

Things We Love About Our Home – A Note from the Seller

There's so much to love about living here—it's truly been a special place for our family.

We've enjoyed being in such a central location—just minutes from the yacht club, marina, fitness center, and the elementary school. One of my favorite things was being able to walk or bike to school with my kids.

Every Fourth of July, we'd stroll down the rocky road to watch the fireworks light up the sky—a small-town tradition that never got old.

Evenings in the hot tub, watching the Astros dominate the field, have been a perfect way to unwind and enjoy the space.

One of the biggest comforts has been our whole-house generator—knowing we wouldn't lose power during hurricane season gave us peace of mind.

We're tucked away on a quiet cul-de-sac surrounded by kind, respectful neighbors. It's a calm, safe, and friendly corner of the neighborhood.

And inside, the open floor plan has been ideal for holidays and entertaining.

This home has given us so much joy—we hope it brings the same to you.
