BRIDGELAND

21127 Lady Of The Lk Lane

3 BD 2 BA 1723 SF

Almost new and built from the ground up by its only owner, this one story Beazer home in Bridgeland gives you the upgrades without the wait or the punch list. Painted brick sets it apart on the street. Inside, a split floor plan puts the primary suite on its own side of the house, so guests and family both get privacy. The kitchen anchors the living space with quartz counters, stainless appliances, and an island with room to gather. Built in laundry cabinets keep the clutter out of sight.

Out back, an oversized covered patio stretches the living space outdoors and earns its keep through a Houston summer. Roof, systems, and appliances are all young, which means low maintenance and easy ownership from day one. Then there is the location.

The Grand Parkway and 290 put the Energy Corridor, Katy, and downtown within easy reach, and the new Bridgeland Town Center brings an incredible HEB, shopping, and restaurants minutes from your door. Move in ready and hard to duplicate.
