THE OFFERING

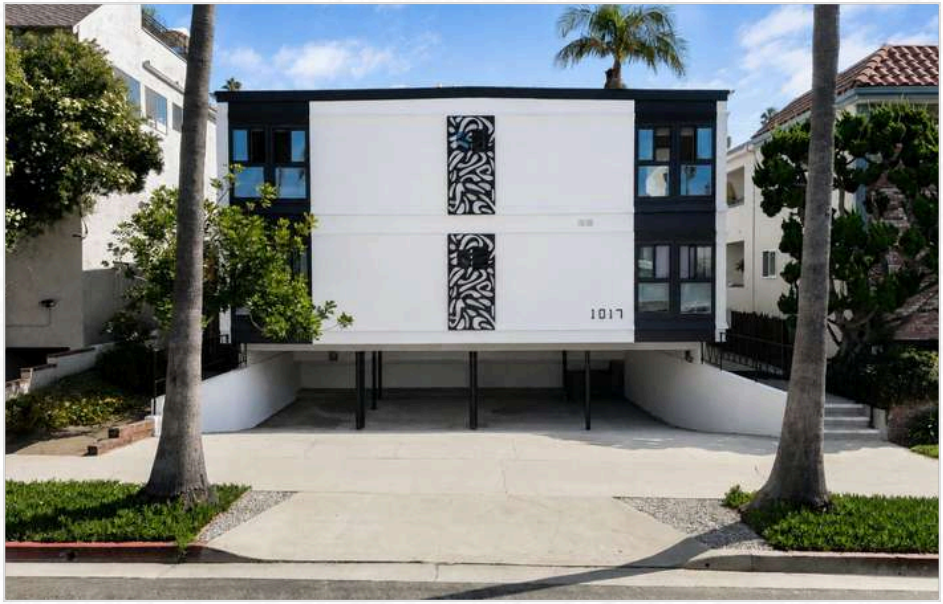

An exceptional opportunity to acquire a meticulously remodeled 11-unit apartment building in one of Santa Monica's most coveted North of Wilshire locations. 1017 5th Street offers the rare combination of a true trophy-quality location, high-end renovated units and investment returns that are exceedingly difficult to find in prime Santa Monica.

Offered at $5,199,000, the property generates a compelling 5.75% current cap rate and 12.39 GRM, providing investors with unusually strong in-place cash flow for an asset of this quality and location. The investment becomes even more compelling on pro forma rents, reaching approximately a 7.13% cap rate and 10.45 GRM, with roughly 19% remaining rental upside.

The property has undergone extensive upgrades and features beautifully remodeled, high-end units designed to attract Santa Monica's premium renter base. This is not a heavy value-add project requiring years of construction, tenant turnover and capital expenditures. The work has largely been done, creating an exceptionally easy-to-own and easy-to-manage asset with strong
income from day one.

SANTA MONICA

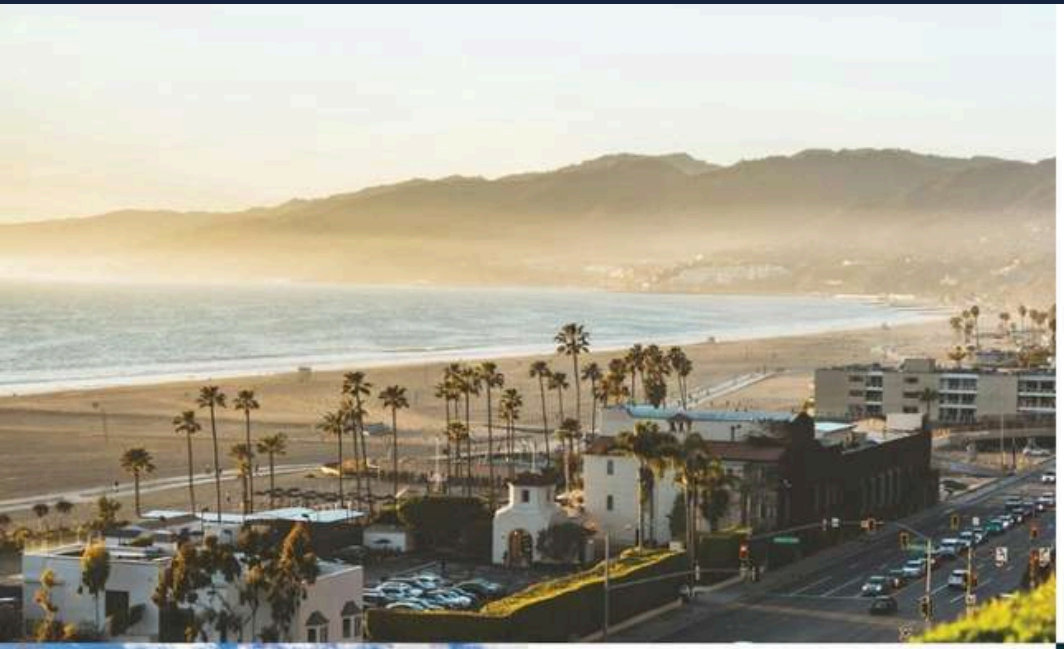

Santa Monica is a beachfront city in western Los Angeles County, California, United States. Situated on Santa Monica Bay, it is bordered on five sides by different neighborhoods of the city of Los Angeles: Pacific Palisades to the north, Brentwood on the northeast, West Los Angeles on the east, Mar Vista on the southeast, and Venice on the south. The 2010 U.S. Census population was 89,736. Due to a favorable climate and close proximity to Los Angeles, Santa Monica became a famed resort town by the early 20th century attracting many celebrities, like Marion Davies, to build magnificent beach front homes on Pacific Coast Highway (PCH).

The city has experienced a boom since the late 1980s through the revitalization of its downtown core, significant job growth and increased tourism. Popular tourists sites include Pacific Park on the Santa Monica Pier[12] and Palisades Park atop a bluff over the Pacific Ocean.

Like other coastal beach communities, coastal erosion due to coastal infrastructure and high human usage is an increasing challenge, and will become worse due to sea level rise. Santa Monica has a history of developing environmental and sustainability strategies, with the most recent focus on community-wide carbon neutrality by 2050 or sooner.

Conversion / Re-use Plans

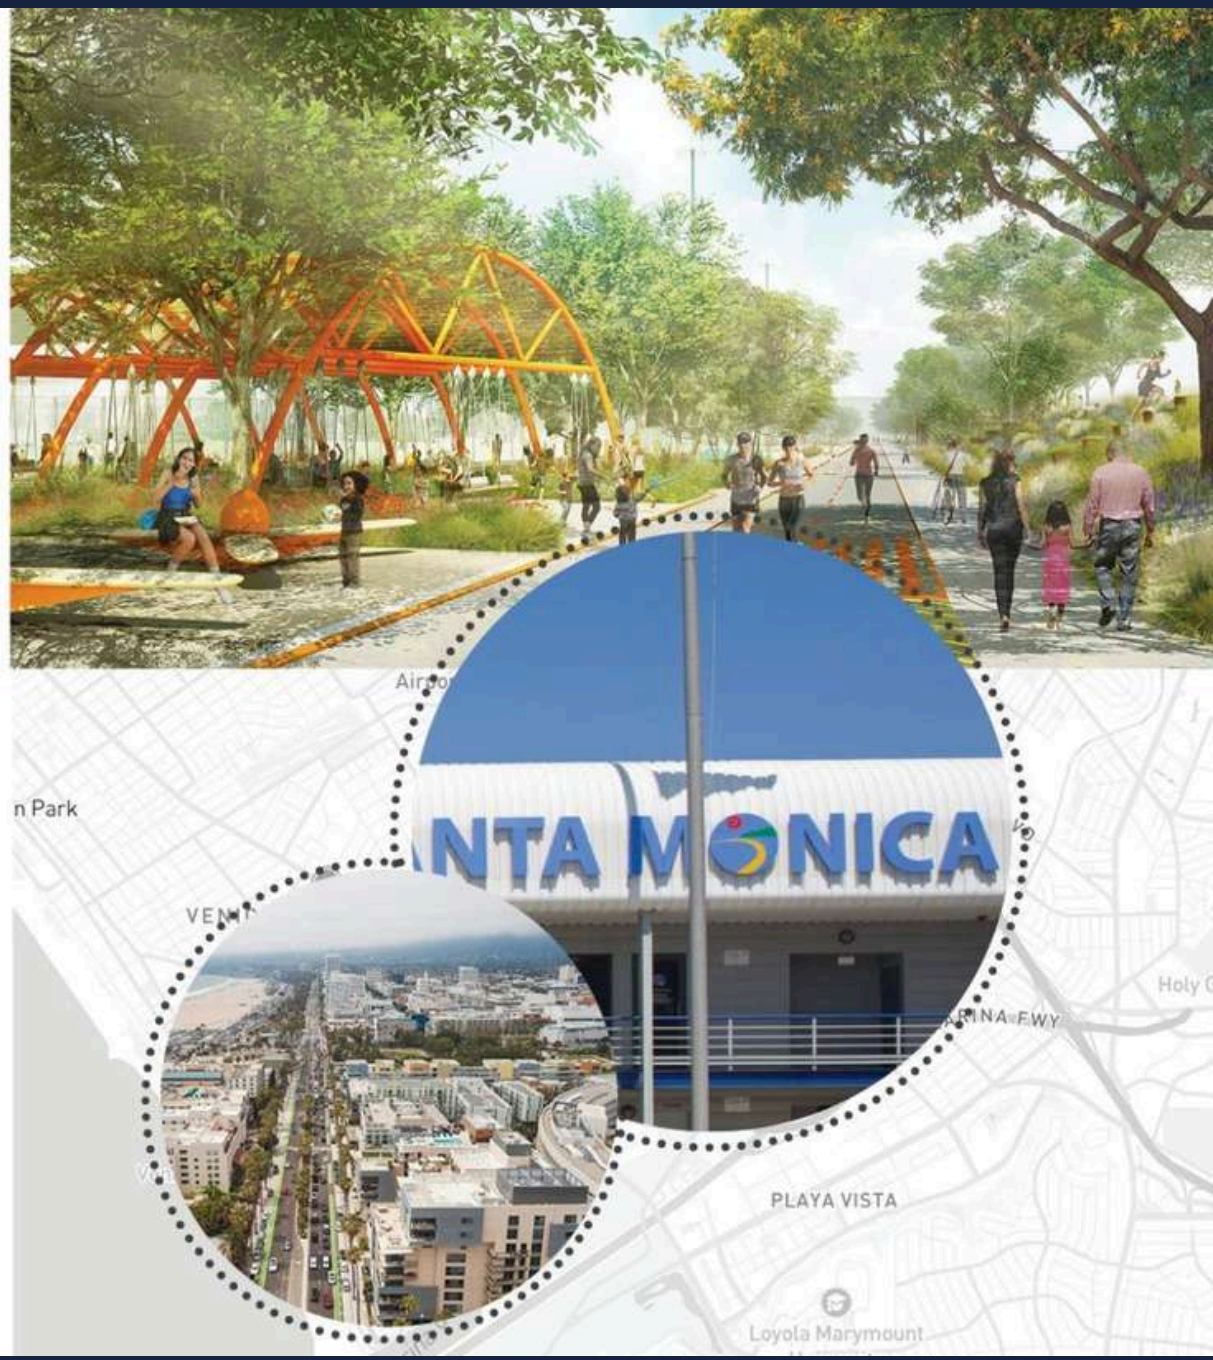

The City Council approved in Jan 2023 a process to reimagine the 227-acre Airport site for non-aviation uses after operations end Dec 31, 2028.

The site is expected to become largely public open space, recreational amenities, cultural uses, maybe some housing or commercial at the edges, depending on which scenario the City adopts.

Several design scenarios are under public review ("Reuse, Restoration & Resilience"; "Weaving Park & Community"; "Growing Park, Growing Community"). Each scenario varies in the balance among park/open space, recreation, housing/commercial development, and reuse of existing structures.

As part of the airport re-use, there is a project to expand Airport Park by about 12 acres of non-aviation land: adding sports fields (synthetic turf), a large multi-purpose lawn area, fitness amenities, children's play areas, community gardens, walking loops, etc.

The expansion is positioned at the corner of Bundy Drive and Airport Avenue.

3RD STREET PROMENADE 3.0

The Third Street Promenade is Santa Monica's premier pedestrian shopping and entertainment district, spanning three blocks in Downtown Santa Monica and anchored by Santa Monica Place. Known for its mix of retail, dining, and entertainment, the Promenade attracts millions of annual visitors and serves as a cornerstone of the city's cultural and economic vitality.

The Promenade 3.0 initiative is driving renewal through expanded tenant uses, enhanced event programming, and public realm improvements. Recent investor confidence is demonstrated by Federal Realty's $103 million portfolio sale and new mixed-use projects such as 1404-1408 Third Street, which are introducing modern retail and creative office space.

A new "Entertainment Zone" allows outdoor alcohol service along key blocks, positioning the Promenade as a leading dining and nightlife destination. Combined with over $1 billion in downtown investment and approximately 2,300 housing units in the pipeline, the district is well-positioned for long-term growth.

Located just minutes from the Promenade, the property is poised to benefit from the district's revitalization, offering tenants unmatched access to world-class retail, dining, and entertainment. This proximity enhances both rental demand and long-term investment value.
