VISUAL ROUTE MAP

Important: Cell service may be limited or unavailable, and GPS maps routing to the property is unreliable. A visual route map is above. Save this image or pdf before traveling to the property.

From Hwy 101, take the Santa Margarita/Hwy 58 exit and head east on Hwy 58. Continue through Santa Margarita, staying left at the fork to remain on Hwy 58. Turn right onto Huer Huero Road, then right onto Horseshoe Canyon Road. At the gate, enter the access code, available from the listing agent upon request. Continue along Horseshoe Canyon Road until you reach a fence opening marked by a wooden post displaying “9107” on the left and a for-sale sign on the right. Proceed through the fence opening and keep right. Use caution—the dirt road narrows and winds along the hillside. Follow the road until you reach the mobile home and park there. The access road ends at the mobile home and is not a through road.
