Chapter 92.00 Zoning Regulations

☐ § 92.08.00 **"P" professional zone.**

The "P" zone is intended to provide for the development of a professional district with necessary related retail commercial uses and other compatible facilities.

(Ord. 1294, 1988)

☐ § 92.08.01 **Uses permitted.****A. Uses Permitted.**

Buildings, structures and land shall be used and buildings and structures shall hereafter be erected, altered or enlarged only for the following uses. All uses shall be subject to the property development standards in Section 92.08.03.

1. Accessory uses customarily incident to the permitted uses and located on the same lot therewith. The following uses may be permitted subject to approval of a conditional use permit, as provided in Section 94.02.00;

2. Animal day care;

3. Animal hospitals, including kennels as an
