Extended Limited Warranty

Thank you for registering your Allied Air heating and cooling equipment. This Certificate provides you with important information about your equipment ("Equipment"). Please note that the information below pertains only to Equipment that is used in a residential application. If your Equipment is used in a commercial application, please visit www.alliedair.com to review any applicable limited warranty's terms and conditions.

Our records reflect that you have registered the Equipment shown on this Certificate. If any of the information above is incorrect, or if you registered Equipment that is not shown above, please immediately contact Allied at col.warranty@alliedair.com or 1-800-448-5872 to ensure that your Equipment is properly registered. Registering your Equipment does not guarantee that either the Basic Limited Warranty or the applicable Extended Limited Warranty (if any) will apply. If the registered Equipment or any limited warranty claim associated therewith does not meet all the applicable limited warranty's terms and conditions (the "Terms"), the applicable limited warranty coverage (if any) will not apply.

Eligible Equipment comes with a Basic Limited Warranty and the opportunity to receive the applicable Extended Limited Warranty, if any, free of charge (the Basic Limited Warranty and Extended Limited Warranty are the "Limited Warranties"). You can review the Limited Warranties' Terms at www.alliedair.com or by calling 1-800-448-5872 to receive a copy by mail. Allied strongly recommends that you carefully review the Limited Warranties' Terms. Failure to comply with the Limited Warranties' Terms will result in the denial of a claim.

If you purchased your Equipment outside of California, Quebec or any other jurisdiction that prohibits registration requirements to effectuate warranties, you must have registered your equipment at www.alliedair.com within sixty (60) days of installation (for existing homes) or closing date (for new construction) for any applicable Extended Limited Warranty to apply. If you did not register your Equipment within that time period, your Equipment will be governed only by the Basic Limited Warranty.

PURCHASERS IN CALIFORNIA, QUEBEC AND ANY OTHER JURISDICTION THAT PROHIBITS REGISTRATION REQUIREMENTS TO EFFECTUATE WARRANTIES (1) HAVE NO REGISTRATION REQUIREMENT AND AUTOMATICALLY RECEIVED BOTH THE BASIC LIMITED WARRANTY AND THE DEFAULT EXTENDED LIMITED WARRANTY APPLICABLE TO YOUR EQUIPMENT (IF ANY) AND (2) THE FAILURE TO REGISTER YOUR EQUIPMENT DOES NOT DIMINISH YOUR LIMITED WARRANTY COVERAGE.
