

Summary of Listing

157 Lakeview Dr S.

Neighborhood Description

This lakeside community includes a mix of full-time residents and weekend or vacation homes, with approximately 70% occupied year-round. A voluntary homeowners association serves the neighborhood, and most residents participate to access the private boat launch and small park. The area benefits from close proximity to the state park and convenient boating access to Pine Island, both of which add to its appeal. Many homes are newly built or undergoing updates, reflecting an active and well-maintained community.
