3. Electrical supply to be provided by agreement with Bryan Texas Utilities.
4. Onsite storage for fire protection per Brazos County requirements to be provided by lot owner.
5. According to the Flood Insurance Rate Map 45041C0215F (Effect. 4/2/2014), a portion of this site is located within a 100-year Zone A flood hazard area.
6. Amenities, entry monuments, landscaping and common areas to be maintained by home owners association.
7. Minimum setbacks for residential lots are as follows:
 - 7.1. Front: 50 feet
 - 7.2. Rear: 20 feet
 - 7.3. Side: 20 feet
 - 7.4. Side/Street: 25 feet
8. The Metes and Bounds Description provided by Kerr Surveying, Plat Date July 28th, 2022.
9. All lots to be restricted to one (1) single family residence per lot.
10. All posted roadway speeds for subdivision to be 30 MPH.
11. All Right of Ways in this Subdivision are to be 70 feet wide per Brazos County requirements with an additional 16 foot dedicated public utility easement on both adjacent sides. All lots to have a 10 foot public utility/drainage easement on side and back lot lines.
12. Detention/Retention facilities to be constructed with phase 1 and connected by temporary drainage swales.
13. No structure or land within this plat shall hereafter be located or altered without first obtaining a Development Permit from the Brazos County floodplain administrator. The minimum lowest finished floor elevation shall be one (1) foot higher than the highest flood elevation that is located within five (5) feet outside the perimeter of the building, or two (2) feet above the Base Flood Elevation ("BFE"), whichever is higher.
14. Rural mailboxes shall be set five (5) feet from the edge of the easement or beehive curbs, when used. All mailboxes within county entered right-of-way shall meet the current TODD standards. Any mailbox that does not meet this requirement may be removed by Brazos County. For Single-Family Residential Developments, Multi-Unit Residential Developments or Manufactured Home Communities, Neighbor Delivery and Collection Box Units ("NOCBU's"), or community mailboxes, shall be required if feasible, these mailbox units should be

installed on low volume intersecting roadways or on private property. Locations for the NOCBUs shall be shown on the construction Plans.
In approving this plat by the Commissioner's Court of Brazos County, Texas, it is understood that the building of all roads, and other public thoroughfares and any bridges or culverts necessary to be constructed or placed is the responsibility of the owner(s) of the tract of land covered by this plat in accordance with the plans and specifications prescribed by the Commissioner's Court of Brazos County, Texas. Said Commissioner's Court assumes no obligation to build any of the roads, or other public thoroughfares shown on this plat, or of constructing any of the bridges or culverts improvements in connection therewith. The County will assume no responsibility for drainage ways or easements in the subdivision, other than those shown or protecting the road system.
It is the responsibility of the owner, not the County, to ensure compliance with the provisions of all applicable state, federal and local laws and regulations relating to the siting and development of this property. The County assumes no responsibility for the accuracy of representations by the other parties in this plat. Floodplain data, in particular, may change. It is further understood that the owners of the tract of land covered by this plat must be held of their own expense of traffic control devices and signage that may be required before the roads in the subdivision have finally been accepted for maintenance by the County.
