Subject: Steri-Clean invoice - 07062026064

Hi Jane

Please see attached invoice for remaining balance

Our technicians sprayed our fentanyl neutralizer on all areas of the home including the garage ceiling but with major focus on the first-floor common areas due to the testing coming back high.

Steri-Clean strongly recommends independent testing by a Certified Industrial Hygienist to ensure a thorough and defensible evaluation of the property.

I've attached a link to take care of payment
