Environmental Laboratory Accreditation Program Certification No.1872

November 23, 2022

R. Hambleton Electric and Pump
PO Box 2142
Mariposa, CA 95338

RE: Lab ID No(s): 899

To Whom It May Concern,

Included are the test results for the sample(s) submitted to our laboratory on 11/22/2022.
The results have been approved for release by our Technical Manager as indicated by
the authorizing signature below.

The sample(s) were analyzed for the test(s) indicated on the Chain of Custody (see
attached) and the results relate only to the samples analyzed. Mariposa Public Utility
District's laboratory certifies that the testing was performed in accordance with the
quality system requirements specified in the Environmental Laboratory Accreditation
Program. Any deviations from this standard or from the method requirements for each
test procedure performed will be annotated alongside the analytical result. The sample
results are reported on an "as received" basis, unless otherwise noted.

Thank you for allowing us to serve your water testing needs.

Sincerely,

Chris Toledo, Technical Manager
