THE OFFERING

Saxum West is pleased to present 1314 James M Wood Boulevard, a newly renovated, single-tenant reinforced brick warehouse with triangular wooden trusses in the City West district of Downtown Los Angeles — three blocks from LA Live and the Ritz-Carlton, at the junction of the 10 and 110 freeways. The Property is offered for sale at \$2,750,000 and for lease at \$1.10/SF/Mo NNN, and is delivered vacant and ready for immediate occupancy.

The ±7,250 SF freestanding building has just completed a comprehensive 2025 renovation: brand-new 600-amp electrical service, panel and meter; roof upgrades; new fire/life-safety systems; restored masonry; and secure heavy metal entry doors front and rear. A ground-level drive-in loading door off the rear alley serves an interior pony dock, and monthly parking for 15+ vehicles is available from the adjacent lot directly behind the building at an additional cost.

Zoned C2(CW)-U/1.5 within the Central City West Specific Plan, the building accommodates warehouse, commercial and medical uses (buyer/tenant to verify) — a rare single-tenant medical-office opportunity minutes from PIH Health Good Samaritan Hospital.

PROPERTY HIGHLIGHTS

01 Newly Renovated & Delivered Vacant

Comprehensive 2025 renovation — new electrical panel and meter, roof upgrades, new fire/life-safety systems and masonry work. Ready for immediate occupancy.

02 Rare Freestanding Single-Tenant Building

Reinforced brick construction with triangular wooden trusses and 14' clear height — an increasingly scarce format this close to the urban core.

03 Heavy Power

New 600-amp, 120/240V three-phase, four-wire service supports industrial, production and medical equipment loads.

04 Flexible C2 Zoning — Medical Uses Possible

C2(CW)-U/1.5 permits warehouse and commercial uses; a rare single-tenant medical-office opportunity (buyer/tenant to verify with the City).

05 GL Loading Door with Interior Pony Dock

Drive-in loading off the rear alley through a heavy metal sliding door, served by an interior pony dock.

06 Month-to-Month Parking Next Door

Up to 15+ spaces available for lease from the adjacent lot directly behind the building, month-to-month at an additional cost.

07 DTLA Adjacency, Exceptional Access

Walking distance to LA Live with immediate access to the 10 and 110 freeways; Transit Score 100.
