, inside and out, immediately after use. Clothes are to be removed from dryers as soon as they are dry. Dyeing may not be done in the washers. The laundry is to be left in a clean, neat and orderly condition. Pet laundry may not be done in washers.

(3) Additional rules and regulations governing the use of the laundry and its facilities are posted and are incorporated herein by reference.

(4) Guests are not permitted to bring items from outside the Park and use the Park's laundry facilities.

(5) Washing of dishes is not permitted in the laundry area.

C. RECREATIONAL FACILITIES.

two (2) weeks in advance. Should the date not conflict with any other applications, social events or planned use of the facilities, and upon written approval by the Owner, the request will be granted. During such a scheduled event or party, the reserved clubhouse facilities will not be available to other Residents and their Guests. There will be no charge for the use of the clubhouse; however, Resident will be required to pay a \$100.00 deposit. This deposit will be applied to the costs of any additional cleaning that may be necessary after the function or to any damage that may occur. Only non-alcoholic beverages may be served at the function. Functions are limited to five (5) hours in duration and must end, and the clubhouse cleaned and vacated by 9:00 p.m. No live music is allowed, which includes a disc jockey (D.J.), however, a private sound system may be utilized as long as no more than two (2) speakers are used, and speakers may not be over 24" in height. Moreover, the power output of the sound system may not be so loud so as to create a disturbance to other Residents in the Park. In the event Park Management receives two or more complaints during any one function that the noise level is too loud, the function shall be immediately terminated. Those scheduling the function will be responsible for providing for an approved security guard service and normal cleanup immediately after the event or party. All such functions must be carried on in full compliance with these Rules and Regulations and the other residency documents of the Park. Resident will, therefore, be required to provide Owner with information relating to the function so that Owner may evaluate the function. Private parties are not allowed in the swimming pool area.

14. APPLICABILITY OF RULES AND REGULATIONS.

In the event there is a violation of these Rules and Regulations:

A. The Owner shall notify the Resident of the violation by either hand delivering the notice to the Resident or placing the notice in the United States mail via certified mail, return receipt requested. The failure by the Owner to provide such notice shall not constitute a waiver of any of the rights and remedies of the Owner under applicable law or of the provisions of these Rules and Regulations. The Owner shall have the right at any time once a Rules and Regulation violation occurs to provide such notice. Resident shall not rely upon the Owner's failure to provide such notice in taking any action or not taking any action.

B. The Resident shall either immediately cease the violation of the Rules and Regulations or provide Owner with a written explanation stating why the Resident is not in violation of the Rules and Regulations. In the event such explanation is not delivered to Owner within five days of the sending of notice of the violation by the Owner, Resident shall be deemed to have agreed that a violation has occurred.

C. The Owner shall have remedies, including, but not limited to the following:

(1) The termination of the tenancy of the Resident pursuant to Civil Code Section 798.56;

(2) The obtaining of an injunction enjoining the violation pursuant to Civil Code Section 798.88;

(3) The placing of a lien against the mobilehome affixed to the space rented by the Residents, in the amount of any damage suffered or incurred by the Park, related to or arising from the violation of the Rules and Regulations, including, but not limited to all attorneys fees and out-of-pocket costs incurred by the Owner in enforcing the Rules and Regulations. The execution of these Rules and Regulations or the Rental Agreement to which these Rules and Regulations may

be attached shall constitute the consent of the Resident to the placing of such lien under Section 798.40 of the Mobilehome Residency Law.

15. ENTRY UPON RESIDENT'S HOMESITE.

The Owner shall have a right of entry upon the Homesite for maintenance of utilities, for maintenance of the Homesite where the Resident fails to maintain the Homesite in accordance with the Rules and Regulations, for the protection of the Park at any reasonable time and the enforcement of any provision of these Rules and Regulations, but Owner may not do so in a manner or at a time which would interfere with the Resident's quiet enjoyment. Owner shall only enter the Homesite upon a weekday, between the hours of 9 a.m. and 5 p.m., unless it is an emergency. Such entry shall not be deemed to interfere with the Resident's quiet enjoyment. The Owner may enter a mobilehome without the prior written consent of the Resident in the case of an emergency or when the Resident has abandoned the mobilehome.

16. PARKING.

A. Only passenger cars up to a total of 2, may be parked in Resident's driveway so long as the vehicle does not extend into the street. All other vehicles must be parked in the recreational vehicle area(s) or outside of the Park. Guests may only bring passenger cars into the Park.

B. The term "passenger cars" specifically includes those vehicles commonly referred to as sports cars, coupes, sedans, and station wagons and specifically excludes vehicles included within the definition of "other vehicles."

C. The term "other vehicles" includes pickup trucks over three-quarter (3/4) ton, campers, vans, buses, trucks and other commercial vehicles of every kind and description, boats, trailers (except the mobilehome occupied by Resident), "RV's", dune buggies, minibikes, "ATVs" and other two and three wheeled motorized or self-propelled transportation.

D. If used by Resident on a daily basis, a pickup truck or van may, however, be substituted for one of the two permitted passenger cars, and the truck may be equipped with a camper body or shell. The pickup truck or van may not, without Owner's consent, be substituted for one of the two passenger cars if it is equipped with exterior racks, storage containers or compartments or other similar devices or contains tools or equipment which are (i) mounted on the outside of the vehicle or (ii) are otherwise visible from the street or adjacent mobilehomes.

E. Parking is permitted only in designated areas unless otherwise posted or permitted by these Rules and Regulations. Parking is not permitted on vacant Homesites. Neither the Resident's nor the Guest's vehicles may be parked on landscaped areas of Homesites. Areas that are or have been designated as landscaped areas may not be converted into driveway areas. Parking in the streets is not allowed except to load and unload a vehicle, or for emergencies. All streets are fire

lanes. No overnight parking is permitted on any street within the Park.

F. Registered Guests may only park in designated Guest parking spaces or in the host Resident's assigned parking space. Because of the limited parking facilities, traffic congestion and noise, Owner reserves the right to restrict the number of Guests bringing automobiles or other vehicles into the Park.

G. Resident may not park in spaces designated for Guests unless given written permission from the Park's management.

H. No automobile may be "stored" in the Park. A limited number of parking spaces are available and are on a first come first serve basis.

J. Parking of any automobile or other vehicle of any kind in any other place at the Space other than in the carport of the mobilehome site is not permitted. Homeowner(s) specifically authorize Mobileland to tow away any vehicle parked anywhere upon the Space other than the carport side of the mobilehome, at the Homeowner(s) expense, and specifically waive any injury or damage to the vehicle while it is towed.

K. If used on a daily basis, no more than one (1) motorcycle may be parked in Resident's parking space. The permission to park a motorcycle does not relieve Resident of the obligation to conform to all other rules and regulations relating to motorcycles. Motorcycle engines must not be excessively loud and must have a muffler.

17. MOTOR VEHICLES AND BICYCLES.

A. No maintenance, repair or other work of any kind on any vehicle, boat or trailer (other than the mobilehome which Resident resides in) may be done on the Homesite, or anywhere in the Park, without Owner's written consent. This includes, but is not limited to the changing of oil.

B. No vehicle leaking oil or other substances or fluids shall be allowed in the Park. Any car dripping oil or gasoline must be repaired immediately.

- C. Washing of a vehicle is permitted in Resident's driveway.
- D. Vehicles are not permitted in the Park if they are not regularly maintained in normal operating condition and are not neat and clean in appearance. This includes, but is not limited to vehicles whose exterior appearance has deteriorated to a point where they are unsightly and detract from the appearance of the Park, or vehicles which contain unsightly loads that are visible to other persons.
- E. For the safety of Park residents and their Guests, no vehicle may be driven in an unsafe manner. All traffic signs must be obeyed.
- F. Excessively noisy vehicles are not permitted in the Park. No dirt bikes or loud, off-road vehicles are permitted to be driven within the Park.
- G. No vehicle may be operated in the Park by any person who is not properly licensed. All vehicles operated within the Park must be registered and display current registration tags and be licensed for street usage.

Bicycles may only be driven on the roadways and not on grass, vacant homesites or any other paved area. Bicycles must be equipped with a light on the front and a reflector in the rear if driven at dusk or at night. Children under 16 years of age must wear a helmet while riding a bicycle.
- I. Motorcycles, motor scooters, minibikes, mopeds or other two and three wheel motorized vehicles entering or leaving the Park must be driven by the most direct route between the Park's entrance and the Resident's home and may not otherwise be driven on any other street in the Park. All such vehicles shall be equipped with mufflers or other necessary noise suppressing devices. Furthermore, all such vehicles shall be licensed, street legal and driven by a licensed driver only.

18. CONDUCT.

- A. Actions by any person of any nature which may be dangerous or may create a health and safety problem or disturb others are not permitted. This includes, but is not limited to any violation of any law, including, but not limited to violations of any infraction, misdemeanor or felony, any unusual, disturbing or excessive noise, intoxication, quarreling, threatening, fighting, immoral or illegal conduct, profanity, or rude, boisterous, objectionable or abusive language or conduct. "Ham" or "CB" radios or other radio transmitters may not be operated in the Park (except for emergency or special health and safety purposes).

C. Residents and their Guests must refrain from causing and/or creating unreasonably disturbing noise and/or activities. Resident must acquaint all Guests and all occupants of the mobilehome with the Park's Rules and Regulations. Guests are not permitted in the clubhouse or in common areas unless accompanied by their Resident host.

D. Residents and their Guests shall not encroach or trespass on any Resident's Homesite or upon any area which is not open for general use by Residents and their Guests. All Park property which is not for the use of Residents and their Guests, including, but not limited to gas, electric, water and sewer connections and other equipment connected with utility services and tools and equipment of Owner, shall not be used, tampered with or interfered with in any way by Resident and/or their Guests.

(1) Any activity requiring the issuance of a business license or permit by any governmental agency.

(2) The sale, leasing, subleasing, or exchange of mobilehomes other than the Resident's own mobilehome.

N. Pursuant to law, babysitting or child care is permitted on an infrequent basis, without compensation and for family and friends only. Foster care and licensed child care (day care) may be permitted only under the following conditions:

Resident agrees not to do anything that will constitute waste, nuisance, unreasonable annoyance, damage or injury to anyone or their property. You also agree not to permit any act or maintain or permit to be maintained any condition on your Space or mobilehome which may cause an increase in the rate of insurance we pay or increase our costs of maintenance and repair or in any way increase the risk of damage to the Space or the Park, or any person or property.

20. MAIL.

A. Mail will be delivered by the United States Postal Service to mail boxes located within the Park.

B. Resident should arrange with United Parcel Service, Federal Express or any other parcel delivery company to make all deliveries to Resident's Homesite.

21. LIMITATIONS ON ELECTRICAL SERVICE AND RESIDENTS' RESPONSIBILITIES TO ENSURE THAT MOBILEHOME/ETC., ARE COMPATIBLE.

You are responsible for making sure that your mobilehome and all appliances and equipment in your mobilehome are compatible with the electric service and capacity now available, and Owner shall have no liability or responsibility to you if the available electrical supply is incompatible. You agree not to install electrical appliances which will use energy in excess of the electrical service and capacity available to your Space. You also agree that you will not attempt to increase the electrical service and capacity of your Space by installing any device or doing anything else unless you have received our prior written permission. If your electrical demands exceed the capability of the Park, or are otherwise inconsistent with the capabilities of the Park, you will correct the situation to our satisfaction within seven (7) days. As the amount of such electrical service and capacity will affect your ability to have electrical appliances, you must determine in advance from Owner in writing the amount of electrical service and capacity available to your Space and ensure that your mobilehome and all appliances and equipment in it are compatible with that service and capacity.

22. RIGHTS OF OWNER.

The Park is private property and Owner reserves the right to refuse admittance to anyone, and to prevent trespassing at all times. Owner may amend these rules at any time with the consent of each Resident with whom these rules shall be binding or upon written notice to Resident of not less than six (6) months, regardless of Resident's consent.

23. ADVERTISEMENTS.

The Park Bulletin Board may be used by a Resident for no longer than seven (7) days to advertise the sale of a specific item or items.

A Resident may place a sign in the window of the mobilehome, on the side of the mobilehome facing the street, or by a sign in front of the mobilehome facing the street, stating that the mobilehome is for sale. Any Resident also may display a sign conforming to these requirements indicating that the mobilehome is on display for an "open house." The sign shall state the name, address, and telephone number of the owner of the mobilehome or his or her agent and the sign face shall not exceed 24 inches in width and 18 inches in height. Signs posted in front of a mobilehome pursuant to this section may be of an H-frame or A-frame design with the sign face perpendicular to, but not extending into, the street. Homeowners may attach to the sign or their mobilehome tubes or holders for leaflets which provide information on the mobilehome for sale or exchange.

A Resident may place a campaign sign relating to a candidate for election to public office, or to the initiative, referendum, or recall processes, in the window or on the side of the mobilehome or within the mobilehome site. The sign may not exceed six square feet and the sign may not be displayed in excess of a period of time from 90 days prior to an election to 15 days following the election.

24. PETS.

A. Resident shall be allowed to keep a pet at the Homesite. Resident must obtain written permission in advance from the Owner. Photos may be required. Owner reserves the right to deny you a pet if the proposed pet appears to present a threat to the health and safety or the general welfare of the Park or its residents. Should you lose your pet or should it die, you must obtain written permission from Owner before acquiring a new pet.

B. Pets permitted in the Park are defined as a house pet that spends its primary existence within the mobilehome. A pet is defined as one domesticated bird, one cat, one small dog, or fish kept within an aquarium, or other animal as agreed to by the Owner. Small dogs are defined as those which, at maturity, will weigh no more than twenty (20) pounds and measure no more than twenty inches (20") at the shoulder. C. If any of the rules regarding pets are violated, and such violation is noted by the Owner or a valid complaint is made by another Resident, the Resident owner of the pet will receive an official notice in writing stating that the right to keep a pet within the Park is terminated.

D. The following rules must be strictly followed by pet owners:

(1) Dogs and cats must be spayed or neutered. Each pet must be inoculated and licensed in accordance with local law. Evidence of such licensure and inoculation must be submitted by you to Owner within seven (7) days after request for same. All state and local laws will apply in the Park, including, but not limited to, leash laws. The litter of any dog or cat that has not been neutered or spayed, must be removed from the Park within twelve (12) weeks after birth. The dog or cat must then be neutered or spayed or removed from the Park.

Pets cannot be walked through the Park before 7:00 a.m. or after 10:00 p.m. Do not allow your pet to trespass upon other Residents' Homesites. Resident pet owner is responsible for any damages caused by their pet. Pets running loose in the Park will be taken to, or reported to, Animal Control. Recurring violations of this rule will lead to the loss of the privilege to maintain a pet.

(3) Pets will not be allowed to cause any disturbance which might annoy neighbors, including, but not limited to, howling, barking, biting, scratching, or any other unusual noises or damage. Management may, with or without cause and in Management's sole and absolute discretion, notify a Resident to immediately and permanently remove a pet from the Park if the pet exhibits any aggressive behavior including, but not limited to, biting, stalking, charging, chasing, attacking, or otherwise threatening to attack or harm someone. Under no condition are pets to invade the privacy of any other Resident's Homesite, flower beds, shrubs, etc.

(4) If your pet is allowed to exercise in your yard or elsewhere, all pet excrement must be immediately picked up, wrapped in paper and placed in the trash. If a Resident's yard is not kept clean and free of pet feces, the Resident is subject to termination of the right to keep a pet, due to the significant health and safety issues caused by the accumulation of feces and the substantial annoyance caused to other Residents

(5) Guests are not permitted to bring any pet into the Park, except for guide dogs, signal dogs, and other service dogs, as defined in Civil Code §54.1.

(6) No exterior housing for pets is permitted in the Park. This includes, but is not limited to, any type of confining barricade, cage, or structure.

(7) Tying of pets outside the mobilehome and/or leaving them unattended outside is prohibited.

D. If you and/or your pet do not comply fully with each of these rules, Owner may, in Owner's sole discretion, revoke approval of the pet and require that the pet be permanently removed from the Park. The pet may also be taken to the animal shelter or other similar facility.

D. If a change occurs concerning the zoning permit under which the Park operates or an agreement in which Owner is a Lessee, all Residents shall be given written notice within thirty (30) days of such change.

26. ENVIRONMENTAL PROTECTION.

Anything which creates a threat to health and safety or threatens damage to property or which induces or harbors or may tend to induce or harbor offensive odors, infectious plant disease, and/or noxious insets and/or rodents or reptiles is strictly prohibited. No flammable, combustible, explosive or environmentally hazardous fluids, material, chemical or substance may be stored on the space (other than ones customarily used for normal household purposes, and then only in quantities

necessary for household purposes). Additionally, you may not engage in any activity in the Park that causes an environmental hazard or violates any law relating to environmental protection, hazards and other similar laws. This includes, but is not limited to, changing the oil in any motor vehicle in any common area of the Park. Furthermore, you may not allow any environmentally hazardous substance, including, but not limited to, toxins, cleaning fluids, oil, grease or any substance defined as environmentally hazardous, to be placed on any surface area in the Park or disposed of in the Park, including, but not limited to, toilets, drains, trash receptacles, dumpsters, surface areas, the sewage disposal system or any other trash, garbage or disposal area in the Park. Such substances must be physically removed from the Park and disposed of elsewhere in compliance with the law.

27. FIXTURES.

All landscaping and structures or other improvements permanently attached to or embedded in the ground shall become a part of the realty upon their installation and belong to Owner. Upon Resident vacating the Homesite, such improvements shall remain upon and be surrendered with the Homesite. Owner may, however, at its sole option, permit or require Resident to remove, at Resident's own expense, said improvements. Resident shall repair any damage to the Homesite caused by the removal, including, but not limited to, the filling in and leveling of holes or depressions and shall leave the Homesite in a neat and uncluttered condition with the Park's original engineered grade intact.

28. LOT LINES AND LOT LINE MARKERS.

The lot lines originally established at the time the Park was built will be the lot lines used for all purposes regarding the present and future installation of mobilehomes and all other accessory structures, equipment and other improvements to the Space. The only exception will be where the originally established lot lines were subsequently changed by us or someone else who owned the Park with the intention of deliberately altering such lot lines and, in those cases, the subsequently changed lot lines will remain in effect. We reserve the right to modify any lot line at any time provided that such modification does not violate any applicable law. If you or any prior resident of the Space or any adjoining Space has installed landscaping or other improvements that encroach across any lot line and by those actions has established, over an extended period of time (in our opinion), that the area encroached on belonged to and is allowed to be used by that resident, then you or residents of any adjoining Space will be permitted to continue to use the area encroached upon. This use of the encroached-upon area will not, however, affect the location of the lot line markers. You shall maintain your lot line markers as they currently exist and you will promptly notify us if your lot line markers are lost, moved or destroyed. You agree to indemnify and hold harmless Owner and its agents, employees, representatives, assigns, successors and attorneys against any loss, cost, damage, expense (including attorneys' fees) or other liability incurred or imposed by reason of any person, association, firm or corporation claiming to have an interest in the event that your lot line markers are lost, moved or destroyed.

Throw-away newspapers, distribution of handbills and door-to-door selling or solicitation are not permitted without Owner's consent. All sales people must make individual appointments with the Resident concerned or interested.

31. REVISIONS OF RULES.

Owner reserves the right to add to, delete, amend, and revise these Rules and Regulations from time to time, as well as additional rules and regulations and hours posted in and about the recreational facilities, as provided in Section 798.25 of the California Civil Code. This set of Rules and Regulations supersedes all existing Rules and Regulations.

32. NO WAIVER OF DEFAULT OR OTHERWISE, SEVERABILITY AND INTEGRATION.

If you violate any of the Owner's Rules and Regulations, and Owner fails to exercise any of its rights under the Owner's Rules or under applicable laws, Owner's failure shall not waive or otherwise excuse that violation, or any other violation. If any term or provision of these Rules is invalid, or partially invalid, such invalidity shall not affect the validity of any other term or provision of these Rules. These are the Rules and Regulations of the Owner and, when effective, these Rules supersede all previous Rules of the Owner and supersede all prior oral representations concerning these Rules (whether made by Owner or others), and cannot be amended except by a written notice of amendment to the Rules and Regulations. These Rules do not create any additional rights or remedies on behalf of Homeowners but are intended to govern conduct in the Park and with respect to the use of Park facilities. These Rules also incorporate by reference other Rules concerning use of Park facilities which are currently posted throughout the common areas of the Park.

33. PARAGRAPH HEADINGS.

The headings and titles of the paragraphs within these Rules and Regulations are included for purposes of convenience only and shall not affect the construction or interpretation of any of the provisions of said Rules and Regulations.
