Further:
- (a) The Association shall have the duty, but not the sole duty, and authority to uphold these restrictions and covenants, and provide for the maintenance and upkeep for the common areas of the subdivision.
 - (b) Notwithstanding any provision to the contrary, nothing herein or in the plats above referenced shall be deemed, interpreted or construed as imposing any obligation or obligations whatever upon the Property Owners Association, and the Property Owners Association shall not be liable under any provisions hereof or thereof for any charge, assessment, breach, act or omission to act.
- 22.04 BYLAWS. The Association may adopt whatever rules ("Rules and Regulations") or Bylaws it may choose to govern the organization; provided, however, that same are not in conflict with the terms and provisions hereof.

(a) the right of the Association to suspend the voting rights of a member for any period during which any assessment against his Lot remains unpaid; and

(b) the right of the Association to dedicate, transfer, sell or otherwise convey all or any part of the Common Area subject to conditions as may be agreed to by the members. No such dedication, transfer, sale or conveyance shall be effective unless approved by two-thirds (2/3) of the members, present in person or by proxy, at a meeting duly called for such purpose, at which meeting a quorum is present. It is anticipated that the Association may sell or convey the areas platted as a park and a boat ramp, and such areas may be sold by the Association once such sale of conveyance is approved at a vote of the membership as aforesaid. Should any such property be sold or conveyed by the Association, the Association may place any restrictions and covenants thereon that the Association's Board of Directors deem appropriate.

- 22.07 RENTAL AND LEASING. Subject to the limitation on leasing and rental of properties in the Subdivision, set forth by Section 8.021 hereof, Owner(s) must notify the Association in writing to the Association within seven (7) days of the execution of the lease agreement if their Lots are leased. Owner(s) shall advise the Association, at P. O. Box 624, Livingston, Texas 77351, of the name of the tenant(s) and also the correct mailing address of the Owner of the Property. Owner and Lessee shall comply in all respect with these Restrictions and Covenants. Violation of this Restriction may also subject the Owner to fines as may be provided for by the rules and regulations of the Association, including suspension of voting rights and privileges, as may be determined by the Board of Directors.

ASSESSMENTS

- 22.08 PURPOSE OF ASSESSMENTS. The assessments levied by the Association shall be used exclusively for the purpose of promoting the welfare of the residents in the Property, payment of all legal and other expenses incurred in connection with the enforcement of these Restrictions and Covenants and any Rules and Regulations, payment of all reasonable and necessary expenses in connection with the collection and administration of assessments, and other charges required by these Restrictions and Covenants or that the Board of Directors of the Association shall determine to be necessary to meet the primary purpose of the Association. The use of the annual assessments for any of these purposes is permissive and not mandatory. It is understood that the judgment of the Association as to the expenditure of said funds shall be final and conclusive so long as such judgment is exercised in good faith.

- 22.09 ANNUAL ASSESSMENT. Effective January 1, 2007, the maximum annual assessment shall be ONE HUNDRED AND TWENTY-FIVE AND NO/100 Dollars (\$125.00) per

improved Lot and FORTY-FIVE AND NO/100 DOLLARS (\$45.00) per unimproved Lot.

- (a) From and after January 1, 2005, the maximum annual assessment may be increased by the affirmative votes of a majority of the Association's members who are voting in person or by proxy at a meeting duly called for this purpose, at which meeting a quorum is established, written notice of which meeting shall be sent to all members not less than ten (10) days nor more that sixty (60) days in advance of the meeting setting forth the purpose of the meeting. The limitations hereof shall not apply to any change in the maximum and basis of the assessments resulting from a merger or consolidation in which the Association is authorized to participate under its Articles of Incorporation.
- (b) After consideration of current maintenance costs and future needs of the Association, the Board of Directors may fix the annual assessment at any amount not to exceed the then current maximum annual assessment.

- 22.10 SPECIAL ASSESSMENTS FOR CAPITAL IMPROVEMENT. In addition to the annual assessment authorized above, the Association may levy in any assessment year, a special assessment applicable to that year only, for the purpose of defraying, in whole or in part, the cost of any construction or reconstruction, unexpected repair or replacement of a described capital improvement upon the Common Area, including the necessary fixtures and personal property related thereto, provided that any such assessment shall have the assent of two-thirds (2/3) of the votes of members who are voting in person or by proxy at a meeting duly called for this purpose, written notice of which shall be sent to all members not less than ten (10) days nor more than sixty (60) days in advance of the meeting setting forth the purpose of the meeting. Any such special assessments shall be payable (and the payment therefore may be enforced) in the manner herein specified for the payment and enforcement of the annual assessments, with the due dates for such special assessment being established by the Board of Directors.
- 22.11 QUORUM FOR ANY ACTION AUTHORIZED UNDER SECTION 22.09(a) AND 22.10. At the first such meeting called, the presence at the meeting of members or of proxies entitled to cast thirty percent (30) of all the votes of the membership shall constitute a quorum. If the required quorum is not forthcoming at any meeting, another meeting may be called, without notice other than announcement at the meeting, and the presence of the meeting of members or of proxies entitled to cast fifteen per cent (15) of all of the votes of the membership shall constitute a quorum at any such subsequent meeting which may be held at any time not more than sixty (60) days following the preceding meeting.

- 22.12 DUE DATES. Annual assessments shall be due and payable in advance on January 1 of each year for so long as these Restrictions and Covenants are in effect. The Board of Directors shall fix the annual assessment against each Lot at least thirty (30) days in advance of each annual assessment period; however, the failure by the Board of Directors to fix an annual assessment for any year shall not be deemed a waiver with respect to any of the provisions of these Restrictions and Covenants or release of the liability of any member to pay assessments, or any installment thereof, for that or any subsequent year. In the event of such failure each Owner shall continue to pay the annual assessments established for the previous year until the new annual assessment is established. The new annual assessment established by the Board of Directors shall be applied retroactively to the commencement of the then current assessment year and the deficit shall be paid within thirty (30) days after receipt of a statement therefore. Written notice of the annual assessment shall be sent to every Owner subject thereto.
- 22.13 EFFECT OF NONPAYMENT OF ASSESSMENTS: REMEDIES OF THE ASSOCIATION. Any assessments which are not paid when due shall be delinquent. If the assessment is not paid within sixty (60) days after the due date, the assessment shall bear interest from the date of the delinquency at the rate of ten percent (10%) per annum, the Association may impose a reasonable late charge for late payments of assessment and the Association may bring an action at law against the Owner personally obligated to pay the same, or foreclose the lien against the Property. Interest, late charges, costs and reasonable attorney's fees of any such action shall be added to the amount of such assessment. In addition to the Association's lien for such assessment, each such Owner, by his acceptance of a deed to a Lot, hereby expressly acknowledges personal liability for such assessment. No Owner may waive or otherwise escape liability for the assessments provided for herein by non-use of the Common Area or abandonment of his Lot.
- 22.14 EXEMPT PROPERTY. The following property subject to these Restrictions and Covenants shall be exempt from the assessments created herein: (a) all properties dedicated to and accepted by a local public authority; (b) the Common Area, as well as all Reserves shown on the Plat; and (c) all properties owned by a charitable or nonprofit organization
- 22.15 EXTENSION OF THE LIEN AND PERSONAL OBLIGATION OF ASSESSMENT/DATE OF COMMENCEMENT OF ANNUAL ASSESSMENTS. Notwithstanding any language contained herein to the contrary or otherwise, the assessment lien provided for herein shall be considered the same vendor's lien created in Paragraph No. 22 of the Restrictions and Covenants as originally filed, and as amended and extended hereby. The assessment obligation commenced heretofore upon the recording of the initial Restrictions and Covenants for INDIAN HILL NO. TWO SUBDIVISION. The owner of each Lot owned within the Property, hereby covenants, and each Owner of any Lot by acceptance of a deed therefore, whether or not it shall be expressed in any such deed or other conveyance, is

deemed to covenant and agree to pay to the Association (1) annual assessments or charges, and (2) special assessments to be fixed, established, and collected from time to time as hereinafter provided. The annual and special assessments, together with such interest and late charges thereon and costs of collecting thereof, as hereinafter provided, shall be a charge on the Lots and shall be a continuing lien upon the property against which each such assessment is made. In order to secure the payment of the assessments hereby levied, a vendor's lien for the benefit of the Association, shall be and is hereby reserved in the Deed to the purchase of each Lot or portion thereof.

23. MAINTENANCE OF LOT(S). All Lots must be kept in a sanitary and attractive condition, and regular cutting of grass and weeds is required. No Lot may be used for the storage of material or equipment except when necessary for normal residential requirements or for the ACC approved construction of improvements on the Lots. Lots must be kept free of the accumulation of garbage, trash or rubbish. All clothes lines, yard equipment or storage piles shall be kept screened by a service yard, drying yard or similar facility so as to conceal them from view of neighboring Lots, streets or other properties. In the event of default on the part of the owner of any Lot in observing the above requirements, and if such default continues after thirty (30) days written notice thereof, the Association may take action to correct the default. The Association, or others authorized by the Association, may cut weeds and grass, remove garbage, trash and rubbish or do any other thing necessary to secure compliance with these Restrictions, so as to place said Lot in a neat, attractive, and sanitary condition. There will be no liability associated with this action. The defaulting owner will be charged for the reasonable cost of such work and associated materials. The owner agrees with the purchase of a Lot in Indian Hill No. Two Subdivision to pay such statement immediately upon receipt. If the statement is not paid within thirty (30) days of the date due, then said amount shall accrue interest at the rate of ten (10%) per cent per annum. The payment of such charge is secured by the same lien on the property in question, which secures the charge for such work, the interest accrued, and legal fees and related costs in prosecuting and collecting said amount. Said lien shall only be judicially foreclosed.
24. OPERATION OF WATER COMPANY. Notwithstanding anything contained herein to the contrary, a water company may operate within the Subdivision with such wells, equipment, exterior facilities, signs, office facilities and telephone listings as are reasonably necessary or required by federal, state, or local laws, rules and/or regulations. Accordingly, to permit the efficient and legal operation of such water company providing public water to the Subdivision reasonable and necessary exceptions or variances to the requirements set forth herein may be granted by the Association.
25. Although the Subdivision is located entirely within Polk County, Texas, the Association shall nevertheless have all the powers of a property owner's association as delineated in Chapter 204 of Title 11 of the Texas Property Code, or as may be delineated in any successor statute.
