1. The Broker will make reasonable efforts and act diligently to market the Property, find a buyer, and can help negotiate the sale.
2. The Broker will file this Listing with one or more Multiple Listing Services (MLS) by the earlier of the time required by MLS rules or 5 days after the date this Listing begins. However, the Broker does not guarantee the sale or lease of the property.
3. **Disclosure of material facts.** Seller acknowledges that Broker is required by law to disclose to potential purchasers of the Property all material facts pertaining to the Property about which the Broker knows or reasonably should know. REALTORS® have an ethical responsibility to treat all parties to the transaction honestly.

The Property is not involved in any court proceedings, and all information provided to the Broker is accurate to the best of the Seller's knowledge. Any entity providing benefits to the Seller for selling the Property is disclosed. The Seller's content and the license granted to the Broker do not infringe on any rights.

D. LISTING AGREEMENT:

By entering into this Agreement, you, the Seller, certify that you are the Seller and/or a full legal authorized party to sell and/or rent the Property and agree to the following terms:

For the Enhanced and Concierge Services, cancellation must also occur before promotional items are shipped or digitally sent (CMA) and at least 48 hours before a scheduled photography session.
 - e. Broker Cancellation.** Broker reserves the right to cancel the listing if the Seller provides false information, impersonates the actual owner, or if legal issues restrict the Property's sale or rent, posing a risk to the broker, brokerage, license and/or company. If Seller fails to respond to Broker's attempts to contact Seller via email and telephone, Broker reserves the right to cancel the listing after Three (3) days, and the listing shall be deemed abandoned by Seller with no refund.
1. **Incomplete Questionnaires:** A listing with an incomplete questionnaire for more than 30 days will be considered abandoned and will not be eligible for a refund.
 2. **Off-Market Listing:** If the property is off the market for more than 30 days, whether consecutive or not, it will be considered abandoned, and no refund will be given. "Off-market" means the property isn't actively listed or available for showings on the MLS.

f. Special Circumstances: The Broker will keep Seller-requested information confidential unless required by law. The Seller acknowledges that without a Confidentiality Agreement, the buyer and buyer's broker may not treat any offer as confidential.

In Texas, once the listing is placed on the MLS service, the Seller must agree to and sign the "Release and Cancellation of Listing Agreement" to cancel, delete, release, or terminate a contract. This agreement is generated online from your Beycome Dashboard (Status > Delete/Cancel) when you request the cancellation of your listing.

Seller(s) Initials: DPP

E. MARKETING:

The seller authorizes the broker to market and advertise the property through various media, including the Internet and MLSs, and to collaborate with other brokers to find buyers. The seller understands that listing the property in MLS's makes it accessible to all MLS members, affiliated licensees, and third-party websites, and may include images for sale purposes. The seller agrees to have the property displayed on any internet site, including showing the property's address online. The broker may use materials provided by the seller during the agreement but is not responsible for third-party use after the agreement ends.

a) The seller permits the broker to provide a "For Sale" sign for the property and to advertise it as "under contract" or "sold" if applicable. **Note: FSBO (For Sale by Owner) yard sign is not permitted once the property is listed in an MLS system.**

b) If the seller is on a "Do Not Call List," the seller expressly consents to the broker calling for any purpose related to the sale of the property. This consent remains valid even after the termination of this agreement.

c) The seller has the right to place a lockbox on the property. The broker is not liable for any loss, damage, or injury related to the use of a lockbox, showings, or otherwise. Although lockboxes can aid in marketing the property, there have been rare cases of misuse, such as burglaries. To minimize risk, the broker advises against placing lockboxes on easily removable fixtures. The seller should secure valuables, prescription drugs, and keys, as others will have access to the property.

d) If a tenant occupies the Property at any time during this Listing, Seller will furnish Broker a written statement (for example, [TXR 1411](#)), signed by all tenants, authorizing the use of a Lockbox or Broker may remove the Lockbox from the Property.

e) The seller acknowledges that while marketing services will aid in showing and selling the property, there are risks beyond the broker's control, including (i) unauthorized use of a lock/key box, (ii) visitor control during or after showings or open houses, including taking and using photographs and videos, (iii) inappropriate use of property information on the Internet or by listing services, and (iv) outdated or inaccurate property information remaining online after the listing expires, including photographs. The seller understands that the broker and its agents cannot control or remove such information once it is online.

F. OTHER TERMS AND CONDITIONS:

a. Notice Regarding MLS Rules: MLS rules require Broker to accurately and timely submit all information the MLS requires including final closing of sales and sales prices. MLS rules may require that the information be submitted to the MLS throughout the time the Listing is in effect. Subscribers to the MLS and appraisal districts may use the information for market evaluation or appraisal purposes. Subscribers are other brokers, agents, and real estate professionals such as appraisers. Any information filed with the MLS becomes the property of the MLS for all purposes. **Submission of information to MLS ensures that persons who use and benefit from the MLS also contribute information.**

b. Seller's Obligations to Update Information Within 24 Hours on the Beycome Website for the MLS Service: Per MLS rules, property information must always be current. The Seller is required to update the following information within 24 hours:

- 1. Contract Status:** Notify immediately when a contract is signed or executed (e.g., pending sale, or under contract).
- 2. Sale or Rental Completion:** After the property is sold or rented, provide the cooperating broker's details, sale or rent price, type of financing, closing date, and a fully executed copy of the purchase/sale agreement, settlement statement, and all addenda.
- 3. Changes or Notices:** Inform the Broker immediately of any changes, such as listing cancellations, price changes, or commission adjustments. Any changes will require an addendum to this Agreement.
- 4. Off Market:** The Seller cannot keep the property "off market" on the MLS Service for more than 30 consecutive or non-consecutive days. If the property remains off market for more than 30 days, it will be considered abandoned, and no refund will be issued.

WARNING: A \$900 MLS penalty may apply if the Seller fails to notify the Broker by email within 24 hours of receiving notice or knowledge.

**c. All listings are subject to MLS review and must comply with MLS Rules and Regulations.**

Non-compliance allows the Broker to cancel the listing without a refund. If the MLS issues a notice, the Broker will forward it to the Seller, who must comply within 24 hours. Failure to do so may result in the listing being canceled without a refund. If the Broker needs to take legal action to enforce this Agreement, and the Broker prevails, the Seller agrees to pay the Broker's reasonable attorney's fees and court costs in addition to any other awarded amounts.

d. Hazardous Conditions on Property and Liability: The Seller acknowledges that the Broker has no obligation to inspect the Property for defects, hazardous conditions, or necessary repairs. The Seller is solely responsible for ensuring the Property is safe for prospective buyers, agents, invitees, and contractors, including warning them of any hidden dangers. To minimize liability, the Seller should address and correct any hazardous conditions. If the Property becomes vacant during the Listing, the Seller must notify their casualty insurance company to request a "vacancy clause." Broker is not responsible for the security of the Property or for conducting periodic inspections.

The Seller assumes all risks of loss, damage, or injury and agrees to indemnify and hold the Broker harmless from any claims or damages arising from injuries or harm on the Property. The Broker, other brokers, their associates, key lock/box providers, or scheduling companies are not liable for any personal injury or property loss, except in cases of Broker's negligence. This includes injuries or damages caused by:

- Other brokers, their associates, inspectors, appraisers, or contractors authorized to access the Property;
- Information shared by other brokers or their associates on websites;
- Acts of third parties (e.g., vandalism or theft);
- Freezing water pipes;
- Hazardous conditions on the Property;
- Non-compliance with laws or ordinances; or
- The Seller's actions, whether negligent or otherwise.

e. Lead Paint Disclosure. As required by federal law (Residential Lead-Based Paint Hazard Reduction Act of 1992, Title X), if any portion of a residential dwelling was built prior to 1978, the Lead-Based Paint Disclosure is hereby attached to this Agreement. The term "residential dwelling" includes any painted fixture or material used therein that was built or manufactured prior to 1978. Broker is hereby authorized to distribute any Lead-Based Paint Exhibit to buyer interested in Property.

f. Other Professional Advice: Seller acknowledges and understands that Brokerage Firm, its agents, employees, and representatives are not acting as appraisers, builders, accountants, engineers, environmentalists, inspectors, surveyors, tax advisors, or attorneys in the context of this agreement or any future purchase agreement. Seller has been specifically advised to seek professional input or advice in these areas from those professionals as may be advisable and prudent.

g. Indemnification: The Seller acknowledges that the Broker's liability is limited to the compensation paid under this Agreement or \$100 if no compensation is paid. The Seller agrees to protect, defend, indemnify, and hold the Broker harmless from any damages, costs, attorney's fees, or expenses arising from:

- The Seller's failure to disclose material or relevant information about the Property; or

i. Mediation: The parties agree to negotiate in good faith in an effort to resolve any dispute related to this Listing that may arise between the parties. If the dispute cannot be resolved by negotiation, the dispute will be submitted to mediation. j. Security, Insurance, Showings, Audio, and Video: The Seller agrees to take reasonable precautions to protect valuables during showings and to obtain insurance against potential risks, as the Broker does not provide such coverage.

k. Surveillance/recording: Notice to Seller regarding recordings within the property: If the Seller has a recording system on the Property that records or transmits audio, the Seller understands this may violate state and/or federal wiretapping laws. The Seller agrees to release and indemnify the Brokerage, Broker, and employees from any liability resulting from such recordings or transmissions.

While potential buyers should not engage in unauthorized photography or videography on the Property, the Seller acknowledges that such actions may still occur. To protect privacy, the Seller should remove any personal items they do not wish to be recorded or transmitted. The Seller releases the Brokerage, Broker, and employees from liability related to any unauthorized recordings or transmissions by third parties, including appraisers, inspectors, Brokers, or prospective buyers.

G. MEDIA & COPYRIGHT ISSUES:

The Seller warrants that any media they provide is their property and agrees to indemnify the Broker against any third-party claims related to its use. By submitting media, you certify to the Broker that you have the rights or necessary licenses for its use. Do not upload or use any copyrighted, unauthorized, or illegally obtained images, descriptions, videos, or photographs on the website.
