

Alterations made to this photo

- Tenant belongings removed, including items on the wall shelf and work table, the step ladder, tools, bags, trash can, toy chest, door mat and clothing on the chairs.
- Virtually staged: patio heater, console table with kitchen accessories and herb planter, potted succulents, basket on the steps, and table setting with runner, dishes and lantern added.
- Utility sink removed from the back wall.

The image labeled "Digitally Altered" has been modified using photo-editing software to add, remove or change elements shown. The unaltered original is shown alongside it for comparison. Basic adjustments to brightness, contrast, color balance, cropping and straightening are not listed unless they noticeably change how part of the property looks. Altered images are for illustrative marketing purposes only; buyers should inspect the property and rely on their own investigation of its actual condition.

Alterations made to this photo

- Tenant belongings removed from the counters and windowsill, including the dish rack, cookware, cleaning supplies, towel and decor.
- Virtually staged: cutting board, vase, rooster figure, soap dispenser, spice jars and potted plants added.
