719 Bourne Court, Danville

About 486 homes in the Shadow Creek neighborhood enjoy access to two community pools, a clubhouse, a playground, and miles of walking trails. Conveniently close to the Blackhawk Plaza and Tassajara Commons' shops and restaurants, it is also near freeway access, the Livermore Valley Wine Country, downtown, parks, and top-rated schools in the San Ramon Valley Unified School District, including Tassajara Hills Elementary, Diablo Vista Middle, and Monte Vista High School.

Open the door to about 3,369 square feet of living space, showcasing white oak-looking, extra-long, wide-planked luxury vinyl flooring, decorative wainscot, wide, freshly painted baseboards, fresh interior paint, soaring vaulted ceilings, recessed lighting, and a sweeping staircase updated with a sleek wrought-iron railing. There are four bedrooms and three bathrooms with freshly painted vanities, including a main-level bedroom and bathroom.

The formal living room and adjacent dining room are spacious and welcoming, enhanced by an updated gas fireplace, large picture windows, stylish light fixtures, and decorative millwork.

The eat-in kitchen was redesigned to create an open, free-flowing connection with the family room. A double-waterfall quartz island/breakfast bar, measuring more than nine feet by five feet, features pendant lighting, storage, under-counter electrical outlets, and an oversized apron sink. Quartz counters with to-ceiling quartz slab backsplashes wrap around custom soft-close cabinetry with sliding pullout shelves while decorative sconces brilliantly illuminate the floating shelves. New stainless appliances include a six-burner Cosmo range with a pot filler, a Z-line microwave drawer, a Samsung four-door refrigerator, and a Samsung dishwasher.

A new electric fireplace (also plumbed for gas) anchors the spacious family room, which features a French door with sidelights that opens to the backyard. Step out to the spacious patio and lawn, bordered by new olive trees, a towering redwood, and terraced garden beds. An expansive side yard offers additional room for play, an outdoor kitchen, and more.

Four bedrooms include a main-level bedroom with mirrored sliding closet doors and recessed lighting and a nearby full bathroom with a painted vanity, updated fixtures, and a tub/shower combination. At the top of the staircase is a spacious landing ideal for a reading nook or study area.

The primary suite is a sizeable room with a vaulted ceiling and plantation shutters on the windows facing the backyard. Create a cozy retreat, or set up a home office or workout space on one side. A walk-in closet is outfitted with custom built-ins and access to attic storage. The en suite features a skylight, a dual-sink vanity, a soaking tub, and a stall shower.

Two more bedrooms are on this level, including one with a large walk-in closet. Both rooms have front-facing view windows, and they share a full bathroom with a dual-sink vanity and a tub/shower combination.

Additional features include a three-car garage with epoxy flooring, new doors, new openers, an EV charger, and storage cabinets; a laundry room with sink, cabinets, and Samsung washer and dryer; an extensive under-stair storage closet; and fresh exterior paint. A roof inspection, attic cleaning, new insulation, and Nest thermostats are also featured.
