INFORMATION ABOUT SPECIAL FLOOD HAZARD AREAS

USE OF THIS FORM BY PERSONS WHO ARE NOT MEMBERS OF THE TEXAS ASSOCIATION OF REALTORS®, INC. IS NOT AUTHORIZED.
©Texas Association of REALTORS®, Inc., 2021

CONCERNING THE PROPERTY AT Lot 2
Sargent, TX 77414

A. FLOOD AREAS:

- (1) The Federal Emergency Management Agency (FEMA) designates areas that have a high risk of flooding as special flood hazard areas.
- (2) A property that is in a special flood hazard area is designated on flood insurance rate maps with a zone beginning in a "V" or "A". Both V-Zone and A-Zone areas indicate a high risk of flooding.
- (3) Some properties may also lie in the "floodway" which is the channel of a river or other watercourse and the adjacent land areas that must be reserved in order to discharge a flood under FEMA rules. Communities must regulate development in these floodways.

B. AVAILABILITY OF FLOOD INSURANCE:

- (1) Generally, flood insurance is available regardless of whether the property is located in or out of a special flood hazard area. Contact your insurance agent to determine if any limitations or restrictions apply to the property in which you are interested.
- (2) FEMA encourages every property owner to purchase flood insurance regardless of whether the property is in a high, moderate, or low risk flood area.
- (3) A homeowner may obtain flood insurance coverage (up to certain limits) through the National Flood Insurance Program. Supplemental coverage is available through private insurance carriers.
- (4) A mortgage lender making a federally related mortgage will require the borrower to maintain flood insurance if the property is in a special flood hazard area.

C. GROUND FLOOR REQUIREMENTS:

- (1) Many homes in special flood hazard areas are built-up or are elevated. In elevated homes the ground floor typically lies below the base flood elevation and the first floor is elevated on piers, columns, posts, or piles. The base flood elevation is the highest level at which a flood is likely to occur as shown on flood insurance rate maps.
- (2) Federal, state, county, and city regulations:
 - (a) restrict the use and construction of any ground floor enclosures in elevated homes that are in special flood hazard areas.
 - (b) may prohibit or restrict the remodeling, rebuilding, and redevelopment of property and improvements in the floodway.
- (3) The first floor of all homes must now be built above the base flood elevation.
 - (a) Older homes may have been built in compliance with applicable regulations at the time of construction and may have first floors that lie below the base flood elevation, but flood insurance rates for such homes may be significant.

- (b) It is possible that modifications were made to a ground floor enclosure after a home was first built. The modifications may or may not comply with applicable regulations and may or may not affect flood insurance rates.
- (c) It is important for a buyer to determine if the first floor of a home is elevated at or above the base flood elevation. It is also important for a buyer to determine if the property lies in a floodway.
- (4) Ground floor enclosures that lie below the base flood elevation may be used only for: (i) parking; (ii) storage; and (iii) building access. Plumbing, mechanical, or electrical items in ground floor enclosures that lie below the base flood elevation may be prohibited or restricted and may not be eligible for flood insurance coverage. Additionally:
 - (a) in A-Zones, the ground floor enclosures below the base flood elevation must have flow-through vents or openings that permit the automatic entry and exit of floodwaters:
 - (b) in V-Zones, the ground floor enclosures must have break-away walls, screening, or lattice walls; and
 - (c) in floodways, the remodeling or reconstruction of any improvements may be prohibited or otherwise restricted.

D. COMPLIANCE:

- (1) The above-referenced property may or may not comply with regulations affecting ground floor enclosures below the base flood elevation.
- (2) A property owner's eligibility to purchase or maintain flood insurance, as well as the cost of the flood insurance, is dependent on whether the property complies with the regulations affecting ground floor enclosures.
- (3) A purchaser or property owner may be required to remove or modify a ground floor enclosure that is not in compliance with city or county building requirements or is not entitled to an exemption from such requirements.
- (4) A flood insurance policy maintained by the current property owner does not mean that the property is in compliance with the regulations affecting ground floor enclosures or that the buyer will be able to continue to maintain flood insurance at the same rate.
- (5) Insurance carriers calculate the cost of flood insurance using a rate that is based on the elevation of the lowest floor.
 - (a) If the ground floor lies below the base flood elevation and does not meet federal, state, county, and city requirements, the ground floor will be the lowest floor for the purpose of computing the rate.
 - (b) If the property is in compliance, the first elevated floor will be the lowest floor and the insurance rate will be significantly less than the rate for a property that is not in compliance.
 - (c) If the property lies in a V-Zone the flood insurance rate will be impacted if a ground floor enclosure below the base flood elevation exceeds 299 square feet (even if constructed with break-away walls).

E. ELEVATION CERTIFICATE:

The elevation certificate is an important tool in determining flood insurance rates. It is used to provide elevation information that is necessary to ensure compliance with floodplain management laws. To determine the proper insurance premium rate, insurers rely on an elevation certificate to certify building elevations at an acceptable level above flood map levels. If available in your area, it is recommended that you obtain an elevation certificate for the property as soon as possible to accurately determine future flood insurance rates.

You are encouraged to: (1) inspect the property for all purposes, including compliance with any ground floor enclosure requirement; (2) review the flood insurance policy (costs and coverage) with your insurance agent; and (3) contact the building permitting authority if you have any questions about building requirements or compliance issues.

THE STATE OF TEXAS, X 11018 750
COUNTY OF MATAGORDA. X

DEED
BOOK 523 PAGE 464

Know all men by these presents that Caney Creek Haven, a partnership, owner of Caney Creek Haven Section No. 3, a subdivision of 31.81 acres of land out of the Margaret Wightman One-Quarter League A-102, Matagorda County, Texas, as set out on that map or plat of the same recorded in the Plat Records of Matagorda County, Texas, hereby makes the following declarations as to limitations, restrictions, and uses to which said above lots in said subdivision may be put, hereby specifying that said declaration shall constitute covenants running with said lots as provided by law, and shall be binding on it and all parties and persons claiming under it, and for the benefit of and limitations upon all future owners in said subdivision, this declaration of restrictions being designed for the purpose of keeping said subdivision desirable, uniform and suitable and safeguarded; and if the owner, its successors and assigns, should violate or attempt to violate any of the covenants in this instrument contained, it shall be lawful for any other person or persons owning any lot or lots in said subdivision to take whatever court proceedings may be appropriate under the circumstances then existing to compel the full and complete observance of each and all of such limitations, restrictions, and covenants, and the failure of any period of time to institute court proceedings shall not be held to waive such limitations, restrictions and covenants, or any of them, or the right to enforce them.

It is expressly stipulated and made plain that in the event any limitations, restrictions or covenants herein contained, or any portion thereof, are invalid or void, such invalidity or voidness shall in no way affect any other covenant, limitation or restriction.

All of the lots are designated as residential except the reserve portion in Block One (1) and the ^{RESIDENTIAL} lots shall be used for residential purposes only and the limitations, restrictions and covenants for such residential lots are as follows: (The following paragraphs 1 through 16 shall not be applicable to this reserve portion of Block One (1). However, paragraph 17 shall be applicable to the reserve portion of Block One (1).)

1. No building shall be erected, altered, or placed on any lot other than a one-family dwelling, together with such outbuildings or other roofed or walled structures as are necessary to the comfort, pleasure and convenience of the dwelling house, provided that such outbuildings shall correspond in style and outside finish material with the dwelling house.

2. The building erected or placed on the lot as the one-family dwelling house shall contain not less than six hundred (600) square feet of interior floor space living area; and if any dwelling house is of "high raised" construction, the area on the ground level even though enclosed, shall not be considered as constituting "interior floor space living area", to comply with the 600 square feet limitation herein specified.

3. The exterior of any building erected or placed on a lot shall be of an accepted wood, brick, stone, asbestos, tile or masonry material, and no tin, sheet iron, metal, felt, or paper, including imitation siding, shall be used as exterior siding or roofing on any building erected or placed on said lot.

4. All structures thereon shall at all times be kept in a neat, trim and clean condition and the buildings painted when necessary in order to preserve the attractiveness thereof.

5. The exterior of any dwelling erected on the lot must be constructed and enclosed within a period of six (6) months from the time of the commencement of such construction. No structure of a temporary character, trailer, trailer house, tent, shack, garage, barn or other outbuilding shall be used, maintained or kept on said lot at any time as a permanent residence except during the construction of a dwelling or for the purpose of storage of tools and equipment used in connection with the construction of the dwelling.

6. No building or other above-ground structure shall be erected or placed on a lot closer than twenty (20) feet to the road property line, nor closer than three (3) feet from the property lines on any side of the lot. Steps leading to a residence are not included within this limitation distance.

7. After the purchase of a lot, the owner and occupant of each lot shall keep the same mowed and not permit the growth of weeds, tall grass, and unkept vegetation which are unsightly, and keep the premises clear of all rubbish, debris, and discarded material, to the end of not constituting or creating an annoyance or nuisance to the owner of other lots.

8. No business, occupation, or trade of any kind, type or character shall or will at any time hereafter be conducted from the residence or structure on the lot. No sign of any kind shall be displayed to the public view on any lot, except one sign of not more than five (5) square feet advertising the property for sale, or signs used by a builder to advertise the property during the construction and sales period.

9. Each private driveway shall have a drainage structure thereunder and parallel to the roadway which provides an opening of sufficient size and depth to permit the free flow of water to the end that same will not permit the impounding of water on and retarding of natural flow of water from other lots in said subdivision.

10. No outside toilet or privy shall be erected or maintained in the subdivision. A septic disposal system will be permitted provided, however, that the septic tank shall be of concrete construction and contain no less than 200 gallons to which shall be connected appropriate and effective field lines and provided further that no sewage or other waste matter, debris, trash, rubbish, garbage or unsightly or unsanitary articles shall be placed or deposited in or permitted to drain into Caney Creek, ditches, or any other body

of water. All sanitary plumbing shall conform with the minimum requirements of the Civic Committee for Caney Creek Haven Section Three Subdivision, the Health Department for Matagorda County, Texas, and the State of Texas. No part of any lot shall be used for the dumping of rubbish, trash, or other waste, all of which shall be kept in sanitary containers. All incinerators or other equipment for the storage or disposal of such rubbish, trash, garbage, and waste shall at all times be kept in a clean, neat and orderly manner.

11. All structures erected on any lot shall comply with all rules and regulations of the Federal, State, or other regulatory authority having jurisdiction over such structures.

12. No cows, horses, sheep, goats, hogs, chickens, ducks, rabbits, or any other animals or fowls or poultry, except household pets, shall be kept or permitted on any residential lot in said tract, but in no event shall any person keep household pets for commercial purposes.

13. An assessment of \$175.00 per year shall be assessed against each lot in said subdivision for the maintenance of the road, drainage, and other expenditures as determined by the Caney Creek Haven Civic Club Committee as it in its sole judgment may deem necessary for the benefit of all lots. This assessment shall constitute a lien on each lot and it shall be due and payable on December 31st of each year, the first payment of which shall be due on December 31, 1973. The assessment shall not be applicable against the lots which are owned by the Caney Creek Haven partnership or any other developer to whom Caney Creek Haven may sell more than 50% of its unsold lots. An owner of more than one lot in said subdivision and in Caney Creek Haven Section 1 and Caney Creek Haven Section 2 shall not be required to pay an assessment fee on more than one lot until such time as the additional lot or lots so owned

by said owner are sold or improved, and upon the sale of any additional lot by the same owner or the improvement of any additional lot owned by the same owner, such lot shall then be assessed the payment of said annual assessment fee. The assessment fee shall be paid to Caney Creek Haven Club, 502 Houston First Savings Building, Houston, Texas or such other address that the Caney Creek Haven Club shall adopt. The assessment fee shall be due and paid annually on December 31st. Caney Creek Haven Civil Club Committee shall be composed of three (3) members of Dougal C. Pope, Roger Hoss, and J. A. Andrews, who shall act until December 31, 1978. Thereafter, the three (3) members of the Caney Creek Haven Civic Club Committee shall be elected annually by the majority of the lot owners in said subdivision. Each lot owner shall be entitled to one vote for each lot that he owns. Said assessment or maintenance charge is secured by the vendor's lien which is hereby expressly created and retained upon each and every lot as above provided. The lien for the assessment and maintenance charge shall be second, subordinate and inferior to the lien of said bona fide mortgagee. Caney Creek Haven Civic Club Committee shall be the custodian and administrator of the assessment and maintenance fund, and the vendor's lien is hereby transferred and assigned to said Civic Committee, who shall have authority to adjust the maintenance charge from year to year as it may deem proper, but in no event shall such charge exceed the maximum herein stated without the consent of 90% of the owners of lots in said subdivision. In the event that there is a vacancy in the Caney Creek Haven Civic Club Committee at anytime up to December 31, 1978, the remaining member or members shall select sufficient members of the said committee so that there will be three (3) members.

14. The foregoing restrictions, covenants and conditions shall be binding upon and inure to the benefit of each owner, their successors, heirs and assigns, and all persons claiming by, through

or under them, and shall be effective until May 1, 1994, and shall then be extended automatically thereafter for successive periods of ten years each unless an instrument signed by 75% or more of the then owners of said lots has been recorded with the County Clerk of Matagorda County, Texas, agreeing to revoke or to change such restrictions and covenants in whole or in part.

15. Enforcement of these restrictions and covenants shall not operate to invalidate any mortgage, deed of trust, or other lien held against said property or any part thereof, and such liens may be enforced against any and all property covered thereby, subject, nevertheless, to these restrictions and covenants.

16. All of the lots shall be considered a game sanctuary and no firearms shall be discharged thereon.

17. The partnership of Caney Creek Haven reserves to itself, its successors and assigns, an easement or right-of-way over a strip of land along the side, front and rear boundary lines of all of the lots in Caney Creek Haven, Section Three (3), a subdivision in Matagorda County, Texas, for the purpose of installation or maintenance of public utilities, including but not limited to gas, water, electricity, telephone, drainage, and sewerage, and any appurtenance to the supply lines therefor, including the right to remove and/or trim trees, shrubs or plants. This reservation is for the purpose of providing for the practical installation of such utilities as and when any public or private authority or utilities company may desire to serve said lots with no obligation to the Caney Creek Haven partnership to supply such services.

Executed this the 2nd day of July, 1973.

Hilma S. Huitt, County Clerk
Matagorda County, Texas

Dear Neighbor,

Congratulations on the purchase of your new home or property in Caney Creek Haven, a deed-restricted subdivision in the unincorporated community of Sargent, Texas. On behalf of the Board of Directors (BOD) for the Caney Creek Haven Club Civic Committee and other property owners, we would like to officially welcome you into the neighborhood. We are glad that you have chosen to call Caney Creek Haven home, or your home-away-from-home, and look forward to meeting you soon.

The BOD of the Caney Creek Haven Club Civic Committee consists of property owners in Caney Creek Haven who volunteer their time and energy to manage the Homeowners Association for the neighborhood. The organization's By-Laws and Deed Restrictions should have been provided to you during the home purchase process, but if they were not, they can be found on the community website at www.caneycreekhaven.com. In accordance with the By-Laws of the Caney Creek Haven Club Civic Committee, primary responsibilities of the BOD are:

1. Preserving and enforcing deed restrictions.
2. Collecting maintenance fund assessments; and
3. Using funds collected for the beautification, care, and maintenance of common areas.

Moving into a new area can be a confusing and challenging experience. We have put together this letter with information that will help you get settled into the neighborhood and maximize enjoyment of your new home. Please take some time to familiarize yourself with this information. If you have any questions, feel free to contact any member of the BOD.

Again, welcome to the Caney Creek Haven community. We are confident that you will fall in love with this neighborhood as we have. We know you will find our neighborhood is a great place to be and we encourage your participation in our activities and functions.

Sincerely,

The Caney Creek Haven Club Civic Committee BOD

About Sargent

Sargent is an unincorporated community on the Texas Gulf Coast. It is in the eastern corner of Matagorda County and is approximately 25 miles from either Bay City or Lake Jackson, Texas. As of the July 1, 2020, United States census, the Matagorda-Sargent Census County Division (CCD) has a population of approximately 3,715 residents. It is estimated that approximately 500 of these residents of the Matagorda-Sargent CCD live in Sargent. However, this population of Sargent residents is supplemented by a number of other residents who enjoy Sargent on a part-time basis and maintain their permanent residence in other census areas.

The community of Sargent was named for George Thomas Sargent, who relocated his family to Texas from Cornwell, England in 1834. They established a permanent residence near Caney Creek in 1838, quickly becoming a major landowner in the area. Mr. Sargent was a rancher and cotton grower.

George Thomas Sargent and his daughter-in-law, Sarah Ann, drowned in a hurricane in 1875. They are buried in a small family cemetery located in Caney Creek Estates and maintained by local residents. The Texas Historical Commission awarded a historical marker to this cemetery in 1986.

During the Civil War (1861-65), Federal forces tried several times to seize Texas ports. In an attempt to halt the invasion of these Federal forces, Maj. Gen. John B. Magruder, Confederate commander of Texas, ordered fortification of the mouth of Caney Creek. In Jan. 1864, an earthen fortress, rifle pits, trench works, and four redoubts were erected near this site. Defended by 4000-6000 Confederates, the area was bombarded by Federal gunboats during January and February. No ground combat occurred at Caney Creek, but the preparations deterred a further Federal advance.

Many of the long-time residents of Sargent remember when Sargent Beach contained multiple Rows of beach houses. Sadly, these succumbed to coastal erosion in the 1960's. In an effort to protect Sargent Beach and prevent future coastal erosion, the most notable effort was the funding of an 8-mile-long granite breakwater revetment, installed by the U.S. Army Corps of Engineers in the early 1990's. Sections of this revetment wall are intermittently exposed and visible along Sargent Beach. In the event of a tropical storm making landfall in the Sargent area, this revetment was also designed to protect inland homes from storm surge.

Sargent has a small-town feel with a big heart. Neighbors frequently help other neighbors or complete strangers in need. Sargent has a volunteer fire department, a branch of the Bay City Library, and a community post office.

About Caney Creek Haven

Caney Creek Haven is a deed-restricted residential coastal community in Sargent, Texas located in Matagorda County. Conveniently located on Caney Creek, Caney Creek Haven provides easy boat access to the Intracoastal Waterway, East Matagorda Bay, West Matagorda Bay, and the Gulf of Mexico. Caney Creek Haven provides a private boat ramp for the exclusive use of property owners. Caney Creek Haven also provides weekly mosquito fogging during the spring and summer months. Security cameras are located at the entrance of the subdivision providing 24/7 monitoring.

The first deed restrictions for Caney Creek Haven were recorded in Matagorda County in 1972. The Caney Creek Haven Club Civic Committee incorporated as a non-profit organization in 1995.

Other Notes

- Our community website, www.caneycreekhaven.com, is a repository of information regarding Caney Creek Haven and the surrounding area, including deed restrictions. Please take a few minutes to visit and familiarize yourself with this resource and get to know your community.
- For additional information, follow us on Facebook at Caney Creek Haven Sargent, TX
- Footage collected by security cameras is archived for 30 days. If you need access to these videos, please contact any member of the BOD.
- The Speed Limit in Caney Creek Haven is 30 MPH. Please watch out for walkers, joggers, bicyclers, children, and pets.
- Leash laws apply in Matagorda County. Please keep your pets on leashes and pick up after them.
- As a courtesy to your neighbors, please ensure that your fishing lights are pointed down at the water to minimize reflection and turn lights off when not in use.

Board of Directors and Volunteers Listing

The BOD of the Caney Creek Haven Club Civic Committee consists of volunteer property owners from the neighborhood. The BOD consists of a minimum of 7 and maximum of 12 Directors, elected on a staggered basis by the community. Each Director serves a maximum of two, 2-year terms.

Board meetings are held on a quarterly basis and in the first month of each quarter. At the first meeting of each calendar year, officers are selected by the BOD members. These officers include a President, Vice-President, Secretary, and Treasurer.

The annual meeting for all Caney Creek Haven property owners is held on the second Saturday in October. During the annual meeting, BOD members are elected for the following calendar year. Dates and times for BOD meetings, including the annual meeting, are posted on the Caney Creek Haven website.

New volunteers to serve on the BOD are always welcome. If you are interested in getting involved, please notify any member of the current Board so that you may be included on the October ballot.

Deed Restrictions

Caney Creek Haven deed restrictions were created for your protection. We believe you will find them to be reasonable; and will see that they are designed to help protect property values, preserve the aesthetic nature of our community, and make life in Caney Creek Haven more enjoyable for everyone.

By accepting title to your home or property in Caney Creek Haven, you have accepted responsibility to abide by these deed restrictions. It is incumbent on all property owners to read and comply with applicable documents of the association. Copies of the deed restrictions are found in the Documents Library of the Caney Creek Haven website at www.caneycreekhaven.com.

The Caney Creek Haven Club Civic Committee BOD has the legal authority to enforce all deed restrictions and it is our responsibility to do so consistently and equitably. Should a violation of the deed restrictions occur, the property owner will first receive a written notice of the violation with a proper timeframe to resolve the issue. In extreme cases, legal redress may be pursued if violations of the deed restrictions go unresolved.

We do not relish the need to take action against our neighbors, but it is our obligation to do so if they do not comply with the deed restrictions. If you are in doubt, please review the rules posted on our community website or call any member of the BOD to get answer(s) to your question(s).

Some of the most common examples of violation of the deed restrictions include failure to:

1. Keep structures in neat, trim, and clean condition and the buildings painted when necessary;
2. Construct and enclose any dwelling within six months from the commencement of construction;
3. Comply with limitations regarding distance from property lines when erecting a new structure;
4. Comply with requirements to keep lots mowed and not permit the growth of weeds, tall grass, and unkept vegetation;
5. Keep premises clear of all rubbish, debris, and discarded material; and
6. Install drainage structure under each private driveway, sufficient to permit the free flow of water.

As a new homeowner, you may already have some ideas on how you'd like to improve your property. Each property owner is responsible for verifying that improvements are in conformance with the deed restrictions. Please feel free to contact the BOD before making changes to your property or your home in order to avoid being cited for a violation of deed restrictions and potential costs associated with alteration or removal of changes that do not comply with existing restrictions.

Annual Maintenance Fee

Maintenance of the boat ramp, street lamps, mosquito fogging, and security cameras are some of the expenses paid for by the Caney Creek Haven Club Civic Committee with dues collected in the form of an annual maintenance fee.

When you closed on your property in Caney Creek Haven, you paid a prorated amount of the annual maintenance fee for the current calendar year. Next year and each year thereafter, your dues notices will be mailed in July or August to cover the current calendar year. After receiving your notice, each homeowner is responsible for paying the annual maintenance fee of \$175 on or before December 31st.

Checks for these annual dues should be made out to the:

Caney Creek Haven Club Civic Committee (CCHCCC)
P.O. Box 4292
Sargent, Texas 77404-4292.

Emergency Contact Information

Simply put, always call 911 when someone's life, safety, health, or property is in immediate danger. The 911 dispatcher will then make sure you promptly get the assistance needed.

If you need help from law enforcement in non-emergency situation, call the Matagorda County Sherriff's Office at (979) 245-5526.

Hospitals

Matagorda Regional Medical Center
104 7th Street
Bay City, TX 77414
(979) 245-6383

CHI St. Luke's Health – Brazosport Hospital
100 Medical Drive
Lake Jackson, TX 77566
(979) 297-4411

Power Outages

In the event of a power outage at your property, it can be reported to Jackson Electric Cooperative at (979) 245-3029.

911 Address

The County Road / Private Road number is a system that allows 911 responders to locate your residence with more precision. For instance, 1200 CR 206 (Creeside) is 1.200 miles from the intersection of CR 298 (Caney Drive).

The Post Office prefers to deliver to the County Road / Private Road address. According to the United States Postal Service the preferred city for zip code 77414 is Bay City, TX. Zip code 77414 is assigned to home delivery while 77404 is assigned to Post Office boxes at the Sargent Post Office.

Delivery services (UPS, FedEx) can find your residence easier in some cases if you give them the old lot number street name address for GPS (Global Positioning System). While GPS is good it is not perfect.

If you do not know or do not have a 911 address for your property, contact:

Rebecca Mayo
2200 7th St
3rd Floor Room 2
Bay City, TX 77414
979-244-6801

Information About Brokerage Services

Texas law requires all real estate license holders to give the following information about brokerage services to prospective buyers, tenants, sellers and landlords.

11-03-2025

TYPES OF REAL ESTATE LICENSE HOLDERS:

- **A BROKER** is responsible for all brokerage activities, including acts performed by sales agents sponsored by the broker.
- **A SALES AGENT** must be sponsored by a broker and works with clients on behalf of the broker.

A BROKER'S MINIMUM DUTIES REQUIRED BY LAW (A client is the person or party that the broker represents):

- Put the interests of the client above all others, including the broker's own interests;
- Inform the client of any material information about the property or transaction received by the broker;
- Answer the client's questions and present any offer to or counter-offer from the client; and
- Treat all parties to a real estate transaction honestly and fairly.

WRITTEN AGREEMENTS ARE REQUIRED IN CERTAIN SITUATIONS: A license holder who performs brokerage activity for a prospective buyer of residential property must enter into a written agreement with the buyer before showing any residential property to the buyer or if no residential property will be shown, before presenting an offer on behalf of the buyer. This written agreement must contain specific information required by Texas law. For more information on these requirements, see section 1101.563 of the Texas Occupations Code. **Even if a written agreement is not required, to avoid disputes, all agreements between you and a broker should be in writing and clearly establish: (i) the broker's duties and responsibilities to you and your obligations under the agreement; and (ii) the amount or rate of compensation the broker will receive and how this amount is determined.**

A LICENSE HOLDER CAN REPRESENT A PARTY IN A REAL ESTATE TRANSACTION:

AS AGENT FOR OWNER (SELLER/LANDLORD): The broker becomes the property owner's agent through an agreement with the owner, usually in a written listing to sell or property management agreement. An owner's agent must perform the broker's minimum duties above and must inform the owner of any material information about the property or transaction known by the agent, including information disclosed to the agent by the buyer or buyer's agent. **An owner's agent fees are not set by law and are fully negotiable.**

AS AGENT FOR BUYER/TENANT: The broker becomes the buyer/tenant's agent by agreeing to represent the buyer, usually through a written representation agreement. A buyer's agent must perform the broker's minimum duties above and must inform the buyer of any material information about the property or transaction known by the agent, including information disclosed to the agent by the seller or seller's agent. **A buyer/tenant's agent fees are not set by law and are fully negotiable.**

AS AGENT FOR BOTH - INTERMEDIARY: To act as an intermediary between the parties the broker must first obtain the written agreement of *each party* to the transaction. The written agreement must state who will pay the broker and, in conspicuous bold or underlined print, set forth the broker's obligations as an intermediary. A broker who acts as an intermediary:

- Must treat all parties to the transaction impartially and fairly;
- May, with the parties' written consent, appoint a different license holder associated with the broker to each party (owner and buyer) to communicate with, provide opinions and advice to, and carry out the instructions of each party to the transaction.
- Must not, unless specifically authorized in writing to do so by the party, disclose:
 - that the owner will accept a price less than the written asking price;
 - that the buyer/tenant will pay a price greater than the price submitted in a written offer; and
 - any confidential information or any other information that a party specifically instructs the broker in writing not to disclose, unless required to do so by law.

A LICENSE HOLDER CAN SHOW PROPERTY TO A BUYER/TENANT WITHOUT REPRESENTING THE BUYER/TENANT IF:

- The broker has not agreed with the buyer/tenant, either orally or in writing, to represent the buyer/tenant;
- The broker is not otherwise acting as the buyer/tenant's agent at the time of showing the property;
- The broker does not provide the buyer/tenant opinions or advice regarding the property or real estate transactions generally; and
- The broker does not perform any other act of real estate brokerage for the buyer/tenant.

Before showing a residential property to an unrepresented prospective buyer, a license holder must enter into a written agreement that contains the information required by section 1101.563 of the Texas Occupations Code. The agreement may not be exclusive and must be limited to no more than 14 days.

LICENSE HOLDER CONTACT INFORMATION: This notice is being provided for information purposes. It does not create an obligation for you to use the broker's services. Please acknowledge receipt of this notice below and retain a copy for your records.
