The real property that you are about to purchase is located in Harris-Montgomery Counties Municipal Utility District No. 386 (the "District") and may be subject to district taxes or assessments. The District may, subject to voter approval, impose taxes and issue bonds. The District may impose an unlimited rate of tax in payment of such bonds. The current rate of the District property tax is \$0.43 on each \$100 of assessed valuation.

The real property that you are about to purchase may also be located within the Enclave at The Woodlands Defined Area and may be subject to defined area taxes in addition to the other taxes of the District. The District may, subject to voter approval, impose defined area taxes and issue defined area bonds. The District may impose an unlimited rate of defined area tax in payment of such defined area bonds. The current rate of the defined area property tax levied by the District on real property located within the Enclave at The Woodlands Defined Area is \$0.52 on each \$100 of assessed valuation.

The total amounts of District bonds payable wholly or partly from property taxes approved by the voters, excluding refunding bonds that are separately approved by the voters, are:

The District is located wholly or partly in the extraterritorial jurisdiction of the City of Houston, Texas (the "City"). In addition, the District is located in whole or in part in the boundaries of The Woodlands Township, a political subdivision of the State of Texas (the "Township"). The Township and the City entered into a Regional Participation Agreement that addresses, among other things, the procedures under which the area of the Township may be excluded from the extraterritorial jurisdiction of the City and thereafter be incorporated as a municipality. In the event of incorporation, the municipality may dissolve the District without its consent if the municipality complies with the procedures and requirements of Chapter 43, Texas Local Government Code, as amended.

The purpose of this District is to provide water, sewer, and drainage facilities and services. Subject to certain limitations, the District may also provide road, parks and recreational, and firefighting facilities and services. The cost of District facilities is not included in the purchase price of your property. The legal description of the property which you are acquiring is described in Exhibit "A" attached hereto and made a part hereof.
