Sunrun Agreement Change Order

John
1628 Camino Sueno
Hemet, CA 92545

Dear John,

Thank you for choosing to power your home with clean, solar electricity from Sunrun. An analysis of your solar system has resulted in the following changes to your Sunrun BrightSave customer agreement, dated 2/28/2020:

Agreement Key Terms

	Original	Revised
Deposit	\$0	\$0
Initial Payment	\$0	\$0
Monthly Payments in Year One	\$61.46	\$79.17
Annual Percentage Increase	2.9%	0.0%
Cost per kWh, Year One	\$0.150	\$0.190
System Size	2.75 kW DC	2.79 kW DC
Year 1 Production	4,917 kWh	5,000 kWh
Lifetime Production	115,825 kWh	117,780 kWh

The revised terms above are a result of the following:

CHANGE:Pricing

Attached you will find a revised Exhibit A to your customer agreement. All revised terms shown above and in Exhibit A hereby supersede and replace the corresponding terms included in your original customer agreement. All other terms and conditions of your original customer agreement remain in full force and effect.

Please sign and date below to indicate you accept these changes as Amendments to your original customer agreement. If you have any questions please do not hesitate to contact Sunrun at 888.GO.SOLAR
