

832B W 26TH

Houston, TX 77008

Well-maintained, freestanding two-story home in Houston Heights featuring an award-winning open-concept design with first-floor living, 10-ft ceilings, wood floors, and an oversized kitchen island with granite counters and Bosch stainless appliances. Upstairs, find a versatile game room, a spacious primary suite with a walk-in closet, and two bedrooms with a Jack-and-Jill bath. The south-facing backyard includes Zoysia grass, a retractable shade, and a covered garage overhang. Updates include plantation shutters, solar screens, a 2023 exterior repaint, garage shelving, a security system, and 2024 A/C improvements. Conveniently located near dining, shopping, parks, trails, and major highways.

3 BED | 2.5 BATH | 2498 SQ. FT.
