

Best chance at not receiving a counter.

See seller deal points below. This is Just a Sample of Sellers Desires although you can write whatever way you would like

Come in with strongest price.

Supplied are the Termite Report, Home Inspection, Preliminary Title Report and Natural Hazard Disclosure Report-Kim at Fidelity has supplied the Prelim and NHD

Send Offers to Richard.gonzalez@compass.com then text to confirm receipt at 805-268-4407!

What is in this packet

1. **Sample** of RPA pages 1-3 of what would be an offer where the seller **may not** have to counter.
2. All reports have been supplied and property being sold as-is so write offer accordingly after reviewing all reports
3. If anything from Termite to other repairs are being asked for do so on Request for Repairs and **not** the RPA
4. Seller would like 30 day escrow
5. Good Faith Deposit to be 2% of Purchase Price
6. Seller is supplying Reports and Disclosures before opening escrow therefore would prefer an inspection period no more than 5 days.
7. Appraisal and Loan preferred to be 14 days and will allow lender a few extra days if needed but rather allow a few extra days on 14 than 17
8. RPA Page 3, Q5 or Q6, if checked will be countered out
9. The Sellers will **NOT** contribute towards closing costs. If your buyer needs closing cost have lender finance closing cost
10. **ALL Disclosures** to be signed by the buyers and **SUBMITTED WITH OFFER**
11. Escrow to be with Fidelity National Title with Kim, she has supplied NHD and Prelim
12. [REDACTED]
13. Send **Preapproval** and **proof of funds** for down payment
14. Come in with the best and highest offer as we expect multiple offer and may or may not send out counters.
15. ***Print out disclosures from MLS and have your buyers sign them and submit with your clients offer. Offers must be submitted with the disclosures! Seller has supplied Home Inspection, Termite Report, NHD Report and Prelim along with CR1 if your client is satisfied and ready to sign off**

**CALIFORNIA RESIDENTIAL PURCHASE AGREEMENT
AND JOINT ESCROW INSTRUCTIONS**
(C.A.R. FORM RPA, Revised 6/26)

Date Prepared: _____

1. OFFER:

- A. THIS IS AN OFFER FROM** _____ (“Buyer”).
- B. THE PROPERTY** to be acquired is _____ 878 Chata St, situated in
Nipomo (City), San Luis Obispo (County), California, 93444 (Zip Code),
Assessor’s Parcel No(s). 092-570-033 (“Property”).

REAL ESTATE TRANSFER DISCLOSURE STATEMENT
(CALIFORNIA CIVIL CODE §1102, ET SEQ.)
 (C.A.R. Form TDS, Revised 6/24)

☐ This property is a duplex, triplex or fourplex. A TDS is required for all units. This TDS is for ALL units (or ☐ only unit(s) _____).

THIS DISCLOSURE STATEMENT CONCERNS THE REAL PROPERTY SITUATED IN THE CITY OF Nipomo
, COUNTY OF San Luis Obispo **, STATE OF CALIFORNIA,**
DESCRIBED AS 878 Chata St.

THIS STATEMENT IS A DISCLOSURE OF THE CONDITION OF THE ABOVE DESCRIBED PROPERTY IN COMPLIANCE WITH § 1102 OF THE CIVIL CODE AS OF (DATE) 6/27/26 **. IT IS NOT A WARRANTY OF ANY KIND BY THE SELLER(S) OR ANY AGENT(S) REPRESENTING ANY PRINCIPAL(S) IN THIS TRANSACTION, AND IS NOT A SUBSTITUTE FOR ANY INSPECTIONS OR WARRANTIES THE PRINCIPAL(S) MAY WISH TO OBTAIN.**

I. COORDINATION WITH OTHER DISCLOSURE FORMS

This Real Estate Transfer Disclosure Statement is made pursuant to § 1102 of the Civil Code. Other statutes require disclosures, depending upon the details of the particular real estate transaction (for example: special study zone and purchase-money liens on residential property).

Substituted Disclosures: The following disclosures and other disclosures required by law, including the Natural Hazard Disclosure Report/Statement that may include airport annoyances, earthquake, fire, flood, or special assessment information, have or will be made in connection with this real estate transfer, and are intended to satisfy the disclosure obligations on this form, where the subject matter is the same:

- ☐ Inspection reports completed pursuant to the contract of sale or receipt for deposit.
☐ Additional inspection reports or disclosures: _____

☒ *No substituted disclosures for this transfer.*

II. SELLER'S INFORMATION

The Seller discloses the following information with the knowledge that even though this is not a warranty, prospective Buyers may rely on this information in deciding whether and on what terms to purchase the subject property. Seller hereby authorizes any agent(s) representing any principal(s) in this transaction to provide a copy of this statement to any person or entity in connection with any actual or anticipated sale of the property.

THE FOLLOWING ARE REPRESENTATIONS MADE BY THE SELLER(S) AND ARE NOT THE REPRESENTATIONS OF THE AGENT(S), IF ANY. THIS INFORMATION IS A DISCLOSURE AND IS NOT INTENDED TO BE PART OF ANY CONTRACT BETWEEN THE BUYER AND SELLER.

Seller ☒ **is** ☐ **is not** **occupying the property.**

A. The subject property has the items checked below:*

- | | | |
|---|---|--|
| ☒ Range | ☒ Public Sewer System | ☒ Water Heater: |

REAL ESTATE TRANSFER DISCLOSURE STATEMENT (TDS PAGE 1 OF 3)

Property Address: 878 Chata St, Nipomo, CA 93444 Date: _____

If this Property is a duplex, triplex, or fourplex, this TDS is for unit # _____.

B. Are you (Seller) aware of any significant defects/malfunctions in any of the following? ☐ Yes/☒ No. If yes, check appropriate space(s) below.
☐ Interior Walls ☐ Ceilings ☐ Floors ☐ Exterior Walls ☐ Insulation ☐ Roof(s) ☐ Windows ☐ Doors ☐ Foundation ☐ Slab(s)
☐ Driveways ☐ Sidewalks ☐ Walls/Fences ☐ Electrical Systems ☐ Plumbing/Sewers/Septics ☐ Other Structural Components

(Describe: _____)

If any of the above is checked, explain. (Attach additional sheets if necessary.): _____

*Installation of a listed appliance, device, or amenity is not a precondition of sale or transfer of the dwelling. The carbon monoxide device, garage door opener, or child-resistant pool barrier may not be in compliance with the safety standards relating to, respectively, carbon monoxide device standards of Chapter 8 (commencing with § 13260) of Part 2 of Division 12 of, automatic reversing device standards of Chapter 12.5 (commencing with § 19890) of Part 3 of Division 13 of, or the pool safety standards of Article 2.5 (commencing with § 115920) of Chapter 5 of Part 10 of Division 104 of, the Health and Safety Code. Window security bars may not have quick-release mechanisms in compliance with the 1995 edition of the California Building Standards Code. § 1101.4 of the Civil Code requires all single-family residences built on or before January 1, 1994, to be equipped with water-conserving plumbing fixtures after January 1, 2017. Additionally, on and after January 1, 2014, a single-family residence built on or before January 1, 1994, that is altered or improved is required to be equipped with water-conserving plumbing fixtures as a condition of final approval. Fixtures in this dwelling may not comply with § 1101.4 of the Civil Code.

C. Are you (Seller) aware of any of the following:

- Substances, materials, or products which may be an environmental hazard such as, but not limited to, asbestos, formaldehyde, radon gas, lead-based paint, mold, fuel or chemical storage tanks, and contaminated soil or water on the subject property..... ☐ Yes ☒ No
- Features of the property shared in common with adjoining landowners, such as walls, fences, and driveways, whose use or responsibility for maintenance may have an effect on the subject property..... ☒ Yes ☐ No
- Any encroachments, easements or similar matters that may affect your interest in the subject property..... ☐ Yes ☒ No
- Room additions, structural modifications, or other alterations or repairs made without necessary permits..... ☐ Yes ☒ No
- Room additions, structural modifications, or other alterations or repairs not in compliance with building codes..... ☐ Yes ☒ No

(Note to C4 and C5: If transferor acquired the property within 18 months of accepting an offer to sell it, transferor shall make additional disclosures regarding the room additions, structural modifications, or other alterations or repairs on a Seller Property Questionnaire (C.A.R. Form SPQ).)

- Fill (compacted or otherwise) on the property or any portion thereof..... ☐ Yes ☒ No
- Any settling from any cause, or slippage, sliding, or other soil problems..... ☐ Yes ☒ No
- Flooding, drainage or grading problems..... ☐ Yes ☒ No
- Major damage to the property or any of the structures from fire, earthquake, floods, or landslides..... ☐ Yes ☒ No
- Any zoning violations, nonconforming uses, violations of "setback" requirements..... ☐ Yes ☒ No
- Neighborhood noise problems or other nuisances..... ☐ Yes ☒ No
- CC&R's or other deed restrictions or obligations..... ☒ Yes ☐ No
- Homeowners' Association which has any authority over the subject property..... ☒ Yes ☐ No
- Any "common area" (facilities such as pools, tennis courts, walkways, or other areas co-owned in undivided interest with others)..... ☐ Yes ☒ No
- Any notices of abatement or citations against the property..... ☐ Yes ☒ No
- Any lawsuits by or against the Seller threatening to or affecting this real property, claims for damages by the Seller pursuant to § 910 or 914 threatening to or affecting this real property, claims for breach of warranty pursuant to § 900 threatening to or affecting this real property, or claims for breach of an enhanced protection agreement pursuant to § 903 threatening to or affecting this real property, including any lawsuits or claims for damages pursuant to § 910 or 914 alleging a defect or deficiency in this real property or "common areas" (facilities such as pools, tennis courts, walkways, or other areas co-owned in undivided interest with others)..... ☐ Yes ☒ No

If the answer to any of these is yes, explain. (Attach additional sheets if necessary.): _____

#12 there are CC&Rs

#13 Neighbors Association - only covers drainage bassin

#2 Fences are shared on all three sides

- D. 1. The Seller certifies that the property, as of the close of escrow, will be in compliance with § 13113.8 of the Health and Safety Code by having operable smoke detector(s) which are approved, listed, and installed in accordance with the State Fire Marshal's regulations and applicable local standards.
2. The Seller certifies that the property, as of the close of escrow, will be in compliance with § 19211 of the Health and Safety Code by having the water heater tank(s) braced, anchored, or strapped in place in accordance with applicable law.

Seller certifies that the information herein is true and correct to the best of the Seller's knowledge as of the date signed by the Seller.

SELLER PROPERTY QUESTIONNAIRE

(C.A.R. Form SPQ, Revised 6/26)

This form is not a substitute for the Real Estate Transfer Disclosure Statement (TDS). It is used by the Seller to provide additional information when a TDS is completed. If Seller is exempt from completing a TDS, Seller should either complete an Exempt Seller Disclosure (C.A.R. Form ESD) or use this SPQ form instead:

NOTE TO SELLER: YOU ARE STRONGLY ADVISED TO CAREFULLY REVIEW THE DISCLOSURE INFORMATION ADVISORY (C.A.R. Form DIA) BEFORE YOU COMPLETE THIS SELLER PROPERTY QUESTIONNAIRE. ALL SELLERS OF CALIFORNIA REAL PROPERTY ARE REQUIRED TO PROVIDE VARIOUS DISCLOSURES, WHETHER BY CONTRACT, STATUTE, OR CASE LAW. MANY DISCLOSURES MUST BE MADE WITHIN CERTAIN TIME LIMITS. TIMELY AND THOROUGH DISCLOSURES HELP TO REDUCE DISPUTES AND FACILITATE A SMOOTH SALES TRANSACTION.

Seller makes the following disclosures with regard to the real property or manufactured home described as 878 Chata St

, Assessor's Parcel No. 092-570-033,
situated in Nipomo, County of San Luis Obispo California ("Property").

☐ This property is a duplex, triplex or fourplex. A SPQ is required for all units. This SPQ is for ALL units (or ☐ only unit(s) _____).

1. **Disclosure Limitation:** The following are representations made by the Seller and are not the representations of the Agent(s), if any. This disclosure statement is not a warranty of any kind by the Seller or any agents(s) and is not a substitute for any inspections or warranties the principal(s) may wish to obtain. This disclosure is not intended to be part of the contract between Buyer and Seller. Unless otherwise specified in writing, Broker and any real estate licensee or other person working with or through Broker, has not verified information provided by Seller. A real estate broker is qualified to advise on real estate transactions. If Seller or Buyer desires legal advice, they should consult an attorney.

2. **Note to Seller, PURPOSE:** To tell the Buyer about known material or significant items affecting the value or desirability of the Property and help to eliminate misunderstandings about the condition of the Property.

- Answer based on actual knowledge and recollection at this time.
- Something that you do not consider material or significant may be perceived differently by a Buyer.
- Think about what you would want to know if you were buying the Property today.
- Read the questions carefully and take your time.

3. **Note to Buyer, PURPOSE:** To give you more information about known material or significant items affecting the value or desirability of the Property and help to eliminate misunderstandings about the condition of the Property.

- Something that may be material or significant to you may not be perceived the same way by the Seller.
- If something is important to you, be sure to put your concerns and questions in writing (C.A.R. Form BMI).
- Sellers can only disclose what they actually know. Seller may not know about all material or significant items.
- Seller's disclosures are not a substitute for your own investigations, personal judgments, or common sense.

4. **SELLER AWARENESS:** For each statement below, answer the question "Are you (Seller) aware of..." by checking either "Yes" or "No."

- A "Yes" answer is appropriate no matter how long ago the item being asked about happened or was documented unless otherwise specified.
- Explain any "Yes" answers in the space provided or attach additional comments and check **paragraph 19B** is checked and attach additional comments.

5. **DOCUMENTS:** Documents include any reports, inspections, disclosures, warranties, maintenance recommendations, estimates, studies, surveys, or other documents the pertain to:

- (i) the condition or repair of the Property;
- (ii) any improvement on this Property;
- (iii) easements, encroachments, or boundary disputes affecting the Property.

These documents include, but are not limited to, any document:

- (i) prepared in the past or present;
- (ii) provided during any previous transaction or from a previous owner;
- (iii) indicating the condition or proposing recommendations, whether or not Seller acted upon them; and
- (iv) whether or not it was provided to the Seller.

A. Are you (Seller) aware of any Documents regarding the Property that were prepared before your ownership, whether in your possession or in the possession of others? ☐ Yes ☒ No

B. Are you (Seller) aware of any Documents regarding the Property that were prepared for you during your ownership, whether in your possession or in the possession of others? ☐ Yes ☒ No

C. Are you (Seller) aware of any Documents regarding the Property that were provided by others during your ownership (such as Documents obtained by potential buyers)? ☐ Yes ☒ No

Note: If yes to any, provide any such documents in your possession to Buyer. Receipt for Reports (C.A.R. Form RFR) may be used to list such documents and explanation can be given to provide context.

If Yes to any, provide explanation: _____

6. STATUTORILY OR CONTRACTUALLY REQUIRED OR RELATED:

ARE YOU (SELLER) AWARE OF...

A. Within the last 3 years, the death of an occupant of the Property upon the Property..... ☐ Yes ☒ No
(Note to Seller: The manner of death may be a material fact to the Buyer, and should be disclosed, except for a death by HIV/AIDS.)

B. An Order from a government health official identifying the Property as being contaminated by methamphetamine. (If yes, attach a copy of the Order.) ☐ Yes ☒ No

Property Address: _____

878 Chata St, Nipomo, CA 93444

If this Property is a duplex, triplex, or fourplex, this SPQ is for unit # _____.

- C. The release of an illegal controlled substance on or beneath the Property ☐ Yes ☒ No
- D. Whether the Property is located in, or adjacent to, an "industrial use" zone ☐ Yes ☒ No
(In general, a zone or district allowing manufacturing, commercial or airport uses.)
- E. Whether the Property is affected by a nuisance created by an "industrial use" zone ☐ Yes ☒ No
- F. Whether the Property is located within 1 mile of a former federal or state ordnance location (In general, an area once used for military training purposes that may contain potentially explosive munitions.) ☐ Yes ☒ No
- G. Whether the Property is (i) a condominium or (ii) located in a planned unit development or (iii) other common interest subdivision (see **paragraph 14** for more disclosures) ☐ Yes ☒ No
- H. Insurance claims affecting the Property within the past 5 years ☐ Yes ☒ No
- I. Matters affecting title of the Property ☐ Yes ☒ No
- J. Plumbing fixtures on the Property that are non-compliant plumbing fixtures as defined by Civil Code § 1101.3 ☐ Yes ☒ No
- K. Any inspection reports on any exterior balconies, stairways, or other "Elevated Elements" on buildings with 3 or more units on the Property prepared within the last 6 years, or 9 years for condominiums ☐ Yes ☒ No
(See C.A.R. Form WBSA for more information)
- L. Material facts or defects affecting the Property not otherwise disclosed to Buyer ☐ Yes ☒ No
- If Yes to any, provide explanation: _____

7. REPAIRS AND ALTERATIONS:**ARE YOU (SELLER) AWARE OF...**

- A. Any alterations, modifications, replacements, improvements, remodeling, or material repairs on the Property (including those resulting from Home Warranty claims) ☐ Yes ☒ No
- B. Any alterations, modifications, replacements, improvements, remodeling, or material repairs to the Property done for the purpose of energy or water efficiency improvement or renewable energy? ☐ Yes ☒ No
- C. Ongoing or recurring maintenance on the Property (for example, drain or sewer clean-out, tree or pest control service) ☐ Yes ☒ No
- D. Any part of the Property being painted within the past 12 months ☐ Yes ☒ No
- E. Whether the Property was built before 1978 (if No, leave (1) and (2) blank) ☐ Yes ☒ No
(1) If yes, whether any renovations (i.e., sanding, cutting, demolition) of lead-based paint surfaces started or completed (if No, leave (2) blank) ☐ Yes ☐ No
(2) If yes to (1), whether such renovations were done in compliance with the Environmental Protection Agency Lead-Based Paint Renovation Rule ☐ Yes ☐ No
- F. Whether you acquired the property within 18 months of accepting an offer to sell it ☐ Yes ☒ No
If yes, have any room additions, structural modifications, or other alterations or repairs (collectively "Improvements") been performed by a contractor while you have owned the Property? ☐ Yes ☐ No
- Note 1:** If yes to F(1), Seller shall provide in the Explanation below: (i) a list of such Improvements and (ii) the name and contact information for each contractor who performed services of \$1,000 or more.
- Note 2:** If yes to F(1), Seller shall provide in the Explanation below (i) a list of those Improvements for which Seller has obtained permits, and Seller shall attach copies of those permits to this SPQ, and (ii) for those Improvements for which Seller does not have a permit, Seller shall include a statement identifying those Improvements stating that Seller was not provided permits by the third party making the Improvement, and providing the contact information for such third parties from whom the Buyer may obtain those permits.

If Yes to any, provide explanation: _____

8. STRUCTURAL, SYSTEMS AND APPLIANCES:**ARE YOU (SELLER) AWARE OF...**

AGENT VISUAL INSPECTION DISCLOSURE
(CALIFORNIA CIVIL CODE § 2079 ET SEQ.)
For use by an agent when a transfer disclosure statement is
required or when a seller is exempt from completing a TDS
(C.A.R. Form AVID, Revised 6/24)

This inspection disclosure concerns the residential property situated in the City of Nipomo,
 County of San Luis Obispo, State of California, described as 878 Chata St
 _____ ("Property").

☐ This Property is a duplex, triplex, or fourplex. An AVID is required for all units. This AVID form is for ALL units (or ☐ only unit(s) _____).

Inspection Performed By (Real Estate Broker Firm Name) Compass

California law requires, with limited exceptions, that a real estate broker or salesperson (collectively, "Agent") conduct a reasonably competent and diligent **visual** inspection of reasonably and normally accessible areas of certain properties offered for sale and then disclose to the prospective purchaser material facts affecting the value or desirability of that property that the inspection reveals. The duty applies regardless of whom that Agent represents. The duty applies to residential real properties containing one-to-four dwelling units, and manufactured homes (mobilehomes). The duty applies to a stand-alone detached dwelling (whether or not located in a subdivision or a planned development) or to an attached dwelling such as a condominium. The duty also applies to a lease with an option to purchase, a ground lease or a real property sales contract of one of those properties.

California law does not require the Agent to inspect the following:

- Areas that are not reasonably and normally accessible
- Areas off site of the property
- Public records or permits
- Common areas of planned developments, condominiums, stock cooperatives and the like.

Agent Inspection Limitations: Because the Agent's duty is limited to conducting a reasonably competent and diligent visual inspection of reasonably and normally accessible areas of only the Property being offered for sale, there are several things that the Agent will not do. What follows is a non-exclusive list of examples of limitations on the scope of the Agent's duty.

Roof and Attic: Agent will not climb onto a roof or into an attic.

Interior: Agent will not move or look under or behind furniture, pictures, wall hangings or floor coverings. Agent will not look up chimneys or into cabinets, or open locked doors.

Exterior: Agent will not inspect beneath a house or other structure on the Property, climb up or down a hillside, move or look behind plants, bushes, shrubbery and other vegetation or fences, walls or other barriers.

Appliances and Systems: Agent will not operate appliances or systems (such as, but not limited to, electrical, plumbing, pool or spa, heating, cooling, septic, sprinkler, communication, entertainment, well or water) to determine their functionality.

Size of Property or Improvements: Agent will not measure square footage of lot or improvements, or identify or locate boundary lines, easements or encroachments.

Environmental Hazards: Agent will not determine if the Property has mold, asbestos, lead or lead-based paint, radon, formaldehyde or any other hazardous substance or analyze soil or geologic condition.

Off-Property Conditions: By statute, Agent is not obligated to pull permits or inspect public records. Agent will not guarantee views or zoning, identify proposed construction or development or changes or proximity to transportation, schools, or law enforcement.

Analysis of Agent Disclosures: For any items disclosed as a result of Agent's visual inspection, or by others, Agent will not provide an analysis of or determine the cause or source of the disclosed matter, nor determine the cost of any possible repair.

What this means to you: An Agent's inspection is not intended to take the place of any other type of inspection, nor is it a substitute for a full and complete disclosure by a seller. Regardless of what the Agent's inspection reveals, or what disclosures are made by sellers, California Law specifies that a buyer has a duty to exercise reasonable care to protect himself or herself. This duty encompasses facts which are known to or within the diligent attention and observation of the buyer. Therefore, in order to determine for themselves whether or not the Property meets their needs and intended uses, as well as the cost to remedy any disclosed or discovered defect, **BUYER SHOULD: (1) REVIEW ANY DISCLOSURES OBTAINED FROM SELLER; (2) OBTAIN ADVICE ABOUT, AND INSPECTIONS OF, THE PROPERTY FROM OTHER APPROPRIATE PROFESSIONALS; AND (3) REVIEW ANY FINDINGS OF THOSE PROFESSIONALS WITH THE PERSONS WHO PREPARED THEM. IF BUYER FAILS TO DO SO, BUYER IS ACTING AGAINST THE ADVICE OF BROKER.**

If this Property is a duplex, triplex, or fourplex, this AVID is for unit # _____.

THE UNDERSIGNED, BASED ON A REASONABLY COMPETENT AND DILIGENT VISUAL INSPECTION OF THE REASONABLY AND NORMALLY ACCESSIBLE AREAS OF THE PROPERTY, STATES THE FOLLOWING:

NATURAL HAZARD DISCLOSURE STATEMENT

This statement applies to the following property: **878 CHATA ST, NIPOMO, CA, 93444-5633 APN: 092-570-033**

The seller and the seller's agent(s) or a third-party consultant disclose the following information with the knowledge that even though this is not a warranty, prospective buyers may rely on this information in deciding whether and on what terms to purchase the subject property. Seller hereby authorizes any agent(s) representing any principal(s) in this action to provide a copy of this statement to any person or entity in connection with any actual or anticipated sale of the property. The following are representations made by the seller and seller's agent (s) based on their knowledge and maps drawn by the state and federal governments. This information is a disclosure and is not intended to be part of any contract between the seller and buyer.

THIS REAL PROPERTY LIES WITHIN THE FOLLOWING HAZARDOUS AREA(S):

A SPECIAL FLOOD HAZARD AREA (Any type Zone "A" or "V") designated by the Federal Emergency Management Agency.
Yes ____ No **x** Do not know and information not available from local jurisdiction ____

AN AREA OF POTENTIAL FLOODING shown on a dam failure inundation map pursuant to Section 8589.5 of the Government Code.
Yes ____ No **x** Do not know and information not available from local jurisdiction ____

A HIGH or VERY HIGH FIRE HAZARD SEVERITY ZONE (FHSZ) as identified by the Director of Forestry and Fire Protection pursuant to Section 51178 of the Government Code or Article 9 (commencing with Section 4201) of Chapter 1 of Part 2 of Division 4 of the Public Resources Code. The owner of this property is subject to the maintenance requirements of Section 51182 of the Government Code.
Yes ____ No **x**

High FHSZ in a state responsibility area	Yes ____	No <u>x</u>
Very High FHSZ in a state responsibility area	Yes ____	No <u>x</u>
Very High FHSZ in a local responsibility area	Yes ____	No <u>x</u>

*High FHSZ in a local responsibility area Yes ____ No **x**

***Please note this severity zone identification level is provided as a supplemental disclosure to assist parties in assessing potential wildfire-related disclosure requirements. The statutory Natural Hazard Disclosure requirements of Civil Code Section 1103.2 are determined independently in accordance with the applicable law. The HIGH Local Responsibility Severity Zone is currently NOT a criteria used to determine the statutory Disclosure Hazard reporting in accordance with Civil Code 1103.2.**

A WILDLAND AREA THAT MAY CONTAIN SUBSTANTIAL FOREST FIRE RISKS AND HAZARDS pursuant to Section 4125 of the Public Resources Code. The owner of this property is subject to the maintenance requirements of Section 4291 of the Public Resources Code. Additionally, it is not the state's responsibility to provide fire protection services to any building or structure located within the wildlands unless the Department of Forestry and Fire Protection has entered into a cooperative agreement with a local agency for those purposes pursuant to Section 4142 of the Public Resources Code.
Yes ____ No **x**

AN EARTHQUAKE FAULT ZONE pursuant to Section 2622 of the Public Resources Code.
Yes ____ No **x**

A SEISMIC HAZARD ZONE pursuant to Section 2696 of the Public Resources Code.
Yes (Landslide Zone) ____ Yes (Liquefaction Zone) ____ No ____ Map not yet released by state **x**

THESE HAZARDS MAY LIMIT YOUR ABILITY TO DEVELOP THE REAL PROPERTY, TO OBTAIN INSURANCE, OR TO RECEIVE ASSISTANCE AFTER A DISASTER. THE MAPS ON WHICH THESE DISCLOSURES ARE BASED ESTIMATE WHERE NATURAL HAZARDS EXIST. THEY ARE NOT DEFINITIVE INDICATORS OF WHETHER OR NOT A PROPERTY WILL BE AFFECTED BY A NATURAL DISASTER. SELLER(S) AND BUYER(S) MAY WISH TO OBTAIN PROFESSIONAL ADVICE REGARDING THOSE HAZARDS AND OTHER HAZARDS THAT MAY AFFECT THE PROPERTY.

IMPORTANT DISCLAIMER: THE CONSOLIDATED SIGNATURE PAGES LISTED ABOVE ARE PROVIDED SOLELY FOR THE CONVENIENCE OF THE PARTIES INVOLVED IN THE REAL ESTATE TRANSACTION. PLEASE NOTE THAT THESE CONSOLIDATED SIGNATURE PAGES REPRESENT ONLY A SMALL PORTION OF THE LEGAL DOCUMENTS THAT REQUIRE SIGNATURE(S) PRIOR TO CLOSING OF THE REAL ESTATE TRANSACTION. ALL SIGNERS SHOULD CONSULT AN ATTORNEY PRIOR TO SIGNING. WITH RESPECT TO EACH DOCUMENT LISTED ABOVE, YOU ACKNOWLEDGE RECEIPT OF AND REPRESENT THAT YOU HAVE READ EACH DOCUMENT IN ITS ENTIRETY PRIOR TO EXECUTING THE ACCOMPANYING REQUIRED SIGNATURE PAGE. DISCLOSURE SOURCE NHD EXPRESSLY DISCLAIMS ANY AND ALL REPRESENTATIONS, WARRANTIES, OR GUARANTEES REGARDING THE ACCURACY AND COMPLETENESS OF THE INFORMATION CONTAINED IN THESE SIGNATURE PAGES, WHETHER SUCH DISCLAIMERS ARE EXPRESSED OR IMPLIED. FURTHERMORE, DISCLOSURE SOURCE NHD DISCLAIMS ANY AND ALL LIABILITY TO ANY INDIVIDUAL OR ENTITY FOR ANY CLAIMS ARISING FROM THE SIGNATURE PAGES REFERENCED HEREIN.

RECEIPT FOR REPORTS No. 1
(C.A.R. Form RFR, Revised 12/25)

In accordance with the terms and conditions of the Purchase Agreement OR ☐ Other _____
dated _____, on property known
as 878 Chata St, Nipomo, CA 93444 ("Property"),
between _____ ("Buyer")
and William Howard Benedict Revocable Trust ("Seller").

1. **REPORTS BEING PROVIDED:** ☐ Buyer or ☐ Seller is being provided with the following reports, documents, inspection reports, disclosures, proposals, estimates or invoices ("Reports") checked in **paragraphs 4 and 5**.
2. **REPORTS NOT VERIFIED BY BROKER OR SELLER:** Broker and Seller have not verified the representations in such Reports and make no representation themselves regarding the adequacy and completeness of such Reports or the performance of the person conducting such inspections or preparing the Reports.
3. **BUYER'S OWN INVESTIGATIONS:** Any Reports not ordered by Buyer should not be considered a substitute for Buyer obtaining their own inspections and Reports covering the same items and any other matter affecting the value or desirability of the Property.
4. **LIST OF REPORTS PROVIDED TO BUYER OR SELLER THAT WERE ORDERED FOR THIS TRANSACTION:**

Water-Conserving Plumbing Fixtures Addendum

This is an Addendum to that Purchase Agreement dated _____ by and between _____ William Howard Benedict Revocable Trust as Seller and _____ as Buyer, for the Property at 878 Chata St, Nipomo, CA 93444.

1. California law requires owners of real property built before 1994 to install water-conserving plumbing fixtures by 2017 for single-family properties, and by 2019 for all residential and commercial properties. Additionally, if any single family property built before 1994 is altered or improved after 2014 then water-conserving plumbing fixtures must be installed as a condition of final permit approval. For all other types of property built before 1994, if any improvements cost \$150,000 or more or increases total floor area by more than 10%, then water-conserving plumbing fixtures must be installed as a condition of final permit approval.

While California law does not make compliance with this statute a point-of-sale requirement, this Addendum shall establish which of the undersigned Parties shall be responsible for compliance:

☐ **SELLER RESPONSIBLE:** Seller either (a) has complied with retrofitting the Property with compliant water-conserving plumbing fixtures; or (b) prior to the close of escrow, shall pay for and retrofit all non-compliant water-conserving plumbing fixtures with compliant fixtures of quality comparable to existing fixtures.

☒ **BUYER RESPONSIBLE:** Buyer shall be responsible and pay for all expenses in retrofitting all non-compliant water-conserving plumbing fixtures with compliant fixtures after the close of escrow, or as specified in paragraph 2 below.

2. **PERMIT WORK PRIOR TO THE CLOSE OF ESCROW:** The Parties understand, acknowledge and agree that, in the event there is an agreement that the Seller will perform any repairs prior to the close of escrow that constitute alterations or improvements at the Property which requires the issuance and finalization of a permit, the governing agency will require that the Property be retrofitted with compliant water-conserving plumbing fixtures as a condition of finalizing the permit; in that event, **the Party designated above shall be responsible for the expense of such retrofitting regardless of who is paying for the work necessitating the permit.** NOTE: (a) the interpretation as to what constitutes an alteration or improvement may differ in different jurisdictions and (b) real estate licensees cannot predict what interpretation will be used at any point in time by any permit-issuing entity.

3. Real estate licensees shall not be responsible for determining the need for, and/or cost of, any required retrofit obligation and do not recommend that any work be performed without securing any and all required permits. All other terms and conditions remain unchanged.

BUYER PRELIMINARY TITLE REPORT ("PTR") ADVISORY

PROPERTY ADDRESS: 878 Chata St, Nipomo, CA 93444

As the buyer, you have or will receive a copy of a Preliminary Title Report (PTR) in the "Disclosure Package" prior to submitting a Purchase Agreement or from the Title Company after the Purchase Agreement is ratified. The PTR is one of the most important documents in the transaction because it contains information regarding recorded documents affecting the Property and its use, including but not limited to exceptions, restrictions, and easements that could affect the property, its use and future development.

It is important that you carefully review the PTR, and any related documents that you have received including copies of easements, liens, encumbrances and judgments. Most often the PTR will be delivered electronically and will include hyperlinks that, when clicked, will take you directly to those documents. It is essential that you take the time to review all documents either prior to submitting a purchase agreement or during any inspection phase of the purchase depending on how your particular transaction is structured.

If you believe you have not received copies of documents which are referenced in the PTR, you should request any and all documents and satisfy yourself as to the suitability of the property before removing any associated contingencies.

If you have any questions regarding these documents or what they mean, you will be directed to a title officer at the Title Company who may be able to assist you. If you need additional information, you should consult with a qualified California real estate attorney. Real estate agents cannot advise on the meaning or effect of such documents.

I/We acknowledge receiving this Advisory and agree and understand the importance of carefully reviewing the Preliminary Title Report and all related documents whether included with the Report or available through a hyperlink to those documents.

CALIFORNIA WATER RESTRICTIONS, SHORTAGES AND CONSERVATION ADVISORY

Buyer is advised that California is currently facing drought conditions across the state. In some areas the state, local municipalities and water districts have, or may implement, use restrictions to address water shortages. Such policies may impact the Buyer's future use, maintenance and enjoyment of the property.

The policies of local water districts and the city or county in which the Property is located have resulted in, or may in the future, result in the occurrence of any or all of the following:

- Limitations on the amount of water available to the Property
- Restrictions on the use of water
- Increasingly graduated cost per unit of water use, including, but not limited to, penalties for excess usage

Broker strongly recommends that Buyer contact the supplier of water to the Property regarding the supplier's current or anticipated policies on water usage and to determine the extent to which those policies may affect Buyer's intended use of the Property.

If the Property is serviced by a private well, Buyer is advised that drought conditions and/or a low water table may make it necessary to arrange, through a private supplier, for delivery of water to the Property. Buyers should contact water truck companies for the costs involved. Brokers do not have expertise in this area.

I acknowledge receipt of and I have carefully read this Advisory:

STATEWIDE BUYER AND SELLER ADVISORY
(This Form Does Not Replace Local Condition Disclosures.
Additional Advisories or Disclosures May Be Attached)
 (C.A.R. Form SBSA, Revised 6/26)

BUYER RIGHTS AND DUTIES:

- The physical condition of the land and improvements being purchased are not guaranteed by Seller or Brokers.
- You should conduct thorough investigations of the Property both personally and with appropriate professionals.
- If professionals recommend further inspections, you should contact qualified experts to conduct such inspections.
- You should retain your own professionals even if Seller or Broker provided you with existing reports.
- You should read all written reports given to you and discuss those reports with the persons who prepared them. It is possible that different reports provided to you will contain conflicting information. If there are discrepancies between reports, disclosures, or other information, you are responsible for contacting appropriate professionals to confirm the accuracy or correctness of the reports, disclosures, or information.
- You have the right to request that the Seller make repairs or corrections or take other actions based on inspections or disclosures, but the Seller is not obligated to respond to you or to make any such repairs, corrections, or other requested actions.
- If the Seller is unwilling or unable to satisfy your requests, and you act within certain time periods, you may have the right to cancel the Agreement (the Purchase Agreement and any Counter Offer and Addenda together are the "Agreement"). If you cancel outside of these periods, you may be in breach of the Agreement, and your deposit might be at risk.

YOU ARE STRONGLY ADVISED TO INVESTIGATE THE CONDITION AND SUITABILITY OF ALL ASPECTS OF THE PROPERTY. IF YOU DO NOT DO SO, YOU ARE ACTING AGAINST THE ADVICE OF BROKERS.

SELLER RIGHTS AND DUTIES:

- You have a duty to disclose material facts known to you that affect the value or desirability of the Property.
- You are obligated to make the Property available to the Buyer and have utilities on for inspections as allowed by the Agreement.
- This form is not a substitute for completing a Real Estate Transfer Disclosure Statement, if required, and any other property-specific questionnaires or disclosures.

BROKER RIGHTS AND DUTIES:

- Brokers do not have expertise in all areas and matters affecting the Property or your evaluation of it.
- For most sales of residential properties with no more than four units, Brokers have a duty to make a reasonably competent and diligent visual inspection of the accessible areas of the Property and disclose to you material facts or defects that the inspection reveals.
- Many defects and conditions may not be discoverable by a Broker's visual inspection.
- If Brokers give a referral to another professional, Brokers do not guarantee that person's performance. You may select any professional of your own choosing.
- If a Broker gives you reports or other documents, unless otherwise specified, it is possible that different reports provided to you contain conflicting information. Broker has not and will not verify or otherwise investigate the information contained therein.
- Any written agreement between a Broker and either Buyer or Seller or both establishes the rights and responsibilities of those parties.

LEGAL, TAX AND CONTRACT CONSIDERATIONS FOR BOTH BUYER AND SELLER:

- You are advised to seek legal, tax, and other assistance from appropriate professionals in order to fully understand the implications of any documents or actions during the transaction. You should contact a CPA or tax attorney to determine (i) the basis of the property for income tax purposes; and (ii) any calculations necessary to determine if a sale, and what price, would result in any capital gains taxes that may need to be reported to State and Federal taxing agencies. In addition, you should consult with the CPA or tax attorney regarding what factors affect how the property tax basis is determined. If you are doing a 1031 exchange, you are advised to contact an exchange accommodator to discuss the proper method and timing of the exchange.
- The terms of the Agreement and any counter offers and addenda establish your rights and responsibilities to each other.

A. Investigation of Physical Conditions

A1. EASEMENTS, ACCESS AND ENCROACHMENTS: Buyer and Seller are advised that confirming the exact location of easements, shared or private driveways, or roadways, and encroachments on or to the Property may be possible only by conducting a survey. There may be unrecorded easements, access rights, encroachments, and other agreements affecting the Property that may not be disclosed by a survey. Representations regarding these items that are made in a Multiple Listing Service or advertisements, or plotted by a title company, are often approximations, or are based upon inaccurate or incomplete records. Unless otherwise specified by Broker in writing, Brokers have not verified any such matters or any representations made by Seller(s) or others. If Buyer wants further information, Buyer is advised, and Broker(s) recommend, that Buyer hire a licensed surveyor during Buyer's investigation contingency period. Brokers do not have expertise in this area.

- A2. ENVIRONMENTAL HAZARDS:** Buyer and Seller are advised that the presence of certain kinds of organisms, toxins, and contaminants, including, but not limited to, mold (airborne, toxic, or otherwise), fungi, mildew, lead-based paint and other lead contamination, asbestos, formaldehyde, radon, PCBs, methane, other gases, fuel oil or chemical storage tanks, contaminated soil or water, hazardous waste, waste disposal sites, electromagnetic fields, nuclear sources, urea formaldehyde, or other materials may adversely affect the Property and the health of individuals who live on or work at the property as well as pets. Some municipalities may impose additional requirements regarding underground storage tanks, which may be more common in certain areas and cities throughout the State, especially where there are larger, older homes built before 1935. It is possible that these tanks, either now or in the future, may require inspections or abatement. If Buyer wants further information, Buyer is advised, and Broker(s) recommends, that Buyer have the Property inspected for the existence of such conditions and organisms, and conditions that may lead to their formation. Not all inspectors are licensed, and licenses are not available for all types of inspection activities. Buyer is also advised to consult with appropriate experts regarding this topic during Buyer's investigation contingency period. Broker recommends that Buyer and Seller read the booklets titled, "Residential Environmental Hazards: A Guide for Homeowners, Homebuyers, Landlords and Tenants," and "Protect Your Family From Lead In Your Home." Brokers do not have expertise in this area.
- A3. FORMALDEHYDE:** Formaldehyde is a substance known to the State of California to cause cancer. Exposure to formaldehyde may be caused by materials used in the construction of homes. The United States Environmental Protection Agency, the California Air Resources Board, and other agencies have measured the presence of formaldehyde in the indoor air of select homes in California. Levels of formaldehyde that present a significant cancer risk have been measured in most homes that were tested. Formaldehyde is present in the air because it is emitted by a variety of building materials and home products used in construction. The materials include carpeting, pressed wood products, insulation, plastics, and glues. Most homes that have been tested elsewhere do contain formaldehyde, although the concentrations vary from home to home with no obvious explanation for the differences. One of the problems is that many suppliers of building materials and home products do not provide information on chemical ingredients to builders. Buyers may have further questions about these issues. Buyer is advised to consult with appropriate experts regarding this topic during Buyer's investigation contingency period. Broker(s) recommend that Buyer and Seller read the booklet titled "Residential Environmental Hazards: A Guide for Homeowners, Homebuyers, Landlords and Tenants." Brokers do not have expertise in this area.
- A4. GEOLOGIC HAZARDS:** Buyer and Seller are advised that California has experienced earthquakes in the past, and there is always a potential of future earthquakes. Damage caused by an earthquake may not be discoverable by a visual inspection of Buyer(s) or Broker(s). Inspection by a licensed, qualified professional is strongly recommended to determine the structural integrity and safety of all structures and improvements on the Property. If the Property is a condominium, or is located in a planned unit development or in a common interest subdivision, Buyer is advised to contact the homeowners association about earthquake repairs and retrofit work and the possibility of an increased or special assessment to defray the costs of earthquake repairs or retrofit work. Buyer is encouraged to obtain and read the booklet entitled, "The Homeowner's Guide to Earthquake Safety." In most cases, a questionnaire within the booklet must be completed by Seller and the entire booklet given to the Buyer if the Property was built prior to 1960. If the Property was built before 1975, and if it contains structures constructed of masonry or precast (tilt up) concrete walls, with wood frame floors or roof, or if the building has unreinforced masonry walls, then Seller must provide Buyer a pamphlet entitled "The Commercial Property Owner's Guide to Earthquake Safety." Many areas have a wide range of geological problems and numerous studies have been made of these conditions. Some of this information is available for public review at city and county planning departments. Buyer is encouraged to review the public maps and reports and/or obtain a geologist's inspection report. Buyer may be able to obtain earthquake insurance to protect their interest in the Property. Sellers who agree to provide financing should also consider requiring Buyers to obtain such insurance naming Seller(s) as insured lien holder(s). Brokers do not have expertise in this area.
- A5. INSPECTIONS:** Buyer and Seller are advised that Buyer has the right to obtain various inspections of the Property under most residential purchase agreements. Buyer is advised to have the Property inspected by a professional property inspection service during Buyer's inspection contingency period. A licensed building contractor or other professional may perform these services. The inspector generally does not look behind walls or under carpets and does not take equipment apart. Certain items on the Property, such as chimneys and spark arresters, plumbing, heating, air conditioning, electrical wiring, pool and spa, septic system, well, roof, foundation, and structural items, may need to be inspected by another professional, such as a chimney sweep, plumber, electrician, pool and spa service, septic or well company, or roofer. A general physical inspection typically will not test for mold, wood destroying pests, lead-based paint, radon, asbestos and other environmental hazards, geologic conditions, age, remaining useful life or water-tightness of roof, cracks, leaks, or operational problems associated with a pool or spa or connection of the Property to a sewer system. If Buyer wants further information on any aspect of the Property, Broker recommends that Buyer have a discussion with the professional property inspector and that Buyer hire an appropriate professional to address Buyer's area of concern. Brokers do not verify the results of any such inspection or guarantee the performance of any such inspector or service. Any election by Buyer to waive the right to a physical inspection of the Property, or to rely on someone other than an appropriate professional, is against the advice of Brokers. Not all inspectors are licensed, and licenses are not available for all types of inspection activities. Brokers do not have expertise in these areas.
- A6. MOLD:** Buyer and Seller are advised that the presence of certain kinds of mold, fungi, mildew, and other organisms, sometimes referred to as "toxic mold" (collectively "Mold"), may adversely affect the Property and the health of individuals who live on or work at the Property as well as pets. Mold does not affect all people the same way, and it may not affect some people at all. Mold may be caused by water leaks or other sources of moisture such as, but not

limited to, flooding, and leaks in windows, pipes, and roofing. Seller is advised to disclose the existence of any such conditions of which he or she is aware. Buyer should carefully review all of Seller's disclosures for any indication that any of these conditions exist. It is, however, possible that Mold may be hidden and that Seller is completely unaware of its existence. In addition, Mold is often undetectable from a visual inspection, a professional general property inspection, and even a structural pest control inspection. If Buyer wants further information, Broker recommends that Buyer have the Property tested for Mold by an environmental hygienist or other appropriate professional during Buyer's inspection contingency period. Not all inspectors are licensed, and licenses are not available for all types of inspection activities. Brokers do not have expertise in this area.

- A7. PETS AND ANIMALS:** Buyer and Seller are advised that the current or previous owner(s) may have had domesticated or other pets and animals at the Property. Odors from animal urine or other contamination may be dormant for long periods of time and then become active because of heat, humidity, or other factors, and they might not be eliminated by cleaning or replacing carpets or other cleaning methods. Pet urine and feces can also damage hardwood floors and other floor coverings. Additionally, an animal may have introduced fleas, ticks, and other pests that remain on the Property after the animal has been removed. If Buyer wants further information, Broker(s) recommend that Buyer discuss the issue with an appropriate professional during Buyer's inspection contingency period. Brokers do not have expertise in this area.
- A8. SEPTIC SYSTEMS:** Buyer and Seller are advised that a Property may be served by one or more septic systems even though adjoining properties are connected to a sewer line. Buyer and Seller are also advised that some septic tanks and systems may have been abandoned or may have leaked into ground water sources. Buyer is advised to contact the appropriate government agency to verify that the Property is connected to a sewer or is served by a septic system. If the Property is served by a septic system, it may consist of a septic tank, cesspool, pits, leach lines, or a combination of such mechanisms (collectively "System"). No representation or warranty is made by Seller or Broker concerning the condition, operability, size, capacity, or future expansion of a System, nor whether a System is adequate for use by the intended occupants of the Property. A change in the number of occupants or the quantity, composition, or methods of depositing waste may affect the efficiency of the System. In addition, the amount of rainfall and ground water table may also affect the efficiency of the System. Many factors including, but not limited to, natural forces, age, deterioration of materials, and the load imposed on a System can cause the System to fail at any time. Broker recommends that Buyer obtain an independent evaluation of any System by a qualified sanitation professional during Buyer's inspection contingency period. Buyer should consult with their sanitation professional to determine if their report includes the tank only, or other additional components of the System such as pits and leach fields. Not all inspectors are licensed and licenses are not available for all types of inspection activities. In some cases, Buyer's lender as well as local government agencies may require System inspection. System-related maintenance costs may include, but not be limited to, locating, pumping, or providing outlets to ground level. Brokers are unable to advise Buyer or Seller regarding System-related issues or associated costs, which may be significant. If Buyer and Seller agree to obtain a System inspection, Buyer and Seller are cautioned that the inspection cost may include, but not be limited to, the costs of locating, pumping, or providing outlets to ground level. Brokers do not have expertise in this area.
- A9. SOIL AND GEOLOGIC CONDITIONS:** Buyer and Seller are advised that real estate in California is subject to settling, slippage, contraction, expansion, erosion, subsidence, earthquakes, and other land movement. The Property may be constructed on fill or improperly compacted soil and may have inadequate drainage capability. Any of these matters can cause structural problems to improvements on the Property. Civil or geo-technical engineers are best suited to evaluate soil stability, grading, drainage, and other soil conditions. Additionally, the Property may contain known or unknown mines, mills, caves, or wells. If Buyer wants further information, Broker recommends that Buyer hire an appropriate professional. Not all inspectors are licensed, and licenses are not available for all types of inspections. Brokers do not have expertise in this area.
- A10. SQUARE FOOTAGE, LOT SIZE, BOUNDARIES AND SURVEYS:** Buyer and Seller are advised that only an appraiser or land surveyor, as applicable, can reliably confirm square footage, lot size, Property corners, and exact boundaries of the Property. Representations regarding these items that are made in a Multiple Listing Service, advertisements, and from property tax assessor records are often approximations or are based upon inaccurate or incomplete records. Fences, hedges, walls, or other barriers may not represent actual boundary lines. Unless otherwise specified by Broker in writing, Brokers have not verified any such boundary lines or any representations made by Seller or others concerning square footage, lot size, Property corners, or exact boundaries. Standard title insurance does not insure the boundaries of the Property. If the exact square footage or lot size or location of Property corners or boundaries is an important consideration in Buyer's decision to purchase the Property and/or how much Buyer is willing to pay for the Property, then Buyer must independently conduct Buyer's own investigation through appropriate professionals, appraisers, or licensed surveyors and should rely solely on their data, recognizing that all measurements may not be consistent and that different sources may have different size assessments. Brokers do not have expertise in this area.
- A11. WATER INTRUSION:** Buyer and Seller are advised that many homes suffer from water intrusion or leakage. The causes of water intrusion are varied and can include defective construction, faulty grading, deterioration of building materials, and absence of waterproof barriers. Water intrusion can cause serious damage to the Property. This damage can consist of wood rot, mold, mildew, and even damage to the structural integrity of the Property. The cost of repairing and remediating water intrusion damage and its causes can be very significant. The existence and cause of water intrusion is often difficult to detect. Even if you, your Broker, or a general home inspector cannot visually observe any effects of water intrusion, Buyer and Seller should not assume that such intrusion does not exist. Broker recommends that Buyer have the Property inspected for water intrusion by an appropriate professional. Brokers do not have expertise in this area.

A12. WELL AND WATER SYSTEM(S): Buyer and Seller are advised that the Property may be served by one or more water wells, springs, or private community or public water systems. Any of these private or public water systems may contain bacteria, chemicals, minerals and metals, such as chromium. Well(s) may have been abandoned on the Property. Buyer is advised to have both the quality and the quantity of water evaluated, and to obtain an analysis of the quality of any domestic and agricultural water in use, or to be used at the Property, from whatever source. Water quality tests can include not only tests for bacteria, such as coliform, but also tests for organic and inorganic chemicals, metals, mineral content, and gross alpha testing for radioactivity. Broker recommends that Buyer consult with a licensed, qualified well and pump company and local government agency to determine whether any well/spring or water system will adequately serve Buyer's intended use and that Buyer have a well consultant perform an extended well output test for this purpose. Water well or spring capacity, quantity output and quality may change at any time. There are no guarantees as to the future water quality, quantity or duration of any well or spring. If Buyer wants further information, Broker(s) recommend that Buyer obtain an inspection of the condition, age, adequacy and performance of all components of the well/spring and any water system during Buyer's investigation contingency period. Brokers do not have expertise in this area.

A13. WOOD DESTROYING PESTS: Buyer and Seller are advised that the presence of, or conditions likely to lead to the presence of, infestation or infection of wood destroying pests and organisms may adversely affect the Property. Inspection reports covering these items can be separated into two sections: Section 1 identifies areas where infestation or infection is evident. Section 2 identifies areas where there are conditions likely to lead to infestation or infection. If Buyer wants further information, Buyer is advised and Broker recommends that Buyer have the Property inspected for the existence of such conditions and organisms, and conditions that may lead to their formation, by a registered structural pest control company during Buyer's investigation contingency period. Brokers do not have expertise in this area.

A14. FIRE HARDENING, DEFENSIBLE SPACE, AND WILDFIRE DISASTERS: California experiences wildfires that damage and destroy many properties. Several recent state laws have mandated disclosures by sellers when selling properties in certain identified zones, such as "high" or "very high" fire severity zones. Additionally, state law may require sellers to provide buyers with statements of compliance with local mandates if adopted by local agencies, or alternatively may require buyers to obtain statements of compliance after close of escrow. The Property may be located in a high or very high fire severity zone. This may impact the availability of insurance and the ability to build or rebuild structures on the Property. Additionally, there may be requirements that certain fire prevention steps may be mandated. Information on fire hardening, including current building standards and information on minimum annual vegetation management standards to protect homes from wildfires, can be obtained on the internet website <http://www.readyforwildfire.org>.

Cal Fire has made available a "Fire Hazard Severity Zone Viewer" where you can input the Property address and determine which fire hazard zone, if any, that the Property is located in. The viewer is available at <https://egis.fire.ca.gov/FHSZ/>.

Below is a non-exhaustive list of potential resources provided as a starting point for Buyer/Lessee investigations and not as an endorsement or guarantee that any federal, state, county, city, or other resource will provide complete advice

- A. California Department of Insurance ("Wildfire Resource") <http://insurance.ca.gov/01-consumers/140-catastrophes/WildfireResources.cfm>; 1-800-927-4357
- B. Governor's Office of Emergency Services ("Cal OES") California Wildfires Statewide Recovery Resources <http://wildfirerecovery.org/>
- C. California Department of Forestry and Fire ("Cal Fire") <http://fire.ca.gov/> and <https://www.readyforwildfire.org/>
- D. California Department of Transportation <https://calsta.ca.gov/>
- E. California Attorney General <https://oag.ca.gov/consumers/pricgougingduringdisasters#8C1>

Brokers do not have expertise in this area.

A15. PRELIMINARY (TITLE) REPORT: A preliminary report is a document prepared by a title company which shows the conditions upon which the title company is willing to offer a policy of title insurance. However, a preliminary report is not an "abstract of title;" the title company does not conduct an exhaustive search of the title record and does not guarantee the condition of title. Nevertheless, the preliminary report documents many matters that have been recorded that can impact an owner's use of the property such as known easements, access rights, and encroachments and, if applicable, governing documents and restrictions for a homeowners' association (HOA). Among many other restrictions that may appear in the HOA documents are restrictions on the number and weight of pets that are allowed. A preliminary report may contain links to important documents referred to in the report. Broker recommends that Buyer review the preliminary report and any documents referenced by links and keep a printed or electronic copy of the preliminary report and documents referenced by link. Brokers also recommend that Buyer hire a qualified California real estate attorney to address any questions or concerns Buyer may have regarding title, the preliminary title report, or any matters addressed in this paragraph. Brokers do not have expertise in this area.

B. Property Use and Ownership

B1. ACCESSORY DWELLING UNITS: Accessory Dwelling Units (ADUs) are known by many names: granny flats, in-law units, backyard cottages, secondary units, and more. California has passed laws to promote the development of ADUs. Additional information about ADUs can be found at <http://hcd.ca.gov/policy-research/AccessoryDwellingUnits.shtml>. Buyer is advised to check with appropriate government agencies or third party professionals to verify permits and legal requirements and the effect of such requirements on current and future use and rentability of the Property, its development and size. Brokers do not have expertise in this area.

- B2. BUILDING PERMITS, ZONING AND CODE COMPLIANCE:** Buyer and Seller are advised that any structure on the Property, including the original structure and any addition, modification, remodel, or improvement, may have been built without permits, not according to building codes, or in violation of zoning laws. Further, even if such structure was built according to the then-existing code or zoning requirement, it may not be in compliance with current building standards or local zoning. It is also possible that local law may not permit structures that now exist to be rebuilt in the event of damage or destruction. Certain governmental agencies may require periodic inspections to occur in the future. If Buyer wants further information, Broker(s) recommend that Buyer discuss the issue with an appropriate professional during Buyer's inspection contingency period. Brokers do not have expertise in this area.
- B3. BUYER INTENDED FUTURE USE OF, AND MODIFICATIONS TO, THE PROPERTY:** Buyer and Seller are advised that Seller's existing use of the Property may not be consistent with Buyer's intended use or any future use that Buyer makes of the Property, whether or not Buyer has any current plans to change the use. Buyer is advised to check with appropriate government agencies or third-party professionals to verify what legal requirements are needed to accommodate any change in use. In addition, neither Seller nor Broker make any representations as to what modifications Buyer can make to the Property after close of escrow as well as any cost factors associated with any such modifications. Buyer is advised to check with Buyer's own licensed contractor and other such professionals as well as with the appropriate government agencies to determine what modifications Buyer will be allowed to make after close of escrow. Brokers do not have expertise in this area.
- B4. CALIFORNIA FAIR PLAN:** Buyer and Seller are advised that insurance for certain hillside, oceanfront, and brush properties may be available only from the California Fair Plan. This may increase the cost of insurance for such properties, and coverage may be limited. Broker(s) recommend that Buyer consult with Buyer's own insurance agent during Buyer's inspection contingency period regarding the availability of coverage under the California Fair Plan and the length of time it may take for processing of a California Fair Plan application. Brokers do not have expertise in this area.
- B5. FUTURE REPAIRS, REPLACEMENTS AND REMODELS:** Buyer and Seller are advised that replacement or repairs of certain systems or rebuilding or remodeling of all or a portion of the Property may trigger requirements that homeowners comply with laws and regulations that either come into effect after Close of Escrow or are not required to be complied with until the replacement, repair, rebuild or remodel has occurred. Permit or code requirements or building standards may change after Close of Escrow, resulting in increasing costs to repair existing features. If Buyer wants further information, Broker recommends that Buyer discuss the issue with an appropriate professional during Buyer's inspection contingency period. Brokers do not have expertise in this area.
- B6. HEATING VENTILATING AND AIR CONDITIONING SYSTEMS:** Changes to state and federal energy efficiency regulations impact the installation, replacement and some repairs of heating and air conditioning units (HVAC): **(i)** Federal regulations now require manufacturers of HVAC units to produce only units meeting a new higher Seasonal Energy Efficiency Rating (SEER). This will likely impact repairs and replacements of existing HVAC units. State regulations now require that when installing or replacing HVAC units, with some exceptions, duct work must be tested for leaks. Duct work leaking more than 15 percent must be repaired to reduce leaks. The average existing duct work typically leaks 30 percent. More information is available at the California Energy Commission's website: <https://www.energy.ca.gov/programs-and-topics/programs/home-energy-rating-system-hers-program>. Home warranty policies may not cover such inspections or repairs, **(ii)** the phase out of the use of HCFC-22 (R-22 Freon) will have an impact on repairs and replacement of existing air conditioning units and heat pumps. The production and import of HCFC-22 ended January 1, 2020. Existing systems may continue to be used and HCFC-22 recovered and reclaimed or that was produced prior to 2020 can help meet the needs of existing systems, however, costs may rise. More information is available from the Environmental Protection Agency at [https://www.epa.gov/sites/production/files/2018-08/documents/residential air conditioning and the phaseout of hcfc-22_what_you_need_to_know.pdf](https://www.epa.gov/sites/production/files/2018-08/documents/residential_air_conditioning_and_the_phaseout_of_hcfc-22_what_you_need_to_know.pdf) and <http://www.epa.gov/ozone/title6/phaseout/22phaseout.html>, and **(iii)** New efficiency standards are also in place for water heaters. As a consequence, replacement water heaters will generally be larger than existing units and may not fit in the existing space. Additional venting and other modifications may be required as well. More information is available from the U.S. Department of Energy at http://www.eere.energy.gov/buildings/appliance_standards/product.aspx/productid/27. If Buyer wants further information, Broker recommends that Buyer discuss the issue with an appropriate professional during Buyer's investigation contingency period. Brokers do not have expertise in this area.
- B7. HISTORICAL DESIGNATION, COASTAL COMMISSION, ARCHITECTURAL, LANDSCAPE, AGRICULTURAL OR OPEN SPACE AND OTHER RESTRICTIONS ON BUILDINGS OR IMPROVEMENTS:** Buyer and Seller are advised that the Property may be: **(i)** designated as a historical landmark, **(ii)** protected by a historical conservancy, **(iii)** subject to an architectural or landscaping review process, **(iv)** within the jurisdiction of the California Coastal Commission or other government agency, or **(v)** subject to a contract preserving use of all or part of the Property for agriculture or open space. If the Property is so designated or within the jurisdiction of any such, or similar, government agency, then there may be restrictions or requirements regarding Buyer's ability to develop, remove or trim trees or other landscaping, remodel, make improvements to and build on or rebuild the Property. Broker(s) recommend that Buyer satisfy him/herself during Buyer's investigation contingency period if any of these issues are of concern to Buyer. Brokers do not have expertise in this area.
- B8. INSURANCE, TITLE INSURANCE AND TITLE INSURANCE AFTER FORECLOSURE:** Buyer and Seller are advised that Buyer may have difficulty obtaining insurance regarding the Property if there has been a prior insurance claim affecting the Property or made by Buyer but unrelated to the Property. Seller is required by C.A.R. Form RPA to disclose known insurance claims made during the past five years (C.A.R. Form SPQ or ESD). Sellers may not be aware of claims prior to their ownership. If Buyer wants further information, Broker(s) recommend that, during Buyer's inspection contingency period, Buyer conduct Buyer's own investigation for past claims. Buyer may need to obtain Seller's consent in order to have access to certain investigation reports. If the Property is a condominium or is located

in a planned unit development or other common interest subdivision, Buyer and Seller are advised to determine if the individual unit is covered by the Homeowner's Association Insurance and the type of insurance coverage that Buyer may purchase. Broker(s) recommend that Buyer consult Buyer's insurance agents during Buyer's inspection contingency period to determine the need, availability, and possibility of securing any and all forms of other insurance or coverage or any conditions imposed by insurer as a requirement of issuing insurance. Whether Buyer does any repairs to the Property during the escrow period, or Buyer takes possession prior to Close of Escrow, or Seller remains in possession after Close of Escrow, whether for a limited or extended period of time, Broker(s) recommend that Buyer and Seller each consult with their own insurance agent regarding insurance coverage that could protect them in the transaction (including but not limited to: personal property, flood, earthquake, umbrella and renter's). Buyer and Seller are advised that traditional title insurance generally protects Buyer's title acquired through the sale of the Property. While all title insurance policies contain exclusions, as do all insurance policies, some title insurance policies contain exclusions for any liability arising from a previous foreclosure. This can occur when a short sale has occurred but the lender has mistakenly also proceeded with a foreclosure. Buyer is strongly advised to consult with a title insurer to satisfy themselves that the policy to be provided adequately protects their title to the Property against other possible claimants. Brokers do not have expertise in this area.

B9. LAND LEASE: Buyer and Seller are advised that certain developments are built on leased land. This means that: **(i)** Seller does not own the land, and unless Buyer has an agreement with the land owner, Buyer will not own the land upon close of escrow; **(ii)** the right to occupy the land will terminate at some point in time, **(iii)** the cost to lease the land may increase at some point in the future, and **(iv)** Buyer may not be able to obtain title insurance or may have to obtain a different type of title insurance. If Buyer wants further information, Broker recommends that Buyer discuss the issue with an attorney or other appropriate professional. Brokers do not have expertise in this area.

B10. MARIJUANA, CANNABIS, AND METHAMPHETAMINE LABS: Buyer and Seller are advised that California law permits individual patients to cultivate, possess, and use marijuana for medical purposes. Furthermore, California law permits primary caregivers, lawfully organized cooperatives, and collectives to cultivate, distribute, and possess marijuana for medicinal purposes. California law also allows recreational use of marijuana for adults, as well as limited rights for individuals to grow and cultivate marijuana, and rights of others, subject to a licensing process, to grow, cultivate and distribute marijuana for recreational use. California's medical and recreational marijuana laws are in direct conflict with federal law, which recognizes no lawful use for marijuana and has no exemptions for medical use. Federal criminal penalties, some of which mandate prison time, remain in effect for the possession, cultivation, and distribution of marijuana. Buyer and Seller are strongly advised to seek legal counsel as to the legal risks and issues surrounding owning or purchasing a Property where medical or any other marijuana activity is taking place. Marijuana storage, cultivation, and processing carry the risk of causing mold, fungus or moisture damage to a Property; additionally, some properties where marijuana has been cultivated have had alterations to the structure or the electrical system which may not have been done to code or with permits and may affect the safety of the structure or the safe operation of the electrical system. Buyer is strongly advised to retain an environmental hygienist contractor and other appropriate professionals to inspect a Property where medical or any other marijuana activity has taken place. Broker recommends that Buyer and Seller involved with a Property where there is medical marijuana activity or where it may take place review the California Attorney General's Guidelines for the "Security and Non-Diversion of Marijuana Grown for Medical Use" (<https://oag.ca.gov/system/files/attachments/press-docs/MEDICINAL%20CANNABIS%20Guidelines.pdf>) and the U.S. Department of Justice memo regarding marijuana prosecutions at <https://www.justice.gov/opa/press-release/file/1022196/download>. Brokers do not have expertise in this area. While no state law permits the private production of methamphetamine, some properties have been the site of an illegal methamphetamine laboratory. State law imposes an obligation to notify occupants, a ban on occupying the Property, and clean up requirements when authorities identify a Property as being contaminated by methamphetamine. Buyer is advised that a Property where methamphetamine has been produced may pose a very serious health risk to occupants. Buyer is strongly advised to retain an environmental hygienist contractor or other appropriate professionals to inspect the Property if methamphetamine production is suspected to have taken place. Brokers do not have expertise in this area.

B11. OWNER'S TITLE INSURANCE: The Truth in Lending/RESPA integrated disclosure (TRID) established by the Consumer Financial Protection Bureau (CFPB) requires that lenders must tell borrowers that title insurance is "optional." While obtaining an owner's policy of title insurance may be "optional", it may be a contractual requirement as between Buyer and Seller. Furthermore, California Civil Code § 1057.6 requires that Buyers be provided with the following notice: "IMPORTANT: IN A PURCHASE OR EXCHANGE OF REAL PROPERTY, IT MAY BE ADVISABLE TO OBTAIN TITLE INSURANCE IN CONNECTION WITH THE CLOSE OF ESCROW SINCE THERE MAY BE PRIOR RECORDED LIENS AND ENCUMBRANCES WHICH AFFECT YOUR INTEREST IN THE PROPERTY BEING ACQUIRED. A NEW POLICY OF TITLE INSURANCE SHOULD BE OBTAINED IN ORDER TO ENSURE YOUR INTEREST IN THE PROPERTY THAT YOU ARE ACQUIRING."

Additionally, even the CFPB on its "ask CFPB" "What is owner's title insurance?" page advises "You may want to buy an owner's title insurance policy, which can help protect your financial interest in the home." Moreover, not obtaining an owner's policy may increase the cost of the lender's policy (required by most lenders), possibly require the separate purchase of a preliminary title report, and may have an impact on the sale of the Property in the future.

Buyers who decide to opt out of obtaining an owner's title insurance policy are acting against the advice of Brokers as well as the advice provided in the California Civil Code § 1057.6 and by the CFPB. Brokers do not have expertise in this area.

B12. RENT AND EVICTION CONTROL LAWS AND ORDINANCES: Buyer and Seller are advised that California and some cities and counties impose or may impose restrictions that limit the rent that can be charged to a tenant, the maximum number of tenants who can occupy the property, the right of a landlord to terminate a tenancy and the

costs to do so, and the consequences of terminating a tenancy unlawfully. Even if property that is currently vacant was previously tenant occupied, the termination of that previous tenancy may affect a buyer's rights such as the legal use of the property and who may occupy the property in the future. If Buyer wants further information, Broker(s) recommend that Buyer investigate the issue with an appropriate government authority or a qualified California real estate attorney during Buyer's investigation contingency period. Brokers do not have expertise in this area.

- B13. RETROFIT, BUILDING REQUIREMENTS, AND POINT OF SALE REQUIREMENTS:** Buyer and Seller are advised that state and local Law may require (i) the installation of operable smoke detectors, sprinklers, or other fire suppression systems, (ii) bracing or strapping of water heaters, and (iii) upon sale completion of a corresponding written statement of compliance that is delivered to Buyer. Although not a point of sale or retrofit obligation, state law may require the property to have operable carbon monoxide detection devices. Additionally, some city and county governments may impose additional retrofit standards at time of sale including, but not limited to, installing or retrofitting low-flow toilets and showerheads, gas shut-off valves, fireplaces, and tempered glass. Further, there may be potential health impacts from air pollution caused from burning wood. Exposure to particulate matter from the smoke may cause short-term and long-term health effects. Buyers should consult with licensed professional to inspect, properly maintain, and operate a wood burning stove or fireplace. Broker(s) recommend that Buyer and Seller consult with the appropriate government agencies, inspectors, and other professionals to determine the retrofit standards for the Property, the extent to which the Property complies with such standards, and the costs, if any, of compliance. Brokers do not have expertise in this area.
- B14. SHORT TERM RENTALS AND RESTRICTIONS:** Buyer and Seller are advised that some cities, counties and Homeowner Associations (HOAs) do impose or may impose restrictions that limit or prohibit the right of the owner or occupant to rent out the Property for short periods of time (usually 30 Days or less). In short term rentals, as well as all rentals, Buyer and Seller are advised to seek assistance to ensure compliance with all fair housing laws and regulations. If Buyer wants further information, Broker(s) recommend that Buyer investigate the issue with an appropriate government authority or HOA during Buyer's investigation contingency period. Brokers do not have expertise in this area.
- B15. VIEWS:** Buyer and Seller are advised that present views from the Property may be affected by future development or growth of trees and vegetation on adjacent properties and any other property within the line of sight of the Property. Brokers make no representation regarding the preservation of existing views. If Buyer wants further information, Broker(s) recommend that Buyer review covenants, conditions and restrictions, if any, and contact neighboring property owners, government agencies and homeowner associations, if any, during Buyer's investigation contingency period. Brokers do not have expertise in this area.
- B16. SWIMMING POOL, SECURITY AND SAFETY:** Buyer and Seller are advised that state and local Law may require the installation of barriers, anti-entrapment grates, access alarms, self-latching mechanisms, pool covers, exit alarms and/or other measures to decrease the risk to children and other persons of existing swimming pools and hot tubs, as well as various fire safety and other measures concerning other features of the Property. Compliance requirements differ from city to city and county to county. Unless specifically agreed, the Property may not be in compliance with these requirements. If Buyer wants further information, Broker(s) recommend that Buyer contact local government agencies about these restrictions and other requirements. State law requires that new pools and spas be equipped with at least two of seven specified drowning prevention safety features. Home inspectors have a statutory obligation to perform a non-invasive physical examination of the pool area to identify which safety features are present. Brokers do not have expertise in this area.
- B17. WATER SHORTAGES AND CONSERVATION:** Buyer and Seller are advised that the Property may be located in an area that could experience water shortages. The policies of local water districts and the city or county in which the Property is located can result in the occurrence of any or all of the following: (i) limitations on the amount of water available to the Property, (ii) restrictions on the use of water, and (iii) an increasingly graduated cost per unit of water use, including, but not limited to, penalties for excess usage. For further information, Broker recommends that Buyer contact the supplier of water to the Property regarding the supplier's current or anticipated policies on water usage and to determine the extent to which those policies may affect Buyer's intended use of the Property. If the Property is serviced by a private well, Buyer is advised that drought conditions and/or a low water table may make it necessary to arrange, through a private supplier, for delivery of water to the Property. Buyers should contact water truck companies for the costs involved. Brokers do not have expertise in this area.
- B18. 1915 IMPROVEMENT BOND MELLO-ROOS COMMUNITY DISTRICT, AND OTHER ASSESSMENT DISTRICTS:** Buyer and Seller are advised that the Property may be subject to an improvement bond assessment under the Improvement Bond Act of 1915, a levy of a special tax pursuant to a Mello-Roos Community Facilities district, and/or a contractual assessment as provided in § 5898.24 of the Streets And Highways Code or other assessment districts. Seller is generally required to make a good faith effort to obtain a disclosure notice from any local agency collecting such taxes and deliver such notice to Buyers. If there is a question as to whether an existing bond or assessment will be prorated as of the close of escrow, or whether Seller will pay off the bond or assessment at close of escrow, Buyers are advised to discuss the matter with the appropriate entity and address the responsibility for payment in negotiations for the purchase agreement or amendment prior to removing contingencies. Some cities and other localities have begun, or have the intention to begin, the process of requiring the replacement of utility poles by requiring that utility lines be buried underground. These projects can result in special tax assessments and set-up costs that are imposed on individual property owners. Brokers do not have expertise in this area.

C. Off-Site and Neighborhood Conditions

- C1. GOLF COURSE DISCLOSURES:** Buyer and Seller are advised that if the Property is located adjacent to or near a golf course the following may apply: (i) Stray golf balls – Any residence near a golf course may be affected by errant golf

balls, resulting in personal injury or destruction to property. Golfers may attempt to trespass on adjacent property to retrieve golf balls even though the project restrictions may expressly prohibit such retrieval. **(ii) Noise and lighting** – The noise of lawn mowers irrigation systems and utility vehicles may create disturbances to homeowners. Maintenance operations may occur in the early morning hours. Residents living near the clubhouse may be affected by extra lighting, noise, and traffic. **(iii) Pesticides and fertilizer use** – A golf course may be heavily fertilized, as well as subjected to other chemicals during certain periods of the year. **(iv) Irrigation system** – Golf course sprinkler systems may cause water overspray upon adjacent property and structures. Also the irrigation system of a golf course may use reclaimed and retreated wastewater. **(v) Golf carts** – Certain lots may be affected more than others by the use of golf carts. Lots adjacent to a tee or putting green may be subject to noise disturbances and loss of privacy. **(vi) Access to golf course from residences** – It is likely that most residences will not have direct access from their lots to the golf course. The project restrictions may disclaim any right of access or other easements from a resident's lot onto the golf course. **(vii) View obstruction** – Residents living near a golf course may have their views over the golf course impacted by maturing trees and landscaping or by changes to the course's configuration. **(viii) Water restrictions** – As some municipalities face water shortages, the continued availability of water to the golf course may be restricted or otherwise reduced by the local water agency. If Buyer wants further information, Broker(s) recommend that Buyer contact the local water agency regarding this matter. Brokers do not have expertise in this area.

C2. NEIGHBORHOOD, AREA, PERSONAL FACTORS, BUYER INTENDED USE, HIGH SPEED RAILS, AND SMOKING RESTRICTIONS:

Buyer and Seller are advised that the following may affect the Property or Buyer's intended use of it: neighborhood or area conditions, including schools, proximity and adequacy of law enforcement, crime, fire protection, other government services, availability, adequacy and cost of any speed-wired, wireless internet connections or other telecommunications or other technology services and installations, proximity to medical marijuana growing or distribution locations, cell phone towers, manufacturing, commercial, industrial, airport or agricultural activities or military ordnance locations, existing and proposed transportation, construction, and development, any other source that may affect noise, view, traffic, or odor, wild and domestic animals, susceptibility to tsunami and adequacy of tsunami warnings, other nuisances, hazards, or circumstances, protected species, wetland properties, botanical diseases, historic or other governmentally-protected sites or improvements, cemeteries, conditions and influences of significance to certain cultures and/or religions, and personal needs, requirements and preferences of Buyer and FAA requirements for recreational and non-recreational use of Unmanned Aircraft Systems (UAS) (drones) (see UAS frequently asked questions <http://www.faa.gov/uas/faqs/>). California is potentially moving toward high speed rail service between Northern and Southern California. This rail line could have an impact on the Property if it is located nearby. More information on the timing of the project and routes is available from the California High-Speed Rail Authority at www.cahighspeedrail.ca.gov/. The State of California has long-standing no smoking laws in place restricting smoking in most business and some public spaces. Local jurisdictions may enact laws that are more restrictive than state law. Many California cities have enacted restrictions on smoking in parks, public sidewalks, beaches and shopping areas. Some jurisdictions have restrictions entirely banning smoking inside privately owned apartments and condominiums as well as in the common areas of such structures, or limiting smoking to certain designated areas. If Buyer wants further information, Broker(s) recommend that Buyer contact local government agencies about these restrictions. Brokers do not have expertise in this area.

C3. NEIGHBORHOOD NOISE SOURCES: Buyer and Seller are advised that even if the Property is not in an identified airport noise influence area, the Property may still be subject to noise and air disturbances resulting from airplanes and other aircraft, commercial or military or both, flying overhead. Other common sources of noise include nearby commercial districts, schools, traffic on streets, highways and freeways, trains and general neighborhood noise from people, dogs and other animals. Noise levels and types of noise that bother one person may be acceptable to others. Buyer is advised to satisfy him/herself with regard to any sources of and amounts of noise at different times of day and night. Brokers do not have expertise in this area.

C4. SCHOOLS: Buyer and Seller are advised that children living in the Property may not, for numerous reasons, be permitted to attend the school nearest the Property. Various factors including, but not limited to, open enrollment policies, busing, overcrowding, and class size reductions may affect which public school serves the Property. School district boundaries are subject to change. Buyer is advised to verify whether the Property is now, and at the Close of Escrow will be, in the school district Buyer understands it to be in and whether residing in the Property entitles a person to attend any specific school in which that Buyer is interested. Broker(s) recommend that Buyer contact the local school or school district for additional information during Buyer's investigation contingency period. Brokers do not have expertise in this area.

C5. UNDERGROUND PIPELINES AND UTILITIES: Throughout California underground pipelines transport natural gas, liquid fuel and other potentially hazardous materials. These pipelines may or may not provide utility services to the Property. Information about the location of some of the pipelines may be available from a company that also provides disclosures of natural and other hazards or from other sources of public maps or records. Proximity to underground pipelines, in and of itself, does not affirmatively establish the risk or safety of the property. If Buyer wants further information about these underground pipelines and utilities, Buyer is advised to consult with appropriate experts during Buyer's investigation contingency period. Brokers do not have expertise in this area.

C6. WILDLIFE: California is home to many species of wildlife. The location of homes in California continues to expand into areas that are the natural habitat of wildlife, and the Property may be in such an area. Wildlife may become a nuisance especially if the availability of their natural sources of food or water is limited. Buyer should investigate the need to implement mitigation measures at the Property including but not limited to the use of animal-resistant garbage containers, and other appropriate measures depending on the species and habitat involved. Brokers do not have expertise in this area.

- C7. SEA LEVEL RISE/COASTAL PROPERTIES:** Sea level rise has the potential to affect coastal residents, recreation, and development. Coastal communities may or may not have addressed the potential impact. The following is a non-exclusive list of issues that may be impacted by sea level rise: **(i)** Shoreline, beach and bluff erosion, and flooding; **(ii)** The effectiveness of seawalls and bulkheads, whether built with or without permits; **(iii)** Seaward construction, development or improvement to existing structures; **(iv)** The enactment of geological hazard abatement districts and assessments; and **(v)** The location of the “mean high tide line” which is used to delineate shoreline boundaries for some coastal properties.

Below is a non-exhaustive list of potential resources provided as a starting point for Buyer investigations into sea level rise, and not as an endorsement or guarantee that any federal, state, county, city or other resource will provide complete advice.

- A. California Coastal Commission contact information: <https://www.coastal.ca.gov/contact/#/>
- B. State Lands Commission contact information: <https://www.slc.ca.gov/contact-us/>
- C. National Oceanic and Atmospheric Administration (sea level rise page): <https://coast.noaa.gov/slr/>
- D. California Coastal Commission (sea level rise page): <https://www.coastal.ca.gov/climate/slr/>
- E. Federal Emergency Management Agency (FEMA): <https://www.fema.gov/flood-maps/>; <https://msc.fema.gov>

If Buyer wants further information, Broker recommends that Buyer discuss the issue with an appropriate professional during Buyer's investigation contingency period. Brokers do not have expertise in this area.

D. Legal Requirements (Federal, State and Local)

- D1. DEATH ON THE PROPERTY:** California Civil Code § 1710.2 protects a seller from: **(i)** failing to disclose a death on the property that occurred more than 3 years before a buyer has made an offer on a property; and **(ii)** failing to disclose if an occupant of a property was afflicted with HIV/AIDS, regardless of whether a death occurred or if so, when § 1710.2 does not protect a seller from making a misrepresentation in response to a direct inquiry. If the Buyer has any concerns about whether a death occurred on the Property or the manner, location, details or timing of a death, the buyer should direct any specific questions to the Seller in writing. Brokers do not have expertise in this area.
- D2. EARTHQUAKE FAULT ZONES AND SEISMIC HAZARD ZONES:** Buyer and Seller are advised that California Public Resources Code §§ 2622 and 2696 require the delineation and mapping of “Earthquake Fault Zones” along known active faults and “Seismic Hazard Zones” in California. Affected cities and counties must regulate certain development projects within these zones. Construction or development on affected properties may be subject to the findings of a geological report prepared by a registered California geologist. Generally, Seller must disclose if the Property is in such a zone and can use a research company to aid in the process. If Buyer wants further information, Broker recommends that, during Buyer's investigation contingency period, Buyer make independent inquiries with such research companies or with appropriate government agencies concerning the use and improvement of the Property. Buyer is advised that there is a potential for earthquakes and seismic hazards even outside designated zones. Brokers do not have expertise in this area.
- D3. EPA's LEAD-BASED PAINT RENOVATION, REPAIR AND PAINTING RULE:** The new rule requires that contractors and maintenance professionals working in pre-1978 housing, childcare facilities, and schools with lead-based paint be certified; that their employees be trained; and that they follow protective work practice standards. The rule applies to renovation, repair, or painting activities affecting more than six square feet of lead-based paint in a room or more than 20 square feet of lead-based paint on the exterior. Enforcement of the rule begins October 1, 2010. See the EPA website at <http://www.epa.gov/lead> for more information. Buyer and Seller are advised to consult an appropriate professional. Brokers do not have expertise in this area.
- D4. FIRE HAZARDS:** Buyer and Seller are advised that fires annually cause the destruction of thousands of homes. Due to varied climate and topography, certain areas have higher risks of fires than others. Certain types of materials used in home construction create a greater risk of fire than others. If the Property is located within a State Fire Responsibility Area or a Very High Fire Hazard Zone, generally Seller must disclose that fact to Buyer under California Public Resources Code § 4136 and California Government Code §§ 51178 and 51183.5, and may use a research company to aid in the process. Owners of property may be assessed a fire prevention fee on each structure on each parcel in such zones. The fee may be adjusted annually commencing July 1, 2013. If Buyer wants further information, Broker recommends that, during Buyer's investigation and insurance contingency period, Buyer contact the local fire department and Buyer's insurance agent regarding the risk of fire. Buyer is advised that there is a potential for fires even outside designated zones. Brokers do not have expertise in this area.
- D5. FIRPTA/CALIFORNIA WITHHOLDING:** Buyer and Seller are advised that: **(i)** Internal Revenue Code § 1445, as of February 17, 2016, requires a Buyer to withhold and to remit to the Internal Revenue Service 15% of the purchase price of the property if the Seller is a non-resident alien, unless an express exemption applies. Only 10% needs to be withheld if the Buyer acquires the property as Buyer's residence and the price does not exceed \$1,000,000. Seller may avoid withholding by providing Buyer a statement of non-foreign status. The statement must be signed by Seller under penalty of perjury and must include Seller's tax identification number. Buyer can also avoid having to withhold Federal taxes from Seller's Proceeds if the property price is \$300,000 or less, and the Buyer signs an affidavit stating Buyer intends to occupy the property as a principal residence. **(ii)** California Revenue and Taxation Code § 18662 requires that a Buyer withhold and remit to the California Franchise Tax Board 3 1/3% of the purchase price of the property unless the Seller signs an affidavit that the property was the Seller's (or the decedent's, if a trust or probate sale) principal residence or that the sales price is \$100,000 or less or another express exemption applies. Exemptions from withholding also apply to legal entities such as corporations, LLCs, and partnerships. Brokers cannot give tax or legal advice. Broker recommends that Buyer and Seller seek advice from a CPA, attorney or taxing authority. Brokers do not have expertise in this area.

- D6. FLOOD HAZARDS:** Buyer and Seller are advised that if the Property is located within a Special Flood Hazard Area, as designated by the Federal Emergency Management Agency (FEMA), or an area of Potential Flooding pursuant to California Government Code § 8589.3, generally Seller must disclose this fact to Buyer and may use a research company to aid in the process. The National Flood Insurance Program was established to identify all flood plain areas and establish flood-risk zones within those areas. The program mandates flood insurance for properties within high-risk zones if loans are obtained from a federally-regulated financial institution or are insured by any agency of the United States Government. The extent of coverage and costs may vary. If Buyer wants further information, Broker(s) recommend that Buyer consult Buyer's lender and/or insurance agent during Buyer's investigation contingency period. Buyer is advised that there is a potential for flooding even outside designated zones. Brokers do not have expertise in this area.
- D7. MEGAN'S LAW DATABASE DISCLOSURE:** Notice: Pursuant to § 290.46 of the Penal Code, information about specific registered sex offenders is made available to the public via an Internet Web site maintained by the Department of Justice at <http://www.meganslaw.ca.gov/>. Depending on an offender's criminal history, this information will include either the address at which the offender resides or the community of residence and ZIP Code in which he or she resides. (Neither Seller nor Brokers, in any, are required to check this website. If Buyer wants further information, Buyer should obtain information directly from this website.) Brokers do not have expertise in this area.
- D8. NOTICE OF YOUR SUPPLEMENTAL PROPERTY TAX BILL; ACCURATE SALES PRICE REPORTING:** Buyer and Seller are advised that pursuant to Civil Code § 1102.6(c), Seller, or Seller's agent, is required to provide the following notice to the Buyer:
- "California property tax law requires the Assessor to revalue real property at the time the ownership of property changes. Because of this law, you may receive one or two supplemental tax bills, depending on when your loan closes.
- The supplemental tax bills are not mailed to your lender. Even if you have arranged for your property tax payments to be paid through an impound account, the supplemental tax bills will not be paid by your lender. It is your responsibility to pay these supplemental bills directly to the Tax Collector. If you have any questions concerning this matter, please call your Tax Collector's Office."
- Although the notice refers to loan closing as a trigger, it is actually the change of ownership which triggers this reassessment of property taxes. Therefore, the Property can be reassessed even if there is no loan involved in the purchase of the Property. The Purchase Agreement may allocate supplemental tax bills received after the Close of Escrow to the Buyer. A change (preliminary change) of ownership form is generally required to be filed by the Buyer with the local taxing agency. The form identifies the sales price of the Property. An assessor may value the Property at its fair market value regardless of the sales price declared by the Buyer. If Buyer wants further information concerning these matters, Broker(s) recommend that Buyer discuss the issue with the County Assessor or Tax Collector or their own tax or legal advisor. Brokers do not have expertise in this area.
- D9. ZONE MAPS MAY CHANGE:** Maps that designate, among other things, Earthquake Fault Zones, Seismic Hazard Zones, State Fire Responsibility Areas, Very High Fire Hazard Zones, Special Flood Hazard Areas, and Potential Flooding Areas are occasionally redrawn by the applicable Government Agency. Properties that are currently designated in a specified zone or area could be removed and properties that are not now designated in a specified zone or area could be placed in one or more such zones or areas in the future. A property owner may dispute a FEMA flood hazard location by submitting an application to FEMA. Brokers do not have expertise in this area.
- D10. ELECTRIFICATION OF ENERGY SOURCE:** Several local jurisdictions in California have enacted laws which prohibit the use of natural gas appliances in new construction. Other local jurisdictions, and State of California, are considering bans, and may even prohibit the replacement, sale or installation of appliances that use any fuel source other than electricity. Brokers do not have expertise in this area.

E. Contract Related Issues and Terms

- E1. ELECTRONIC SIGNATURES:** The ability to use electronic signatures to sign legal documents is a great convenience, however Buyers and Sellers should understand they are signing a legally binding agreement. Read documents carefully. Although electronic signature programs make it easy to skip from one signature or initial line to another, Buyers and Sellers are cautioned to only sign if they have taken the time necessary to read each document thoroughly, understand the entire document, and agree to all of its terms. Do not just scroll through or skip to the next signature or initial line, even if you have reviewed an earlier draft of the document. If you have questions or do not understand a provision, before you sign, ask your Broker, Agent, or legal advisor about the contract term and sign only if you agree to be bound by it. Some signature or initial lines are optional, such as for the liquidated damages and arbitration clauses. Consider your decision before signing or initialing. See below for more information on the liquidated damages and arbitration clauses. If there is more than one buyer or seller, each must sign or initial on their own. Do not sign or initial for anyone else unless you have a power of attorney for that person or are otherwise legally authorized, in writing, to sign or initial for another. Print or electronically store a copy of the document for your own records. Brokers do not have expertise in this area.
- E2. LIQUIDATED DAMAGES:** Buyer and Seller are advised that a liquidated damages clause is a provision Buyer and Seller can use to agree in advance to the amount of damages that a seller will receive if a buyer breaches the Agreement. The clause usually provides that a seller will retain a buyer's initial deposit paid if a buyer breaches the agreement, and generally must be separately initialed by both parties and meet other statutory requirements to be enforceable. For any additional deposits to be covered by the liquidated damages clause, there generally must be

another separately signed or initialed agreement (see C.A.R. Form DID). However, if the Property contains from 1 to 4 units, one of which a buyer intends to occupy, California Civil Code Section 1675 limits the amount of the deposit subject to liquidated damages to 3% of the purchase price. Even though both parties have agreed to a liquidated damages clause, an escrow company will usually require either a judge's or arbitrator's decision or instructions signed by both parties in order to release a buyer's deposit to a seller. Buyers and Sellers must decide on their own, or with the advice of legal counsel, whether to agree to a liquidated damages clause. Brokers do not have expertise in this area.

- E3. MEDIATION:** Buyer and Seller are advised that mediation is a process by which the parties hire a neutral person to facilitate discussion and negotiation between the parties with the goal of helping them reach a settlement of their dispute. The parties generally share in the cost of this confidential, non-binding negotiation. If no agreement is reached, either party can pursue further legal action. Under C.A.R. Form RPA: (i) the parties must mediate any dispute arising out of their agreement (with a few limited exceptions, such as matters within the jurisdiction of a small claims court) before they resort to arbitration or court, and (ii) if a party proceeds to arbitration or court without having first attempted to mediate the dispute, that party risks losing the right to recover attorney fees and costs even if he or she prevails. Brokers do not have expertise in this area.
- E4. ARBITRATION:** Buyer and Seller are advised that arbitration is a process by which the disputing parties hire a neutral person to render a binding decision. Generally, arbitration is faster and less expensive than resolving disputes by litigating in court. The rules are usually less formal than in court, and it is a private process not a matter of public record. By agreeing to arbitration, the parties give up the right to a jury trial and to appeal the arbitrator's decision. Arbitration decisions have been upheld even when arbitrators have made a mistake as to the law or the facts. If the parties agree to arbitration, then after first attempting to settle the dispute through mediation, any dispute arising out of their agreement (with a few limited exceptions) must be submitted to binding arbitration. Buyer and Seller must weigh the benefits of a potentially quicker and less expensive arbitration against giving up the right to a jury trial and the right to appeal. Brokers cannot give legal advice regarding these matters. Buyers and Sellers must decide on their own, or with the advice of legal counsel, whether to agree to arbitration. Brokers do not have expertise in this area.
- E5. ESCROW FUNDS:** Buyer and Seller are advised that California Insurance Code § 12413.1 provides that escrow companies cannot disburse funds unless there are sufficient "good funds" to cover the disbursement. "Good funds" are defined as cash, wire transfers and cashiers' or certified checks drawn on California depositories. Escrow companies vary in their own definitions of "good funds." Broker(s) recommend that Buyer and Seller ask the escrow company regarding its treatment of "good funds." All samples and out-of-state checks are subject to waiting periods and do not constitute "good funds" until the money is physically transferred to and received by the escrow holder. Brokers do not have expertise in this area.
- E6. HOME WARRANTY:** Buyer and Seller are advised that Buyer and Seller can purchase home warranty plans covering certain standard systems of the Property both before and after Close of Escrow. Seller can obtain coverage for the Property during the listing period. For an additional premium, an upgraded policy providing additional coverage for air conditioning, pool and spa and other features can be purchased. Home warranties do not cover every aspect of the Property and may not cover inspections or upgrades for repairs required by state or federal laws or pre-existing conditions. Broker(s) recommend that Buyer review the policy for details. Brokers do not have expertise in this area.
- E7. IDENTIFICATION OF NATURAL PERSONS BEHIND SHELL COMPANIES IN ALL-CASH TRANSACTIONS:** The U.S. Treasury Department's Financial Crimes Enforcement Network (FinCEN) has issued Geographic Targeting Orders (GTOs) targeting alleged money laundering risk in the real estate sector. The GTOs will temporarily require U.S. title insurance companies to identify the natural persons behind shell companies used to pay "all cash" for high-end residential real estate in certain major metropolitan areas. FinCEN explained that it remains concerned that all-cash purchases (i.e., those without bank financing) may be conducted by individuals attempting to hide their assets and identity by purchasing residential properties through limited liability companies or other similar structures. Since the original issuance, the GTOs have been renewed and may continue to be renewed. The GTOs cover the following areas in California: Los Angeles, San Francisco, San Mateo, Santa Clara and San Diego Counties. The monetary thresholds for each county is \$300,000. GTOs have helped law enforcement identify possible illicit activity. FinCEN reported that a significant portion of covered transactions have dictated possible criminal activity associated with the individuals reported to be the beneficial owners behind shell company purchasers. Brokers do not have expertise in this area.
- E8. NON CONFIDENTIALITY OF OFFERS:** Buyer is advised that Seller or Listing Agent may disclose the existence, terms, or conditions of Buyer's offer, unless all parties and their agent have signed a written confidentiality agreement (such as C.A.R. Form NDA). Whether any such information is actually disclosed depends on many factors, such as current market conditions, the prevailing practice in the real estate community, the Listing Agent's marketing strategy and the instructions of the Seller. Brokers do not have expertise in this area.
- E9. ONLINE OR WIRE FUNDS TRANSFERS:** Instructions for the online or wire transfer of escrow deposits have been known to be intercepted by hackers who alter them so that Buyer's funds are actually wired to accounts controlled by criminals rather than the escrow company. Buyers should exercise extreme caution in making electronic funds transfers, verifying that the organization they are transferring funds to is, in fact, the escrow company and that their own bank account information is not being exposed. See C.A.R. Form WFA for further information. Brokers do not have expertise in this area.

F. Other Factors Affecting Property

- F1. COMMUNITY ENHANCEMENT AND PRIVATE TRANSFER FEES:** Buyer and Seller are advised that some areas or communities may have enhancement fees or user-type fees, or private transfer taxes and fees, over and above any stated fees. The Federal Housing Finance Agency has issued a rule that prohibits Fannie Mae and Freddie Mac from purchasing loans made on properties with private transfer fees if those fees were established on or after February 8, 2011. See title 12 Code of Federal Regulations § 1228 for more information and exceptions. Private transfer fees: **(i)** may last for a fixed period of time or in perpetuity, **(ii)** are typically calculated as a percentage of the sales price, and **(iii)** may have private parties, charitable organizations or interest-based groups as their recipients who may use the funds for social issues unrelated to the property. Brokers do not have expertise in this area.
- F2. GENERAL RECALL/DEFECTIVE PRODUCT/CLASS ACTION INFORMATION:** Buyer and Seller are advised that government entities and manufacturers may at any time issue recall notices and/or warnings about products that may be present in the Property, and that these notices or warnings can change. The following nonexclusive, non-exhaustive list contains examples of recalled/defective products/class action information: horizontal furnaces, Whirlpool Microwave Hood Combination; RE-ConBuilding products roof tiles; Central Sprinkler Company Fire Sprinklers; Robert Shaw Water Heater Gas Control Valves; Trex Decking; water heaters; aluminum wiring; galvanized, abs, polybutylene PEX, KITEC® and copper pipe; and dry wall manufactured in China. There is no single, all-inclusive source of information on product recalls, defective products or class actions; however, the U.S. Consumer Product Safety Commission (CPSC) maintains a website that contains useful information. If Buyer wants further information regarding the items listed above, Broker(s) recommend that Buyer review the CPSC website at <http://www.cpsc.gov/> during Buyer's investigation contingency period. Another source affiliated with the CPSC is <http://saferproducts.gov/> which allows a Buyer to search by product type or product name. Buyer may also search using the various search engines on the Internet for the specified product or products in question. Brokers recommend that Buyer satisfy themselves regarding recalled or defective products. Brokers will not determine if any aspect of the Property is subject to a recall or is affected by a class action lawsuit. Brokers do not have expertise in this area.
- F3. HOMEOWNER ASSOCIATIONS AND COVENANTS, CONDITIONS AND RESTRICTIONS ("CC&Rs"); CHARGING STATIONS; FHA/VA APPROVAL:** Buyer and Seller are advised that if the Property is a condominium, or located in a planned unit development, or in a common interest subdivision, there are typically restrictions on use of the Property and rules that must be followed. Restrictions and rules are commonly found in Declarations and other governing documents. Further there is likely to be a homeowner association (HOA) that has the authority to affect the Property and its use. Whether or not there is a HOA, the Property may still be subject to CC&Rs restricting use of the Property. The HOA typically has the authority to enforce the rules of the association, assess monetary payments (both regular monthly dues and special assessments) to provide for the upkeep and maintenance of the common areas, and enforce the rules and assessment obligations. If you fail to abide by the rules or pay monies owed to the HOA, the HOA may put a lien against your Property. Additionally, if an electric vehicle charging station is installed in a common area or an exclusive use common area, each Seller whose parking space is on or near that charging station must disclose its existence and that the Buyer will have the responsibilities set forth in California Civil Code §4745. The law requires the Seller to provide the Buyer with the CC&Rs and other governing documents, as well as a copy of the HOA's current financial statement and operating budget, among other documents. Effective July 1, 2016, a Common Interest Development (CID) will be required to include in its annual budget report a separate statement describing the status of the CID as a Federal Housing Administration or Department of Veterans Affairs approved Development. While the purchase agreement and the law require that the annual budget be provided by Seller to Buyer, Brokers will not and cannot verify the accuracy of information provided by the CID. Buyer is advised to carefully review all HOA documents provided by Seller and the CC&Rs, if any, and satisfy him/herself regarding the use and restrictions of the Property, the amount of monthly dues and/or assessments, the adequacy of reserves, current and past insurance coverage and claims, and the possibility of any legal action that may be taken by or against the HOA. The HOA may not have insurance or may not cover personal property belonging to the owner of the unit in the condominium, common interest or planned unit development. For more information Buyer may request from Broker the C.A.R. Legal Q&A titled: "Homeowners' Associations: A Guide for REALTORS®". Brokers do not have expertise in this area.

Although unenforceable, it is possible the CC&Rs, deed or other document on title may contain a covenant which at one time may have purported to discriminate against persons based on race, religion or other protected class or characteristics. You have the right to request the assistance of the title or escrow company to help you prepare a form which will be provided to the County and may result in the discriminatory language being removed from the public record. You may also get a notice informing you of these rights from the Broker or title or escrow company. For more information Buyer may request from Broker the C.A.R. Legal Quick Guide titled: "Agent Disclosure of Discriminatory Covenants Based on Actual Knowledge."

- F4. LEGAL ACTION:** Buyer and Seller are advised that if Seller or a previous owner was involved in a legal action (litigation or arbitration) affecting the Property, Buyer should obtain and review public and other available records regarding the legal action to determine: **(i)** whether the legal action or any resolution of it affects Buyer and the Property, **(ii)** if any rights against any parties involved in the legal action survive the legal action or have been terminated or waived as a result of the legal action, whether or not involving the same issue as in the legal action, and **(iii)** if any recommendations or requirements resulting from the legal action have been fulfilled and, if so, that Buyer is satisfied with any such action. Buyer should seek legal advice regarding these matters. Brokers do not have expertise in this area.

- F5. MARKETING; INTERNET ADVERTISING; INTERNET BLOGS; SOCIAL MEDIA:** Buyer and Seller are advised that Broker may employ a “staging” company to assist in the presentation of the Property. The furnishings and decorations in the staging are generally not included in the sale unless specifically noted in the Agreement. Statements and inclusion in the MLS entry, flyers, and other marketing materials are NOT part of the Agreement. In addition, Broker may employ a service to provide a “virtual tour” or “virtual staging” or Internet marketing of the Property, permitting potential buyers to view the Property over the Internet. While they are supposed to be an accurate representation of the property, the photos may be enhanced and not fully representative of the actual condition of the property. Further, neither the service provider nor Broker have total control over who will obtain access to materials placed on the internet or what action such persons might take. Additionally, some Internet sites and other social media provide formats for comments or opinions of value of properties that are for sale. Information on the Property, or its owner, neighborhood, or any homeowner association having governance over the Property may be found on the internet on individual or commercial web sites, blogs, Facebook pages, or other social media. Any such information may be accurate, speculative, truthful or lies, and it may or may not reflect the opinions or representations by the Broker. Broker will not investigate any such sites, blogs, social media or other internet sites or the representations contained therein. Buyer is advised to make an independent search of electronic media and online sources prior to removing any investigation contingency. Buyer and Seller are advised that Broker has no control over how long the information or photos concerning the Property will be available on the Internet or through social media, and Broker will not be responsible for removing any such content from the internet or MLS. Brokers do not have expertise in this area.
- F6. PACE LOANS AND LIENS:** The acronym PACE stands for Property Assessed Clean Energy. PACE programs allow property owners to finance energy and water conservation improvements and pay for them through an assessment on the owner’s property. PACE programs are available in most areas for both residential one to four unit properties and commercial properties. PACE programs may be referred to by different names such as HERO or SCEIP, among others. If a PACE project is approved, an assessment lien is placed on a property for the amount owed plus interest. A property owner repays the entity for the improvements as a special tax assessment on the property tax bill over a period of years. A PACE lien is similar to a property tax lien in that it has “super priority.” Sellers are obligated to disclose, pursuant to the C.A.R. Residential Purchase Agreement (C.A.R. Form RPA), whether any improvement is subject to a lien such as a PACE lien. Properties that are subject to PACE liens made on or after July 6, 2010 may not be eligible for financing. For more information, Buyer may request from Broker the C.A.R. Legal Q&A titled: “PACE Programs and Solar Leases”. Brokers do not have expertise in this area.
- F7. RE-KEYING:** All locks should be re-keyed immediately upon close of escrow so as to ensure the Buyer’s safety and security of their persons as well as their personal belongings. Alarms, if any, should be serviced by professionals and codes should be changed. Garage door openers and remotes should be re-coded. In the event of a lease back to Seller after the close of escrow, Seller is advised that the Buyer is entitled to the keys as the Owner of the Property even though the Seller stays in possession of the Property as provided in the RPA. Brokers do not have expertise in this area.
- F8. SOLAR PANELS AND NET ENERGY METERING:** Solar panel or power systems may be owned or leased. Although leased systems are probably personal property, they are included in the sale by the C.A.R. purchase agreement which also obligates the Seller to make a disclosure to the Buyer and provide the Buyer with documentation concerning the lease and system. Leasing companies generally secure payments by filing a UCC-1 (a Uniform Commercial Code form giving notice of a creditor’s security interest) against the property. Sellers are required to provide material information about solar panels (C.A.R. form SOLAR may be used). Buyers are given a contingency right to investigate the solar related system and documentation and assume any lease. Assumption of the lease may require Buyer to provide financial information to the leasing company who may require a credit report be obtained on the Buyer. Should a solar panel or power system be on the Property, Buyers should determine if the system is leased or owned. Buyer’s willingness to assume any such lease is a contingency in favor of Seller. For more information, Buyer may request from Broker the C.A.R. Legal Q&A titled: “PACE Programs and Solar Leases”. **Solar panel systems may have net energy metering.** Payback rates from utilities to property owners with their own source of energy (such as rooftop solar panels) who contribute electricity back to the grid may change from those currently in place and may differ upon change of ownership in the property, Fees for new solar installation may be added or changed. Buyers should discuss with the applicable utility if applicable to the property. Brokers do not have expertise in this area.
- F9. RECORDING DEVICES:** Audio or video recording devices or both may be present on the Property, whether or not notice of any such devices has been posted. Seller may or may not even be aware of the capability of such devices. Brokers do not have expertise in this area.
- F10. WOOD BALCONIES, STAIRS AND OTHER STRUCTURES:** Prior to January 1, 2025, and periodically thereafter, buildings with three units or more, may be required to obtain an inspection of exterior balconies, stairways, walkways, or decks that are supported in whole or in substantial part by a wood or wood-based materials. For condos, the HOA will be responsible for the inspections per its governing documents. For other buildings, it is the owner’s responsibility. An inspection report must be incorporated into a condo HOA’s study of reserve account requirements. This could in turn affect lender certification requirements as well as future dues and assessments. A balcony report that identifies an immediate threat to the safety of the occupants will require the condo HOA or owner to prevent access to the balcony further impacting a property’s marketability.

G. Local Disclosures and Advisories

LOCAL ADVISORIES OR DISCLOSURES (IF CHECKED):

The following disclosures or advisories are attached:

- A. ☐ _____
- B. ☐ _____
- C. ☐ _____
- D. ☐ _____

SQUARE FOOTAGE AND LOT SIZE ADVISORY AND DISCLOSURE

(C.A.R. Form SFLS, Revised 12/24)

Property Address: 878 Chata St, Nipomo, CA 93444 ("Property")

1. **DIFFERENT SOURCES OF SQUARE FOOTAGE MEASUREMENTS:** Measurements of structures vary from source to source and that data is often contradictory. There is no one "official" size source or a "standard" method of calculating exterior structural size, interior space or square footage. Buyer should not rely on any advertised or disclosed square footage measurements and should retain their own experts to measure, as applicable, structure size and square footage during their investigation period, if any. This is especially important if Buyer is using square footage to determine whether to purchase the Property or are using price per square foot to determine purchase price. Price per square foot calculations are generally broad estimates only, which can vary greatly depending upon property location, type of property and amenities. Such calculations should not be relied upon by Buyer and the accuracy of any such figures should be independently verified by Buyer with their own experts including, but not limited to, a licensed appraiser.
2. **PROPERTY (LOT) SIZE, DIMENSIONS, CONFIGURATIONS, AND BOUNDARIES:** Fences, hedges, walls, retaining walls, and other barriers or markers may not correspond with any legally-defined property boundaries. Existing structures or amenities may not be located within the actual property boundaries or local setback requirements. If lot size, dimensions, property configurations, boundary lines, and locations of improvements are important to Buyer's decision to purchase or the price Buyer is willing to pay, then Buyer should independently investigate by retaining the services of a licensed surveyor, the only professional who can accurately determine lot dimensions, boundary locations and acreage for the Property.
3. **BROKER OBLIGATIONS:** Brokers and Agents do not have expertise in determining the exact square footage and lot size. Broker has not and will not verify the accuracy of any numerical statements regarding square footage, room dimensions, or lot size, or the location of boundaries.
4. **DISCLOSURE OF MEASUREMENTS AND SOURCES:** Square footage and/or lot size numbers inserted into the spaces below, if any, were taken from the referenced source and may be approximations only. Other measurement sizes may exist from other sources.

Source of Information	Sq. Footage	Lot Size	Additional Information	If checked, report attached

SQUARE FOOTAGE AND LOT SIZE ADVISORY AND DISCLOSURE (SFLS PAGE 1 OF 1)

MARKET CONDITIONS ADVISORY

(C.A.R. Form MCA, Revised 6/24)

1. **MARKET CONDITIONS:** Real estate markets are cyclical and can change over time. It is impossible to predict future market conditions with accuracy. In a competitive or “hot” real estate market, there are generally more Buyers than Sellers. This will often lead to multiple buyers competing for the same property. As a result, in order to make their offers more attractive, some Buyers may offer more than originally planned or eliminate certain contingencies in their offers. In a less competitive or “cool” market there are generally more Sellers than Buyers, often causing real estate prices to level off or drop, sometimes precipitously. The sales price of homes being sold as foreclosures and short sales is difficult to anticipate and can affect the value of other homes in the area. Brokers, appraisers, Sellers and Buyers take these “distressed” property sales and listings into consideration when valuing property. In light of the real estate market’s cyclical nature it is important that Buyers understand the potential for little or no appreciation in value, or an actual loss in value, of the property they purchase. This Advisory discusses some of the potential risks inherent in changing market conditions.
2. **BUYER CONSIDERATIONS:**
 - A. **OFFERING PRICE: AS A BUYER, YOU ARE RESPONSIBLE FOR DETERMINING THE PRICE YOU WANT TO OFFER FOR A PROPERTY.** Although Brokers may provide you with comparable sales data, generally from information published in the local multiple listing service, you should know that the reporting of this data is often delayed and prices may change, up or down, faster than reported sales indicate. All buyers should be sure they are comfortable with the price they are offering or the price they are accepting in a counter offer. You should be aware of and think about the following: **(i)** If your offer is accepted, the property’s value may not increase and may even decrease. **(ii)** If your offer is accepted, you may have “Buyer’s remorse” that you paid too much. **(iii)** If your offer is rejected there can be no guarantee that you will find a similar property at the same price. **(iv)** If your offer is rejected, you may not be satisfied that the amount you offered was right for you. Only you can determine that your offer was reasonable and prudent in light of the property and your circumstances.
 - B. **NON-CONTINGENT OFFERS:** Most residential purchase agreements contain contingencies allowing a Buyer within a specified period of time to cancel a purchase if: **(i)** the Buyer cannot obtain a loan; **(ii)** if the property does not appraise at a certain value ; **(iii)** if the Buyer is dissatisfied with the property’s condition after an inspection; **(iv)** if an insurance policy cannot be obtained for an acceptable cost; or **(v)** for any other contingency within the purchase agreement. To make their offers more attractive, Buyers will sometimes write offers with few or no contingencies or offer to remove contingencies within a short period of time. In a “hot” market, sellers will sometimes insist that Buyers write offers with no contingencies. Broker recommends that Buyers do not write non-contingent offers and if you do so, you are acting against Broker’s advice. However, if you do write a non-contingent offer these are some of the contractual rights you may be giving up:
 - (1) **LOAN CONTINGENCY:** If you give up your loan contingency, and you cannot obtain a loan, whether through your fault or the fault of your lender, and as a result, you do not or cannot purchase the property, you may legally be in default under the contract and required to pay damages or forfeit your deposit to the seller.
 - (2) **APPRAISAL CONTINGENCY:** If your lender’s (or your own) appraiser does not believe the property is worth what you have agreed to pay for it, your lender may not loan the full amount needed for the purchase or may not loan any amount at all because of a low appraisal. As a result, if you do not purchase the property, and you have removed your appraisal contingency, you may legally be in default under the contract and could be required to pay damages to, or forfeit your deposit to, the Seller. The Seller is not obligated to reduce the purchase price to match the appraised value.
 - (3) **INVESTIGATION CONTINGENCY:** If you disapprove of the condition of the property and as a result, you do not purchase the property, you may legally be in default under the contract and required to pay damages to, or forfeit your deposit to, the Seller if you have removed your investigation contingency. However, even if you make an offer without an investigation contingency or you remove that contingency, the Seller may still be obligated to disclose to you material facts about the property. In some cases, once you receive that information the law gives you an independent right to cancel for a limited period of time.

- (4) **INSURANCE CONTINGENCY:** If you cannot obtain insurance or disapprove of the cost, and you do not purchase the property, you may legally be in default under the contract and required to pay damages to, or forfeit your deposit to, the Seller if you have removed your insurance contingency.

There is inherent risk in writing a non-contingent offer. Only you, after careful consultation and deliberation with your attorney, accountant, or financial advisor can decide how much risk you are willing to take. IT IS YOUR DECISION ALONE AND CANNOT BE MADE BY YOUR BROKER OR REAL ESTATE AGENT.

C. BROKER RECOMMENDATIONS. Broker recommends that you do not write a non-contingent offer, even if you are planning on paying all cash for the property. If you intend to write a non-contingent offer, Broker recommends that, prior to writing the offer, you: **(i)** review all available Seller reports, disclosures, information and documents; **(ii)** have an appropriate professional inspect the property (even if it is being sold "as is" in its present condition); and **(iii)** carefully assess your financial position and risk with your attorney, accountant or financial advisor.

D. MULTIPLE OFFERS: At times Buyers may write offers on more than one property even though the Buyer intends to purchase only one. This may occur in a short sale when the approval process can take a considerable amount of time, or it could also occur in a hot market when the Buyer is having difficulty getting an offer accepted. While it is not illegal to make offers on multiple properties with intent to purchase only one, the Buyer can be obligated to many Sellers if more than one accepts the Buyer's offers. Additionally, if any offer is accepted without contingencies, and the buyer does not perform, there can be a breach. If the Buyer has not disclosed that the Buyer is writing multiple offers with the intent to purchase only one and the Buyer subsequently cancels without using a contingency created for this purpose, the Seller may claim the Buyer is in breach of contract because the Buyer fraudulently induced the Seller to enter into a contract. This claim may even be possible when the Buyer has all the standard contingencies remaining in the contract, as the Seller could argue that a cancellation for this reason would not fall under the good faith exercise of any of those contingencies.

- 3. SELLER CONSIDERATIONS:** As a Seller, you are responsible for determining the asking price for your property. Although Brokers may provide you with comparable sales data, generally from information published in the local multiple listing service, you should know that the reporting of this data is often delayed and prices may change, up or down, faster than reported sales indicate. All Sellers should be sure they are comfortable with the asking price they are setting and the price they are accepting. There is not, and cannot be, any guarantee that the price you decide to ask for your property, or the price at which you agree to sell your property is the highest available price obtainable for the property. It is solely your decision as to how much to ask for your property and at which price to sell your property.

Buyer/Seller acknowledges each has read, understands and has received a copy of this Market Conditions Advisory.

WILDFIRE DISASTER ADVISORY

(For use with properties in or around areas affected by a wildfire)
(C.A.R. Form WFDA, Revised 12/25)

1. **WILDFIRE DISASTERS:** Buyer/Tenant is aware that as a result of recent wildfire disasters there are current and unresolved health and safety concerns related to the aftermath and clean up of the wildfire disaster areas, as well as unknown and possible future concerns related to the rebuilding of infrastructure in the affected areas of the wildfires. Unfortunately, the impact of wildfires has not been limited to the fire areas themselves. Many areas have had air quality impacted by smoke and air particulates from distant fires. Additionally, fires continue to occur in previously unaffected areas. Fires may be an issue throughout the state of California.
2. **WILDFIRE DISASTER CONCERNS AND ISSUES:** The following non-exhaustive list represents concerns and issues that may impact Buyer/Tenant decisions about purchasing or leasing property impacted by a wildfire disaster, both now and in the future. It is not intended to be, nor can it be, a checklist for all issues that might arise when purchasing or leasing property impacted by a wildfire disaster. **Concerns and issues include, but are not limited to:**
 - A. Insurance-related issues such as past claims, the importance of identifying the insurability of the property, and the availability and the cost of insurance as early in the process as possible;
 - B. Lot clearing costs and requirements; toxic materials analysis, debris removal requirements;
 - C. Whether the home has been fire hardened, and if so to what extent, to help reduce the risk of the structure catching fire;
 - D. Local, state and federal requirements for cleanup and building approvals;
 - E. Air quality, soil quality, and any other environmental or personal health concerns, even after the wildfire event has ended;
 - F. Timelines, costs and requirements when obtaining required permits for building and utilities installation;
 - G. Availability of and access to electricity, gas, sewer and other public or private utility services;
 - H. Water delivery/potability; septic and/or sewer design; requirements and construction costs;
 - I. Potential redesign of streets and infrastructure including possible eminent domain, land condemnation and/or acquisition;
 - J. Inconvenience and delays due to road construction and unavailability of various goods, systems, or services; and
 - K. Impact that federal, state or local disaster declarations may have on materials prices, costs and rents.
3. **BUYER/TENANT ADVISORIES:** Buyer/Tenant, you are hereby advised:
 - A. To check early in your transaction to determine if you are able to obtain insurance on the property.
 - B. To investigate to your own satisfaction any and all of your concerns about the intended use of the property.
 - C. That the wildfire disaster area will likely be under construction for a protracted period of time after a fire, and you may be inconvenienced by delays, traffic congestion, noise, dust, and intermittent availability of utilities.
 - D. That due to the extraordinary catastrophe of a wildfire, there may be changes and variations in local, state or federal laws, codes, or requirements throughout the ongoing process of planning and rebuilding in the wildfire disaster area.
 - E. That some insurers have reduced or cancelled offerings for fire insurance, or have increased costs, and this may impact your ability to afford or to qualify for loans or meet income ratios for rentals.
 - F. That if you are unable to obtain fire insurance, and you have removed the insurance contingency, and you are unable to proceed with your transaction, you may be in breach of the purchase or rental agreement.
4. **RESOURCES:** Below is a non-exhaustive list of potential resources provided as a starting point for Buyer/Tenant investigations and not as an endorsement or guarantee that any federal, state, county, city, or other resource will provide complete advice.
 - A. California Department of Insurance "Wildfire Resource" <http://insurance.ca.gov/01-consumers/140-catastrophes/WildfireResources.cfm>; 1-800-927-4357
 - B. Governor's Office of Emergency Services "Cal OES" California Wildfires Statewide Recovery Resources <https://wildfirerecovery.caloes.ca.gov/>
 - C. California Department of Forestry and Fire ("Cal Fire") <https://calfire.ca.gov/> and <https://www.readyforwildfire.org/>
 - D. California Department of Transportation <https://dot.ca.gov>
 - E. California Attorney General <https://oag.ca.gov/consumers/pricegougingduringdisasters#8C1>
 - F. American Institute of Architects
 1. "Hardening for Wildfire Resilience" <https://aiacalifornia.org/what-you-can-do-right-now/hardening-for-wildfire-resilience/>
 2. "Component Fire Relief and Recovery Resources" at <https://aiacalifornia.org/news/aia-component-fire-relief-and-recovery-resources/>
 - G. Buyer/Tenant is advised to check all local municipalities (County, City, and/or Town where the property is located) for additional resources.
5. **FIRE HARDENING AND DEFENSIBLE SPACE ADVISORY:**
 - A. **DISCLOSURE AND COMPLIANCE:** California law requires certain disclosures be made concerning a property's compliance with safeguards that may minimize the risk of a structure on the property catching fire (fire hardening) and that an agreement be reached concerning compliance with requirements that the area surrounding structures be maintained to minimize the risk of the spread of wildfires (defensible space). The fire hardening and defensible space laws only apply if, among other requirements, the property is located in either a **high or very high fire** hazard severity zone. If there exists a final inspection report covering fire hardening or defensible space compliance, such a report may need to be provided to the buyer. C.A.R. Form FHDS may be used to satisfy the legal requirements.
 - B. **WHERE TO LOCATE INFORMATION:** Seller has the obligation to determine if compliance with the fire hardening and defensible space requirements are applicable to Seller and the property. It may be possible to determine if a property is in a **high or very high** fire hazard severity zone by consulting with a natural hazard zone disclosure company or reviewing the company's report. This information may also be available through a local agency where this information should have been filed.

- C. POST CLOSING ISSUES:** A buyer who agrees to bring the property into compliance with defensible space laws after Close of Escrow, and does not do so: **(i)** May be subject to fines and enforcement actions by government agencies in addition to the cost of compliance; **(ii)** May incur increases in property insurance premiums or cancellation of such insurance policies; and **(iii)** Will be responsible for making appropriate disclosures concerning compliance with the property's defensible space laws when reselling the property.
- D. OPTIONAL DISCLOSURE AND REPORTS:** Even if the property is not in either of the zones specified above, or if the Seller is unable to determine whether the property is in either of those zones, if the property is in or near a mountainous area, forest-covered lands, brush-covered lands, grass-covered lands, or land that is covered with flammable material, a Seller may choose to make the disclosures because a Buyer might consider the information material. Reports in the Seller's possession that materially affect the value and desirability of the property shall be Delivered as provided by the agreement.
- 6. BUYER/TENANT ACKNOWLEDGEMENT:** Buyer/Tenant understands that Real Estate Agents and Real Estate Brokers have no authority or expertise in providing guidance through the process of investigating the concerns described herein. Buyer/Tenant has an affirmative duty to exercise reasonable care in protecting themselves.

By signing below, Buyer/Tenant acknowledges that they have received a copy of this Wildfire Disaster Advisory, and they have read and understand its terms.

WATER-CONSERVING PLUMBING FIXTURES AND CARBON MONOXIDE DETECTOR ADVISORY

(C.A.R. Form WCMD, Revised 6/24)

1. WATER-CONSERVING PLUMBING FIXTURES

A. INSTALLATION:

- (1) **Requirements:** California law (Civil Code §§ 1101.4 and 1101.5) requires all single-family residences, multi-family and commercial property built on or before January 1, 1994 to be equipped with water-conserving plumbing fixtures. Additionally, a residential and commercial property built on or before January 1, 1994 that is altered or improved is required to be equipped with water-conserving plumbing fixtures as a condition of final approval if the alteration or improvement increases floor area space by more than 10 percent, or has a cost greater than \$150,000, or for any room in a building which requires a building permit.
- (2) **Exceptions:** These requirements do not apply to (i) registered historical sites, (ii) real property for which a licensed plumber certified that, due to the age or configuration of the property or its plumbing, installation of water-conserving plumbing fixtures is not technically feasible, or (iii) a building for which water service is permanently disconnected. Additionally, there is a one-year exemption for any building slated for demolition, and any city or county that has adopted a retrofit requirement prior to 2009 is itself exempt. (Civil Code §§ 1101.6, 1101.7, and 1101.9.)

B. Disclosure of Water-Conserving Plumbing Fixtures: Although the installation of water-conserving plumbing fixtures is not a point-of-sale requirement, California Civil Code §§ 1101.4 (single family properties beginning 2017) and 1101.5 (multifamily and commercial properties beginning 2019) require the seller to disclose to the buyer the requirements concerning water-conserving plumbing fixtures and whether the property contains any noncompliant water fixtures.

C. Noncompliant Water Fixtures: Noncompliant water fixtures are any of the following: (i) any toilet manufactured to use more than 1.6 gallons of water per flush, (ii) any urinal manufactured to use more than one gallon of water per flush, (iii) any showerhead manufactured to have a flow capacity of more than 2.5 gallons of water per minute, (iv) any interior faucet that emits more than 2.2 gallons of water per minute. (Civil Code § 1101.3.) Buyer and Seller are each advised to consult with their own home inspector or contractor to determine if any water fixture is noncompliant. Buyer is advised to investigate the cost to bring any noncompliant water fixtures into compliance before removing the investigation contingency.

2. CARBON MONOXIDE DETECTORS:

A. INSTALLATION:

- (1) **Requirements:** As of January 1, 2013, California law (Health and Safety Code §§ 13260 to 13263 and 17926 to 17926.2) has required the following types of dwelling units intended for human occupancy have carbon monoxide detectors installed: single-family dwellings, duplex, lodging house, dormitory, hotel, condominium, time-share and apartment, among others.
- (2) **Exceptions:** The law does not apply to a dwelling unit which does not have any of the following: a fossil fuel burning heater or appliance, a fireplace, or an attached garage. The law does not apply to dwelling units owned or leased by the State of California, the Regents of the University of California or local government agencies. Aside from these three owner types, there are **no other owner exemptions** from the installation requirement; it applies to all owners of dwellings, be they individual banks, corporations, or other entities. There is no exemption for REO properties.

B. DISCLOSURE OF CARBON MONOXIDE DETECTORS: The Health and Safety Code does not require a disclosure regarding the existence of carbon monoxide detectors in a dwelling. However, a seller of residential 1-4 property who is required to complete a Real Estate Transfer Disclosure Statement, (C.A.R. Form TDS) or a Manufactured Home and Mobilehome Transfer Disclosure Statement (C.A.R. Form MHTDS) must use section II A of that form to disclose whether or not the dwelling unit has a carbon monoxide detector.

C. COMPLIANCE WITH INSTALLATION REQUIREMENT: State building code requires at a minimum, placement of carbon monoxide detectors in applicable properties outside of each sleeping area, and on each floor in a multi-level dwelling but additional or different requirements may apply depending on local building standards and manufacturer instructions. An owner who fails to install a carbon monoxide detector when required by law and continues to fail to install the detector after being given notice by a governmental agency could be liable for a fine for each violation. A transfer of a property where a seller, as an owner, has not installed carbon monoxide detectors, when required to do so by law, will not be invalidated, but the seller/owner could be subject to damages, plus court costs and attorney fees. Buyer and Seller are each advised to consult with their own home inspector, contractor or building department to determine the exact location for installation of carbon monoxide detectors. Buyer is advised to consult with a professional of Buyer's choosing to determine whether the property has carbon monoxide detector(s) installed as required by law, and if not to discuss with their counsel the potential consequences.

3. LOCAL REQUIREMENTS: Some localities maintain their own retrofit or point of sale requirements which may include the requirement that water-conserving plumbing fixtures and/or a carbon monoxide detector be installed prior to a transfer of property. Therefore, it is important to check the local city or county building and safety departments regarding point of sale or retrofit requirements when transferring property.

By signing below, Buyer and Seller each acknowledge that they have read, understand, and have received a copy of this Water-Conserving Plumbing Fixtures and Carbon Monoxide Detector Advisory

Buyer Insurance Advisory

Property Address: 878 Chata St, Nipomo, CA 93444

Some insurance carriers in California have stopped writing new Homeowners Policies as well as Renters Policies while others are limiting the number of new policies written. These changes may affect the availability and/or the cost of insurance.

Buyer is advised to make all insurance inquiries as early in the homebuying process as possible. Buyer should reserve contingencies to investigate the availability and cost of insurance when entering into a Purchase Agreement and should retain those contingencies until satisfied regarding the availability and cost of insurance. Additionally, Buyer should carefully review the Purchase Agreement, other advisories, and disclosures for information and terms relating to the investigation of insurability and contingencies relating thereto.

NOTE: Insurability encompasses various types of insurance which may include fire insurance, flood insurance, earthquake insurance, and various other coverages. Buyer is advised to consult with a qualified insurance professional to understand insurance availability and cost **prior** to removal of any related contingencies.

More information on residential insurance may be found here from the California Department of Insurance:

<https://www.insurance.ca.gov/01-consumers/105-type/95-guides/03-res/res-ins-guide.cfm>

Should Buyer elect to waive contingencies for the availability and cost of insurance they are doing so against and contrary to the advice of the Broker.

Buyer hereby acknowledges receipt of this Advisory:

BUYER PRELIMINARY TITLE REPORT ("PTR") ADVISORY

PROPERTY ADDRESS: 878 Chata St, Nipomo, CA 93444

As the buyer, you have or will receive a copy of a Preliminary Title Report (PTR) in the "Disclosure Package" prior to submitting a Purchase Agreement or from the Title Company after the Purchase Agreement is ratified. The PTR is one of the most important documents in the transaction because it contains information regarding recorded documents affecting the Property and its use, including but not limited to exceptions, restrictions, and easements that could affect the property, its use and future development.

It is important that you carefully review the PTR, and any related documents that you have received including copies of easements, liens, encumbrances and judgments. Most often the PTR will be delivered electronically and will include hyperlinks that, when clicked, will take you directly to those documents. It is essential that you take the time to review all documents either prior to submitting a purchase agreement or during any inspection phase of the purchase depending on how your particular transaction is structured.

If you believe you have not received copies of documents which are referenced in the PTR, you should request any and all documents and satisfy yourself as to the suitability of the property before removing any associated contingencies.

If you have any questions regarding these documents or what they mean, you will be directed to a title officer at the Title Company who may be able to assist you. If you need additional information, you should consult with a qualified California real estate attorney. Real estate agents cannot advise on the meaning or effect of such documents.

I/We acknowledge receiving this Advisory and agree and understand the importance of carefully reviewing the Preliminary Title Report and all related documents whether included with the Report or available through a hyperlink to those documents.

Seller: _____ Date: _____

BUYER HOMEOWNERS' INSURANCE ADVISORY (C.A.R. Form BHIA, 6/24)

- 1. IMPORTANCE OF OBTAINING PROPERTY INSURANCE:** If the property you are purchasing is destroyed or damaged due to natural disaster or accident or some other event, insurance may be available to help with the cost of repair or rebuilding. In the absence of property insurance, the homeowner would be responsible for the full expense. If the property is purchased with a loan, or refinanced, the lender will require an insurance policy protecting its interest. Insurance policies can cover damage due to one or more of the following: fire, flood, earthquake and other causes. The policy or an insurance broker should be consulted to determine when coverage applies and whether a supplement or rider can be purchased to provide additional coverage or if a separate policy is necessary.
- 2. PROPERTY INSURANCE AND PURCHASE CONTRACT TERMS:** Your real estate purchase contract may contain a contingency that gives you the right to legally cancel the agreement within a specified time if you are unable to obtain or afford property insurance. This cancellation right may be a specific contingency pertaining to insurance or may be part of an overall investigation contingency. If buyer waives or removes the applicable contingency before determining the availability and cost of property insurance, buyer is acting against the advice of broker. Additionally, if the property is part of an HOA, lenders may require and buyers will want to know that the HOA has adequate insurance to cover the areas for which the HOA is responsible.
- 3. CALIFORNIA'S PROPERTY INSURANCE MARKET:** Some insurance carriers in California have stopped issuing new property insurance policies and others are limiting the number and location of new policies, due to rising replacement costs and an increase in natural disasters. These changes may affect both the availability and cost of insurance. However, over 50 insurance carriers are admitted to sell property insurance in California so it may be possible to obtain insurance even if some carriers will not write a new policy covering the property you intend to buy. An insurance broker may also be able to find a non-admitted insurance carrier offering to insure the property you intend to buy. Because locating an affordable insurance policy could take time and effort, buyers are advised to make all insurance inquiries as early in the home buying process as possible.
- 4. INSURANCE CONDITIONS:** Many insurance carriers impose physical condition standards before issuing a policy, or reserve the right to cancel policies even after they are issued, if certain minimum standards are not confirmed in an inspection or otherwise. Physical conditions standards could include, but are not limited to, prohibition of "knob and tube" electrical wiring, requirements related to piping/plumbing materials, standards related to the age and/or quality of the roof or foundation, minimal safety standards related to handrails, tripping hazards, and defensible space requirements.
- 5. RESOURCES:** The California Department of Insurance (DOI) maintains a website addressing Residential Home insurance. Resources on this State government webpage include: **(i)** Top Ten tips for Finding Residential Insurance; **(ii)** Residential Insurance Company Contact List; **(iii)** Home Insurance Finder; and **(iv)** information on other insurance issues. The webpage also includes information on how to contact the DOI, and suggestions on what to do if you cannot find insurance. The webpage and link to other documents is located at <https://www.insurance.ca.gov/01-consumers/105-type/5-residential/index.cfm>.
- 6. BROKER RECOMMENDATION:** Buyer is advised to explore available property insurance options early in the home buying process and to consult with a qualified insurance professional of buyer's choosing to understand insurance availability and cost prior to removal of any related contingencies. Real estate brokers do not have expertise in this area.

By signing below, Buyer acknowledges that Buyer has read, understands, and has received a copy of this Buyer Homeowners' Insurance Advisory.

LOCAL AREA DISCLOSURES CENTRAL COAST REGION San Luis Obispo & North Santa Barbara Counties

Property Address: 878 Chata St. Nipomo, CA 93444 (the "Property") may be in the vicinity of, or subject to, including but not limited to one or more of the following conditions. These conditions may affect the value of the property and/or the Buyer's safety, enjoyment, development potential of current or future intended or desired use by Buyer. The Buyer should conduct thorough investigations of the Property both personally and with appropriate professionals. The following list is not to be construed as an all inclusive representation.

Water Regulations in Santa Barbara and San Luis Obispo Counties. The state of California has adopted the SGMA (Sustainable Groundwater Management Act) that requires cities, unincorporated areas and counties to enact new regulations for water use in all groundwater basins of California. <https://water.ca.gov/Programs/Groundwater-Management/SGMA-Groundwater-Management>

Sewer Line Requirements: San Luis Obispo City - <https://sanluisobispo.municipal.codes/Code/13.08.395>

Vacation Rentals/Short Term Rentals. Many communities throughout the Central Coast have restrictions in place regarding the legalities of short-term rentals (less than 30 days). Buyer should investigate the local ordinances in place regarding short-term rentals that may apply to the property.

Federal Penitentiary/State Prison/State Hospital. There are Federal and State correctional facilities located in or near San Luis Obispo, Atascadero and Lompoc.

The Sale, Use and Cultivation of Cannabis. Federal law still prohibits the sale, use, and cultivation of Cannabis. However, local governmental entities have and will be creating various zones where Cannabis can be sold and/or cultivated for sale. Further, there are state and local laws in conflict with federal law that allows, with limitations, the personal cultivation and use of Cannabis on residential property. It is recommended that Buyer contact all federal, state and local governmental entities to identify the proximity and legality of such sale and/or cultivation for sale and personal cultivation and use of Cannabis.

Flight Paths. The frequency and hours of air traffic, flight paths and altitude, and other factors related to airport use are subject to change. Investigate all existing and future plans or changes in air traffic activity. For additional information contact: Santa Maria Public Airport District at 805-922-1726; Santa Ynez Valley Airport Authority at 805-688-8390; San Luis Obispo County Regional Airport at 805-781-5205; Lompoc Airport at 805-736-4085; Paso Robles Airport at 805-237-3877 or the Oceano Airport at 805-4732001. <https://santaynezairport.com/> <https://www.sloairport.com/> <https://www.prcity.com/330/Airport>

<https://santamaria.com/list/member/santa-maria-public-airport-746> <https://www.oceanoairport.com/>

<https://www.cityoflompoc.com/government/departments/public-works/transportation/lompoc-airport>

Asphalt/Concrete Processing. The processing of asphalt and concrete has and does occur in various locations throughout the Central Coast Region.

Sewage and/or Wastewater Treatment Plant. Investigate the location of the plant nearest the Property.

Landfills. There may be landfills in the general vicinity of the Property that accept waste for disposal and recycling.

Diablo Canyon Nuclear Emergency Response Zone. There is a nuclear power plant at Diablo Canyon, California, located on the California coast near San Luis Obispo. Buyer should consult a map to determine the proximity of this facility to the Property and whether it will have any impact on the Property. It is currently on a list of nuclear power plants awaiting decommissioning. <http://www.prepareslo.org/en/emergency-planning-zone-information.aspx>

Agricultural Chemicals. Agricultural properties and/or businesses may use chemicals and/or pesticides on a regular basis. Exposure to agricultural chemicals has been linked to certain health issues.

Oil Processing / Sour Gas Pipeline / Plant. There are oil processing and refining facilities including, but not limited to, the Phillips 66 Santa Maria Facility located adjacent to State Highway 1 on the Nipomo Mesa and a plant north of Mission Hills, northeast of Lompoc. <http://sbcountyplanning.org/energy/projects.asp>

Buyer: _____

Seller:  _____

COMPASS

Pine Pitch Canker Disease. Pine Pitch Canker disease has been found in pine trees in Santa Barbara and San Luis Obispo Counties. Pine Pitch Canker is a fungal disease that may lead to a general decline in tree health or, in some cases, premature tree death. www.ipm.ucdavis.edu/PMG/PESTNOTES/pn74107.html

Oil Sumps and/or Capped Oil Wells. There has been significant oil exploration, drilling and processing in the Santa Maria Valley and areas surrounding Lompoc. Such activities can result in the contamination of the earth with toxic substances which can create health problems. Fill dirt used in the Santa Maria Valley and in the vicinity of the Property may have come from areas of past oil exploration and drilling and may contain contaminants resulting from that work. Some neighborhoods in the Santa Maria/Orcutt area, particularly Sunrise Hills Estates, have experienced ill effects of historic oil exploration, including but not limited to soil contamination, lawsuits and demolition of homes. Contact California Department of Oil and Gas, Santa Maria office 805-937-7246.

Powder Post Beetle Infestation. <http://www.ipm.ucdavis.edu/PMG/PESTNOTES/pn7418.html>

Tiger Salamander. There are California Tiger Salamander (the "Salamander") habitats located in the Los Alamos and Santa Maria Valleys, the Purisima Hills southwest of Los Alamos and the Santa Rita Valley on Highway 246, west of Buellton. The U.S. Fish and Wildlife Service has declared the Salamander an endangered species. Buyer's ability to develop and use the Property as intended may be affected if there are Salamanders living on or near the Property.

Oceano Dunes Air Particulates. The effect of particulate matter from the Oceano Dunes on air quality and health on the Nipomo/Arroyo Grande/Palo Mesa areas is being studied and is the subject of litigation. <http://www.slocleanair.org/air/pmstudydata.php>

Vandenberg Air Force Base. There is operational military aircraft noise and noise associated with the operation and launching of Department of Defense (DOD) ballistic missiles and DOD civilian space satellite launches. The Base is located on federal property north and west of Lompoc, California and, if needed, will operate 24 hours a day, 7 days a week. www.vandenberg.af.mil

Casmalia Resources Superfund Site. Formerly the Casmalia Resources Hazardous Waste Management Facility. Now inactive. <https://cumulis.epa.gov/supercpad/SiteProfiles/index.cfm?fuseaction=second.Stayup&id=0901257#Stayup>

Diatomaceous Earth Mining/Processing. There is a diatomaceous earth mining operation located in or near Lompoc. <https://www.ourair.org/lompoc-diatomite-plant>

Soils Instability - Somerset Court, Somerset Place, Crestview Terrace and Foothill Estates, Lompoc. Buyer is advised to investigate these areas for past occurrences.

Chumash Casino. Buyer is aware that there is a large gaming facility located at 3400 East Highway 246, Santa Ynez, California which is part of the Chumash Indian Reservation. Buyer is aware that there may be plans for future development. Broker recommends that Buyer investigate all matters related to this facility that might affect the Property including but not limited to traffic, noise, crime, sewage/septic and community relations. www.chumashcasino.com

Other Matters. Seller and Buyer understand and agree that this document is not a complete list of all matters concerning Property in the counties of Santa Barbara and San Luis Obispo. Buyer is strongly encouraged to conduct a complete investigation of the above matters as well as any other concerns that Buyer deems appropriate and to consult with appropriate specialists, experts, or other professionals.

WIRE FRAUD AND ELECTRONIC FUNDS TRANSFER ADVISORY (C.A.R. Form WFA, Reviewed 6/25)

WIRE FRAUD AND ELECTRONIC FUNDS TRANSFERS ADVISORY:

The ability to communicate and conduct business electronically is a convenience and reality in nearly all parts of our lives. At the same time, it has provided hackers and scammers new opportunities for their criminal activity. Many businesses have been victimized and the real estate business is no exception.

While wiring or electronically transferring funds is a welcome convenience, we all need to exercise extreme caution. Emails attempting to induce fraudulent wire transfers have been received and have appeared to be legitimate. Reports indicate that some hackers have been able to intercept emailed transfer instructions, obtain account information and, by altering some of the data, redirect the funds to a different account. It also appears that some hackers were able to provide false phone numbers for verifying the wiring or funds transfer instructions. In those cases, the victim called the number provided to confirm the instructions, and then unwittingly authorized a transfer to somewhere or someone other than the intended recipient.

ACCORDINGLY, YOU ARE ADVISED:

1. Obtain phone numbers and account numbers only from Escrow Officers, Property Managers, or Housing Providers at the beginning of the transaction.
2. **DO NOT EVER WIRE OR ELECTRONICALLY TRANSFER FUNDS PRIOR TO CALLING TO CONFIRM THE TRANSFER INSTRUCTIONS. ONLY USE A PHONE NUMBER YOU WERE PROVIDED PREVIOUSLY.** Do not use any different phone number or account number included in any emailed transfer instructions.
3. Orally confirm the transfer instruction is legitimate and confirm the bank routing number, account numbers and other codes before taking steps to transfer the funds.
4. Avoid sending personal information in emails or texts. Provide such information in person or over the telephone directly to the Escrow Officer, Property Manager, or Housing Provider.
5. Take steps to secure the system you are using with your email account. These steps include creating strong passwords, using secure WiFi, and not using free services.

If you believe you have received questionable or suspicious wire or funds transfer instructions, immediately notify your bank, and the other party, and the Escrow Office, Housing Provider, or Property Manager. The sources below, as well as others, can also provide information:

Federal Bureau of Investigation: <https://www.fbi.gov/>; the FBI's IC3 at www.ic3.gov; or 310-477-6565

National White Collar Crime Center: <http://www.nw3c.org/>

On Guard Online: <https://www.onguardonline.gov/>

NOTE: There are existing alternatives to electronic and wired fund transfers such as cashier's checks.

The term "Housing Provider" also includes Landlord or Rental Property Owner.

By signing below, Buyer/Tenant and Seller/Housing Provider acknowledge that each has received a copy of this Wire Fraud and Electronic Funds Transfer Advisory, and each has read and understands its terms.

BUYERS HOMEOWNERS' ASSOCIATION ADVISORY

(C.A.R. Form BHAA, 6/24)

California Civil Code section 4525 requires sellers of condominiums and other common interest or planned unit developments ("CID") to provide buyers with governing, financial, and other documents and information created and maintained by a Homeowners Association ("HOA"). These documents may be quite lengthy, causing buyers not to take the time to make a careful review of all HOA materials. Before deciding to proceed with the purchase transaction, it is critical that buyers carefully review all HOA documents to determine for themselves if the property they are acquiring meets their current and future needs for use and enjoyment of the property. As part of this review, Buyer should also consider if any of the documentation has not been provided, is incomplete, or missing.

BUYER:

YOU ARE STRONGLY ADVISED BY YOUR BROKER TO REVIEW ALL HOMEOWNER ASSOCIATION DOCUMENTS WITH APPROPRIATE PROFESSIONALS, IF NECESSARY, TO UNDERSTAND THEIR CONTENTS. YOU ARE FURTHER ADVISED TO CAREFULLY REVIEW THE PRELIMINARY TITLE REPORT TO DETERMINE ALL THE RECORDED DOCUMENTS RELATED TO HOMEOWNERS ASSOCIATIONS, WHICH COULD INCLUDE, BUT ARE NOT LIMITED TO, DEED RESTRICTIONS AND THE EXISTENCE OF MULTIPLE HOAs AFFECTING THE PROPERTY.

THESE DOCUMENTS WILL GOVERN, AFFECT AND, IN SOME CASES, LIMIT YOUR CURRENT AND FUTURE USE AND ENJOYMENT OF THE PROPERTY.

All HOA documents and disclosures are important, however, the following are often areas of concern for buyers of property located in a CID.

- 1. Covenants, Conditions, and Restrictions ("CC&Rs"):** The CC&Rs are the main governing document of the HOA. Generally, the CC&Rs describe the property rights, duties, and obligations of the HOA and the individual members. CC&Rs are formal documents recorded with the County Recorder and are extremely difficult to amend or change.
- 2. Bylaws, Rules and Regulations:** Bylaws address the governance and operation of the HOA, including voting and election requirements, the number of directors and their term length, how and when meetings are held, and the meeting procedures. If promulgated by the HOA, the Rules and Regulations usually detail how the HOA will handle routine, day-to-day matters often affecting common area usage, expenses, etc.
- 3. Minutes:** HOAs are required to prepare Minutes of Board of Directors' Meetings detailing past, current, and future (proposed) events, issues, and expenses such as existing or planned litigation, repairs, improvements or needed change in the dues and/or additional assessments. They reflect the decisions and reasons for those decisions, but are not a transcript of the meetings. The Minutes are often the best source of information regarding issues related to the common areas, the individual units, special and increased assessments, and the ability to use and enjoy the property after escrow closes.
- 4. Financial Information:** The financial information from the HOA may be contained in numerous documents, including but not limited to: Pro Forma Operating Budget, Assessment and Reserve Funding Disclosure Summary, Financial Statement Review, Assessment Enforcement Policy, Insurance Summary, Regular Assessment, Special Assessments, and Emergency Assessments. The financial status of HOA could impact the future costs of owning the property.

Reserves: Buyers should determine if reserves are properly and adequately funded and if there are many homeowners who are delinquent on payments for dues and assessments. Generally, associations are required to prepare a reserve study, and, at least every three years, cause to be conducted a reasonably competent and diligent visual inspection.

Wood Balconies, Stairs and Other Structures; Reserve Requirements: Prior to January 1, 2025, buildings with three units or more, may be required to obtain an inspection of exterior balconies, stairways, walkways, or decks that are supported in whole or in substantial part by a wood or wood-based materials. For condos, the HOA will be responsible for the inspections per its governing documents. An inspection report must be incorporated into a condo HOA's study of reserve account requirements. This could in turn affect lender certification requirements as well as future dues and assessments. A balcony report that identifies an immediate threat to the safety of the occupants will require the condo HOA or owner to prevent access to the balcony further impacting a property's marketability.

Pending and Future Assessments: The Minutes and the HOA disclosure form itself may contain critical information and comments regarding pending or future assessment.

Special or Emergency Assessments: Buyers need to know if special or emergency assessments are currently due in full or whether they are due only in monthly installments. If it is not clear, buyer should request clarification from the HOA. The Purchase Agreement will determine whether the assessment payment will be paid by the seller at Close of Escrow, or whether the payments are prorated, and the buyer will be responsible for the monthly payments after Close of Escrow.

There are independent services available which will review the HOA documentation and give an opinion of the financial status of a HOA for a fee which is typically \$300.00 to \$500.00 depending upon the services to be provided and the extent of the HOA documentation. Real estate licensees are not qualified to assess the financial viability of any HOA.

If you have any questions or concerns about the financial status, strength, or stability of the HOA, contact your accountant who may be able to provide a professional assessment of the HOA's finances.

- 5. Rental Restrictions:** The HOA may have restrictions and/or prohibitions on your ability to rent your unit. These restrictions may be based on the number/percentage of units that are allowed to be rented, and the approval process associated with rentals. The HOA may also put restrictions on the ability to enter into a short term rental. Some HOAs have even gone so far as to completely prohibit rentals for all new owners; however, a 2021 law requires HOAs to allow at least 25% of the units to be rented or leased regardless of what the HOA governing documents state. In addition to the HOA restrictions, the city may also impose rental control and eviction control ordinances that may impact your decisions to rent the unit. You should investigate these issues with the HOA and the appropriate government authority to determine whether this property meets your needs. These restrictions may affect your decision to purchase the Property.
- 6. Lending Considerations:** Lenders may have certain qualifications that are required from the HOA before they provide financing on your purchase. Many lenders will require the HOA to provide a lender certification document, providing information regarding the HOA. Additionally, lenders will generally require the HOA to have a general insurance policy covering the HOA, which has become less available and more costly in California due to rising replacement costs and an increase in natural disasters. They may require a certain percentage of owner occupied units within the HOA. Further, if you are seeking a FHA or VA loan, the lender may require the HOA to be FHA/VA approved prior to making a loan. You should inquire with your lender and the HOA to determine what will be required in order to obtain financing.
- 7. Noise:** Due to noise and other factors, HOAs often restrict the type of floor and/or wall material that can be used in certain units and/or the number of pets. You should directly contact the HOA Board to determine whether the property can be used for your intended purposes. You should also determine whether the property meets your subjective personal preferences and needs.
- 8. Common Areas:** Those portions of a CID that are not wholly owned by the individual homeowners are designated as "Common Areas". Usually, the CC&Rs and/or the Bylaws will define what constitutes the Common Areas, how they are used, who gets to use them, and who is responsible for maintenance. Some Common Areas may be available for use by all members and their guests, such as a lobby or garden. However, some Common Areas may be "Restricted" or "Exclusive Use" Common Areas with access limited to certain homeowners (this is often true with swimming pools and spas especially when there are multiple HOAs within a CID), or may be restricted to just one homeowner, such as a roof, deck, balcony, or patio. In some instances, the homeowner may be responsible for maintenance of certain Restricted or Exclusive Use Common Areas. You should determine for yourself whether there are any restrictions affecting the Common Areas which could impact your intended use and enjoyment of the property.
- 9. Parking and Storage:** You should determine for yourself whether the allotted parking space(s) are adequate to park your vehicle(s) in the assigned spaces by actually parking in those spaces. Parking space(s) and storage space(s), if any, may be described in a Condominium Map or in the Preliminary Report issued by a Title Company. The actual markings, striping and numbering of these space(s) may not accurately reflect the actual spaces and may be in conflict with the space(s) designated in the recorded documents. It is therefore crucial that you personally determine if the parking and storage space(s) that are designated in the recorded documents are actually the space(s) being transferred to you and that those space(s) are acceptable for your needs and intended uses of the property.
- 10. Litigation:** Many CIDs have been involved in, or are presently involved in, or may become involved in, litigation regarding the design, construction, maintenance and/or condition of all or a part of the Development. Whether or not these lawsuits are successful, litigation is expensive, and the cost of such legal actions may impact not only the adequacy of the HOA reserves but also the amount of current or future assessments. Such litigation may also impact the willingness of lenders to make a loan secured by the property, and buyer's ability to obtain a loan to purchase the property.
- 11. Special Needs:** HOA documents may limit the number and size of animals allowed in units. Fair Housing Laws may impact the effect of such rules on "service" and/or "companion" animals. HOAs on their own, or because of local ordinances, may limit or completely ban smoking and/or vaping in common areas or units. The ability for new buyers to rent units and/or to operate any type of business may also be limited or completely forbidden. Therefore, it is important that you review all HOA documents to ascertain whether there are any limitations on your particular needs or planned use of the property.
- 12. Brokers:** Real estate licensees who forward HOA documentation to you have not verified and will not verify either the information provided or the completeness or accuracy of the documentation unless they agree to do so in writing.

The undersigned Buyer acknowledges receipt of this 2-page Advisory.

TRUST ADVISORY
For Properties Being Sold by the Trustee of a Trust
 (C.A.R. Form TA, Reviewed 6/25)

Property is being held in a revocable or irrevocable trust for the benefit of those persons or entities named as beneficiaries in the trust. For the purpose of the sale of Property, the trustee of the trust is treated as the Seller. Even if Seller is exempt from some obligations, Seller must still comply with many others. This Advisory is intended to inform Buyer and Seller of their rights and obligations independent of those established by the contract between them. **If Property is placed in a trust, any trustee must complete a TDS and other disclosures that would be required of other owners if: (i) any such trustee is a natural person AND (ii) the trust is a revocable trust, AND (iii) the trustee either is the former owner of Property or was an occupant in possession of Property within the preceding year. The disclosures are required of any trustee who meets the above requirements even if other trustees do not.**

1. SELLER MAY BE EXEMPT FROM THE FOLLOWING:

- A. (1) Disclosure Statements:** Seller, unless specified in **paragraph 1A(2)**, does not have to complete, sign and provide Buyer with a Real Estate Transfer Disclosure Statement or Natural Hazard Disclosure Statement (C.A.R. Forms TDS and NHD). **Seller remains obligated to make the disclosures and comply with the items specified in Paragraph 1.**
- (2)** If Property has been placed in a trust, the trustee(s) of the trust is considered the Seller for the purpose of complying with disclosure laws. Seller must complete, sign and provide Buyer with a TDS if (i) the Seller is a natural person, AND (ii) the trust is a revocable trust, AND (iii) the trustee is either a former owner of the Property or was an occupant in possession of the Property within the preceding year.
- B. Other Exemptions:** Unless **paragraph 1A(2)** applies, Seller is exempt from providing Buyer with a Mello-Roos district lien disclosure, an Improvement Bond Act of 1915 notice, a Supplemental Property Tax notice, a Notice of Private Transfer Fee pursuant to California Civil Code § 1102 et seq. and completing and providing either a Homeowner's or Commercial Property Owners Guide to Earthquake Safety, including any corresponding form.
- C. Exempt Seller Disclosures:** Even exempt Sellers have statutory or contractual obligations to make certain disclosures and may, or are required by contract to, use an Exempt Seller Disclosure (C.A.R. Form ESD) and is strongly encouraged to do so.

2. SELLER MUST COMPLY WITH THE FOLLOWING:

- A. Known Material Fact Disclosures:** Seller is obligated to disclose known material facts affecting the value and desirability of the Property even if the specific Real Estate Transfer Disclosure Statement Form is not required to be completed.
- B. Hazard Zones:** Seller is not exempt from applicable statutory obligations to disclose earthquake fault zones, seismic hazard zones, state fire responsibility areas, very high fire hazard severity zones, special flood hazard areas and flood hazard zones pursuant to the Public Resources Code, Government Code and United States.
- C. Smoke Alarms:** The sale is not exempt from the State requirements that, for residential one to four units, operable smoke alarms (smoke detectors) be in place. It is negotiable between Buyer and Seller who is to pay for the cost of compliance.
- D. Water Heaters:** The sale is not exempt from the State requirement that water heaters be properly anchored, braced or strapped and that Seller provide a written statement of compliance to Buyer.
- E. Lead-based Paint:** The Seller is not exempt from the federal obligation to: **(i)** disclose known lead-based paint and lead-based paint hazards; **(ii)** provide Buyer copies of reports or studies covering lead-based paint and hazards on the Property; **(iii)** provide Buyer with the pamphlet "Protect Your Family From Lead In Your Home;" and **(iv)** give Buyer a 10-day opportunity to inspect for lead-based paint and hazards, if the Property contains residential dwelling units and was constructed prior to 1978.
- F. Carbon Monoxide Devices:** The sale is not exempt from the State requirement that for all dwelling units in a residential one to four unit property, the owner must install a carbon monoxide device approved and listed by the State Fire Marshal in the dwelling unit if the dwelling unit has a fossil fuel burning heater or appliance, fireplace, or an attached garage.
- G. Water Conserving Plumbing Fixtures:** The Sale is not exempt from the State requirement that **(i) single family residences built before January 1, 1994 be equipped with water conserving plumbing fixtures by January 1, 2017 and multi-family and commercial properties be equipped with water conserving plumbing fixtures by January 1, 2019; (ii) Sellers disclose to Buyers the requirements of the law; and (iii) sellers disclose to Buyers whether the Property contains any non-compliant plumbing fixtures. See C.A.R. Form WCMD for further information.**

H. Tax Withholding: The sale is not exempt from providing information pertaining to the withholding obligation under either the federal "FIRPTA" or the California withholding requirements upon the sale of real property. **Federal:** For federal purposes, a non-resident alien includes a fiduciary. A trustee is treated as a non-resident even if all beneficiaries are citizens or residents of the United States. State: The trust may be exempt from withholding (but not the completion of the real estate withholding certificate) if: **(i)** the trust was revocable prior to the decedent's death; **(ii)** the Property was last used as the decedent's principal residence; and **(iii)** the trustee is electing to treat the trust as part of the decedent's estate under IRC § 645 (see Instructions for FTB Form 593-C).

I. Megan's Law Database Disclosure: The sale is not exempt from the requirement that residential sales contracts contain the following notice regarding the availability of information about registered sex offenders: "Notice: Pursuant to § 290.46 of the Penal Code, information about specified registered sex offenders is made available to the public via an Internet Web site maintained by the Department of Justice at www.meganslaw.ca.gov. Depending on an offender's criminal history, this information will include either the address at which the offender resides or the community of residence and ZIP Code in which he or she resides." (Neither Seller nor Brokers are required to check this website. If Buyer wants further information, Broker recommends that Buyer obtain information from this website during Buyer's inspection contingency period. Brokers do not have expertise in this area.)

3. **OTHER CONSIDERATIONS:**

A. Local Law: Local law may impose obligations on the transfer of real property (such as the installation of low flow toilets or shower heads, emergency gas shut-off valves or installation of smoke detectors). Local law should be consulted to determine if sales by a trustee of a trust are exempt from such requirements.

B. Death: If the Property is being sold because of the death of an occupant of the Property, and if Buyer has concerns about the manner, location or details of the death, then Buyer should direct any specific questions to Seller.

4. **BROKERS:**

A. Inspection: The sale is not exempt from the Broker's obligation to conduct a reasonably competent and diligent visual inspection of the accessible areas of the Property and disclose to Buyer material facts revealed by such an inspection in the sale of residential property containing one-to-four dwelling units. Brokers may do so on C.A.R. Form AVID.

B. Agency: The sale is not exempt from the obligation to provide agency relationship disclosure and confirmation forms in the sale of residential property containing one-to-four dwelling units, commercial Property and vacant land.

By signing below, the undersigned acknowledge that each has received a copy of this Trust Advisory, and each has read and understands its terms.

BUYER'S INVESTIGATION WAIVER

(This form is intended for use between a buyer and buyer's broker.)
(C.A.R. Form BIW, Revised 6/25)

Property Address: 878 Chata St, Nipomo, CA 93444 ("Property").

This form does not alter the legal or contractual relationship between a buyer and seller.

1. **IMPORTANCE OF PROPERTY INVESTIGATION:** Unless otherwise specified in the purchase agreement used, the physical condition of the land and any improvements being purchased is not guaranteed by either Seller or Brokers. For this reason, (i) you should conduct thorough inspections, investigations, tests, surveys and other studies ("Investigations") of the Property personally and with professionals of your own choosing who should provide written reports of their findings and recommendations, and (ii) you should not rely solely on reports provided by Seller or others. A general physical (home) inspection typically does not cover all aspects of the Property nor items affecting the Property that are not physically located on the Property. If any professional recommends additional Investigations, including a recommendation by a pest control operator to inspect inaccessible areas of the Property, you should contact qualified experts to conduct such additional Investigations.
2. **BUYER RIGHTS AND DUTIES:** You have an affirmative duty to exercise reasonable care to protect yourself, including discovery of the legal, practical and technical implications of disclosed facts, and to investigate and verify information and facts that you know or that are within your diligent attention and observation. If the purchase agreement gives you the right to investigate the Property the best way to protect yourself is to exercise this right. However, you must do so in accordance with the terms of, and time specified in, that agreement. It is extremely important for you to read all written reports/disclosures provided by professionals and to discuss the results of Investigations with the professionals who conducted the Investigations.

3. WAIVERS:

- A. **HOME INSPECTION WAIVER:** Broker recommends that Buyer obtain a home inspection, **even if Seller or Broker has provided Buyer with a copy of a home inspection report obtained by Seller or a previous buyer. IF YOU DO NOT DO SO, YOU ARE ACTING AGAINST THE ADVICE OF BROKERS.**

_____/_____. Buyer has decided not to obtain a general home inspection at this time. Unless Buyer makes a subsequent election in writing during Buyer's investigation period, if any, Buyer waives the right to obtain a general home inspection.

- B. **WOOD DESTROYING PEST INSPECTION WAIVER:** Broker recommends that Buyer obtain an inspection for wood destroying pests and organisms (whether paid for by Buyer or Seller). **IF YOU DO NOT DO SO, YOU ARE ACTING AGAINST THE ADVICE OF BROKERS.**

_____/_____. Buyer has decided not to obtain an inspection for wood destroying pests and organisms at this time. Unless Buyer makes a subsequent election in writing during Buyer's investigation period, if any, Buyer waives the right to obtain an inspection for wood destroying pests and organisms.

- C. **OTHER:** Broker recommends that Buyer obtain an inspection for the following items: _____

IF YOU DO NOT DO SO, YOU ARE ACTING AGAINST THE ADVICE OF BROKERS.

_____/_____. Buyer has decided not to obtain the inspection(s) noted above at this time. Unless Buyer makes a subsequent election in writing during Buyer's investigation period, if any, Buyer waives the right to obtain such inspection(s).

4. WAIVERS OF ADDITIONAL INVESTIGATIONS RECOMMENDED BY OTHER REPORTS:

- A. Buyer has received the following Report(s) that recommend that Buyer obtain additional Investigations:

- ☐ General Home Inspection Report, prepared by _____ dated _____
- ☐ Wood Destroying Pest and Organism Report, prepared by _____ dated _____
- ☐ Other Inspection Report, prepared by _____ dated _____
- ☐ Other Inspection Report, prepared by _____ dated _____
- ☐ Other Inspection Report, prepared by _____ dated _____

- B. Broker recommends that Buyer obtain those additional Investigations. **IF YOU DO NOT DO SO, YOU ARE ACTING AGAINST THE ADVICE OF BROKERS.**

_____/_____. Buyer has decided not to obtain any of the additional inspections, investigations, or reports at this time and, unless Buyer makes a subsequent election in writing during Buyer's investigation period, if any, Buyer waives the right to obtain such additional inspections, investigations, or reports.

Buyer represents and agrees that Buyer has independently considered the above, and all other Investigation options, has read all written reports provided by professionals and discussed the results with the professional who conducted the Investigation. Buyer further agrees that unless Buyer makes a subsequent election in writing during Buyer's Investigation period, if any, Buyer waives the right to conduct the Investigation(s) above.
