Each office is independently owned and operated.

Discover a rare architectural gem where timeless Mid-Century Modern design meets coastal luxury, all framed by breathtaking ocean and Catalina Island views! Designed by world-renowned architect Paul Revere Williams, this extraordinary 1960's residence is situated on an expansive 11,790 sq. ft. corner lot in the coveted Seaview neighborhood of Rancho Palos Verdes. Meticulously reimaged in 2022, this single-level masterpiece honors its architectural heritage while seamlessly incorporating modern sophistication, thoughtful upgrades, and contemporary comforts. Step inside to an inviting open-concept floor plan bathed in natural light, featuring beautiful red oak hardwood floors and distinctive terrazzo tile. The welcoming living room is anchored by a cozy wood-burning fireplace, while an approximately 200 sq. ft. family room addition showcases expansive bifold glass doors opening to a spectacular Trex deck with glass railings, creating a seamless connection between the interior and stunning coastal surroundings. The beautifully remodeled kitchen is a true showpiece, featuring crisp white cabinetry, quartz countertops, a striking ocean-blue backsplash, and a suite of smart LG appliances. Three bedrooms include a serene primary retreat with direct backyard access and a private ensuite bathroom. Additional highlights include a remodeled full bathroom, convenient powder room, an interior laundry area with smart LG appliances with app connectivity, motorized shades on all glass doors, central heating and air conditioning, upgraded electrical and plumbing systems, and a tankless water heater. The outdoor spaces are equally impressive! Extensively enhanced in 2024 with updated hardscaping and new fencing, the expansive grounds offer privacy and a charming edible garden featuring citrus trees, an apple tree, grapevines, and vegetable planters. A detached two-car garage and gated RV or boat parking provide added convenience and flexibility. Ideally situated outside the designated Klondike Landslide Zone and within the prestigious Palos Verdes Peninsula Unified School District, this exceptional property is moments from Ocean Trails, world-class golf, parks, and recreational amenities. Enjoy the tranquility of coastal living with convenient access to the 110 Freeway just a few miles away. This is an extraordinary opportunity to own a piece of architectural history, beautifully reimaged for modern coastal living!
