If unique and beautiful are on your wish list, this is THE one. Four plus acres, fully fenced a with a barn, a stocked pond, and room for horses, show animals, and whatever the FFA calendar throws at you. The custom built home is not the standard issue floor plan repeating down every street around here, and the buyer who gets it will know within thirty seconds.

Soaring ceilings, light in every direction, and an island kitchen wearing brand new quartz counters and updated lighting. Four spacious bedrooms, real storage, and flex rooms that turn into an office, media room, playroom, or studio on demand.

The garage apartment adds one bedroom, one bath, a kitchen, and a living room for guests, a home business, or rental income. Zoned to Cypress Woods High School. Close in for the commute, quiet enough to hear the frogs.
