

Middle Rio Grande Development Council

9-1-1 Regional Planning Services

Toll Free: 1-888-945-3940

To Whom It May Concern:

Please find your address verification letter attached. This address is the 9-1-1 address for the location listed and will be used by first responders. A 9-1-1 address' purpose is to provide you with greater service in the event of an emergency.

USPS Mail Delivery

If you plan on using this address for mail delivery, please notify your local post office of this address. The local Post Office will advise you of your complete mailing address, including the city and zip code.

Utilities

You may use this letter to verify the address of a location when requesting services such as water, cable, or other services.

Other Services such as Navigation or Package Delivery

There is currently no central address system in place to guarantee that delivery services such as Fed-Ex and UPS will be able to find your location. Google and Apple Maps does not reference our data, and there is no process to update those services.
