

DESCRIPTION

Pack your beach bags and head to Blue Marlin, a comfortable 4-bedroom, 2-bath beach house nestled in the popular Pirates Beach neighborhood! Just a short stroll from the sand, this 3rd row retreat comfortably sleeps up to 10 guests (and 2 pups!) and offers the perfect home base for family vacations, beach weekends and island getaways.

Step inside to discover a bright, open-concept living area where soaring ceilings, a wall of windows, and a wet bar area create a warm and welcoming atmosphere. Comfortable seating invites everyone to gather for movie nights, board games, or simply relaxing after a day at the beach. The fully equipped kitchen has everything you need to prepare family favorites, while the adjacent dining area with two drink refrigerators and a buffet serving bar makes it easy to enjoy meals together before heading back out to the sand.

With four thoughtfully appointed bedrooms spread across two levels, everyone has a place to unwind. The primary bedroom on the upper level offers a peaceful retreat after a fun-filled day, while the additional guest rooms, all located on the main level, provide comfortable accommodations for the whole group. With a second king bedroom, a cheerful bunk room, and additional sleeping space in the home office - there's plenty of room for everyone whether you're traveling with extended family or multiple groups.

When you're ready to soak up the island breeze, step outside onto the spacious main level deck and enjoy your morning coffee or an evening drink while listening to the waves in the distance. The ground level is a favorite gathering spot, complete with a swing and hammock, a large outdoor dining table, outdoor sink area and an outdoor shower that's perfect for rinsing away sandy toes after a day on the beach. As a bonus, there's an exterior elevator that will take you (and your luggage!) from the ground level to the main level deck for easy unloading of your bags.

Whether you're searching for seashells along the shoreline or exploring Galveston's restaurants, shops and attractions only a short drive away, Blue Marlin offers the perfect combination of location, comfort and convenience. Once you arrive, you'll quickly discover why beach vacations are better at Blue Marlin!

This vacation home is new to our program. Floor plans will be posted soon. If you have any questions, please call us at 409.797.5500 and we will be happy to help!
