Dear Resident:

This is regarding a project to install a roundabout at the intersection of Crown Point Drive and La Cima Drive. Attached is a diagram showing a preliminary design of the project. The purpose of this letter is to inform you that there will be some on-street parking lost as a result of the project, which will likely include two on-street parking spaces on Crown Point Drive, and two spaces on La Cima Drive adjacent to your property.

If you have questions or concerns regarding this project, please contact me at (619) 533-3184.

Sincerely,

Gary Pence
Senior Traffic Engineer
