1.4 A continuing violation is one wherein the Board has notified the Owner that specific corrective action(s) must be taken by a specific date or within a specified number of days and the Owner has failed to take full and complete corrective action as directed by the Board.

1.5 In addition to or instead of imposing monetary penalties and/or fines, the Board may pursue other remedies described in these Rules and Regulations.

The Notice of Violation shall contain, at a minimum, the following: (i) a description on the violation; (ii) notice that the violation may result in a hearing and possibly a fine or other enforcement measures; and (iii) instructions for the owner to dispute the report of violation (record of which, if and when received by the Association, shall be attached to the Notice of Violation and made a part thereof).

15.1.2 Notice of Hearing. Should the Board determine to hold a disciplinary hearing regarding the violation described in the Notice of Violation, a written "Notice of Hearing" will be sent to the owner at least fifteen (15) days prior to the hearing and will be given either personally or by first-class mail, or by another method permitted by law, to the Owner's most recent address shown in the Association's records. The Notice of Hearing shall contain, at a minimum, the following: (i) the date, time, and place of the hearing; (ii) the nature of the alleged violation for which the Owner may be disciplined (including references to the specific provisions of the Governing Documents which are alleged to have been violated); (iii) a statement that the Owner has a right to attend and may address the Board at the hearing; and (iv) a list of disciplinary measures which may be imposed at the hearing.

15.1.3 Opportunity to Be Heard. The Owner shall have the right to send a letter, send a representative, or appear in person to present evidence as to why he/she should not be disciplined and/or did not commit the alleged violation. The Owner shall also have the right to bring an attorney with him/her to advise him/her or to speak on his/her behalf. The hearing will be held during an executive session meeting of the Board, unless the owner requests in writing to the Board prior to the hearing that the hearing be held during an open session Board meeting.

15.1.4 Rescheduled Hearings. In the event the Owner fails to appear for a hearing, the Board will review the evidence presented to date and make its decision accordingly. Upon timely, written request and for worthy cause, the accused Owner may be granted a continuance to a new hearing date. The Board is under no obligation to reschedule a hearing to accommodate an Owner's schedule.

15.1.5 Correction of Violation. In the event the violation is corrected prior to the hearing date, the Board may, if appropriate and in its sole discretion, discontinue the disciplinary proceedings.

15.1.6 Notice of Decision. Within fifteen (15) days after the hearing, the Owner will be given written notice by personal delivery or first-class mail of the Board's decision whether to impose disciplinary measures against the owner, and, if so, what disciplinary measures will be imposed, when, and, if applicable, for how long (the "Notice of Decision"). Notwithstanding the foregoing, no disciplinary action against the Owner arising from the alleged violation may take place earlier than five (5) days after the hearing.

If a member of the Board has a conflict of interest in a disciplinary matter (e.g., the Board member filed the complaint, or the complaint was filed against the Board member), that Board member may not deliberate or vote on the Board's decision whether to impose disciplinary measures with respect to that matter.

15.2 To enforce the Governing Documents, the Board may impose one or more of the remedies described below, as the Board deems appropriate and in its sole discretion. 15.2.2 Monetary penalties / fines;

15.2.3 Suspension of the right to use common area recreational facilities and amenities;

15.4 Failure by an Owner to pay any monetary penalty/fine or individual special assessment imposed within thirty (30) days of the due date thereof may result in legal action against the Owner by the Association to collect such amount. If the Association is forced to retain an attorney to ensure compliance, or collect a monetary penalty/fine or an individual special assessment, the Owner shall be liable for those attorneys' fees and costs and all related expenses, in addition to the amount of the monetary penalty/fine or individual special assessment.

15.5 Monetary penalty/fine amounts are described in Section 15 below.

15.6 In the event a Resident of a unit does not meet the requirements and qualifications for residency described in Article III of the CC&Rs, the Association shall have the right to require and seek the removal of such non-permitted resident from the Development.

15.7 In enforcing the Governing Documents against an Owner, the Association may pursue one or more remedies simultaneously. The selection of one remedy does not preclude the Association's right to pursue others.

15.8 Should the Association bring an enforcement action against an Owner and prevail in such action, the Owner shall be liable to reimburse the Association its reasonable attorneys' fees and costs incurred in such action, unless otherwise ordered by court judgment.

16. INTERNAL DISPUTE RESOLUTION

16.1 The Davis-Stirling Act provisions relating to Internal Dispute Resolution ("IDR") can be found in Sections 5900 through 5920 of the California Civil Code. This process is an informal process (often referred to as a "meet and confer") to resolve disputes between an Owner and the Association. The following IDR procedure is intended to provide a fair, reasonable and expeditious process for resolving disputes between the Association and a member involving their rights, duties and/or liabilities under the Davis-Stirling Act, the California Nonprofit Mutual Benefit Corporation Law or the governing documents of the Association. Either the Association or an Owner may invoke this IDR procedure.

16.1.1 The Association or an Owner may request the other party to meet and confer in an effort to resolve the dispute.

16.1.2 A request for IDR shall be in writing and contain a brief description of the dispute between the parties. If sent by the Association to a member of the Association, the request shall be sent by individual delivery pursuant to Civil Code Section 4040. If sent to the Association, the request shall be sent to the person designated in the Association's Annual Policy Statement to receive documents on behalf of the Association, pursuant to Civil Code Sections 4035 and 5310.

16.1.3 A member of the Association may refuse a request to meet and confer. The Association may not refuse a request to meet and confer.

16.1.4 The Association's Board of Directors shall designate one (1) or more directors to meet and confer.

16.1.5 The parties shall meet promptly at a mutually convenient time and place, explain their positions to each other, and confer in good faith in an effort to resolve the dispute.

16.1.6 The parties, at their discretion, may be assisted by an attorney or another person at their own cost.

16.1.7 If a resolution of the dispute is agreed to by the parties, the agreement shall be memorialized in writing and signed by the parties, including the Board designee(s) on behalf of the Association,

16.2 Any agreement reached under this IDR procedure shall bind the parties and be judicially enforceable if both of the following conditions are satisfied: (1) the agreement is not in conflict with law or the governing documents of the Association; and (2) the agreement is either consistent with the authority granted by the Board to its designee(s) or the agreement is ratified by the Board.

16.3 A member of the Association may not be charged a fee to participate in the IDR process.
